Happy Thanksgiving from the CLN!

Thanksgiving is here! Busy days for sure! Did you decorate your library for Thanksgiving this year? We hope you will share pictures of your Thanksgiving decorations with us on the CLN. Just click on [Photo](#) and follow the prompts. While you are doing that, share stories of your experiences with Thanksgiving on [The Circle](#). What a great time of year to praise Him for the opportunity to serve Him through our library ministries.

Some of you have asked about our new edition of the book [A Classification System for Church Libraries](#). So I checked with the LifeWay copyright attorney. He suggests you may want to ask an attorney in your church as well. His opinion is that you can print one copy of the pdf per purchase. However, you can have the pdf on more than one device that is owned by the purchaser. So if the church purchases the book, you can put it on church owned devices. If you purchase it, you can put it on your devices.

Very excited to begin a new series of articles with this broadcast. We have been given permission to link our Church Library Ministry articles to the Church Librarians Network. Our first feature is chosen because we find multiple generations in our homes as well as guests in our church libraries during the holiday season. Dr. Jeanine Bozeman is a long-time friend and professor with New Orleans Baptist Theological Seminary. She wrote the article "[Becoming Family: Understanding Generations in the Church](#)" for us several years ago. Her research is right on for our libraries today! Grab a cup of tea and go to your favorite reading spot to enjoy this article.

May God bless our holiday ministry actions. Let's stay in touch here at the CLN!! May our circle of prayerful support continue during the holidays.
