## We are growing...

Telecentre-Europe has now over 270 online individual members, representing around 80 organizations from 53 nations worldwide. On our [online social community](#) you can discover around 270 blogs, hundreds of photos and videos, all related to the european telecentre movement and e-inclusion.

## Also This Month

### Online members directory

During the Telecentre-Europe Summit 2009, we have launched an online application that is available to all our members. It is a database containing useful information about networks of telecentres, individual telecentres, service providers, and supporters. Please click [HERE](#) to login using the information that was sent to you by email and send your feedback.

### Online bank of resources

Telecentre-Europe has developed an online bank of resources, which is now in the initial development phase. You can login [HERE](#) using the same details sent to you by email, check existent resources, upload new ones and send your comments or suggestions.

### Telecentre-Europe on Twitter

Telecentre-Europe is now on Twitter! Follow us [HERE](#) and stay informed.

October 2009

## Staff exchanges - 2nd round

We have officially launched the second round of call for proposals on staff exchanges for the member organizations of our network.

This initiative provides a maximum grant of 850,00 Euro to each successful application. **Deadline for applying: 10 November 2009**

## Unsubscribe

To opt out of this mailing please just send an email to [info@telecentre-europe.org](mailto:info@telecentre-europe.org) with UNSUBSCRIBE in the Subject line.

Telecentre-Europe was a sponsor of the European Congress on E-Inclusion (ECEI09) in Brussels last week. Ian Clifford and Loreta Krizinauskiene spoke at this European conference which focuses on Libraries and their current and future role in eInclusion.

The event was a valuable opportunity to highlight the connection between libraries and Telecentres in a European setting. The conference website <http://www.ecei09.eu> will contain all speaker presentations soon.

## Quality staff for telecentres

The European Voluntary Service (EVS) represents a great opportunity for telecentres and networks of telecentres to identify and involve quality staff in their activities / projects.

EVS provides young Europeans with the unique chance to express their personal commitment through unpaid and full-time voluntary activities in a foreign country within or outside the EU.
