#### Hard News:

**T:** things are moving faster than they can embrace, and no one is telling them much

**R:** spoke to the 3 blondes from Pleiades

- the energies are getting better and better and better
- at the same time, the idea is being pushed about America going to war
- These are futile attempts at creating a false reality based on a timeline that has already been deleted from the program, the one about CA falling into the ocean and a nuclear winter etc etc – **all cancelled!!!!**
- there are just slivers of truth in various places – takes a lot of discernment to find it
- they are scared s\*\*\* less!
- We are in Sat Yuga, and watching the Kali Yuga and the matrix die out - the other 6 universes are in anti matter and do not go through the limited gyrations we are going through in the Universe of Nebadon
  - Some realms were spared during what happened after the 1<sup>st</sup> Creation
- They talked of cognitive dissonance and WMDs with mouths saying one thing, and hands doing other

things

- The dark ones have a limited place in the scheme of things – they are not out of love, but they are going to the Dark Rift
  - the blonde ladies he talked to are Ship Commanders of the Pleiadian Fleet: they are posing as students in a local college: they are part of the ground crew.
    - These ones are walking in the West Wing with the C-in-Chief – we won't be seeing this in any version of the TV West Wing!
  - We are in the most intense minutes – it's extremely serious and joyous all at the same time – we cannot condemn them because we were part of the lie in the beginning
    - Now we have the instruction manual for ET 101: it is about love
- R** is having a hard time this week due to all the death going on; at the same time, there is lots to be joyous about
- Joan Rivers was taken out in the doctor's office: the AMA is not here to save us – they want to collect on the insurance money for all the “useless eaters”

### **Camp Loveway:**

**Guest** was the lady who knows Clarence Carnicom who teaches about chemtrails – he has moved from Santa Fe to Idaho; has a lab there

- Since he went up there, he has isolated a “thing” in the chemtrail – the lady talked about it: the morgellans and the fibres that come out of your skin that look like the same kind of wires that go to your computer and key boards and so on
  - There are “things” living in his petri dishes in Idaho – from the chemtrails; they are actual biological life forms; the lady described them as genetically engineered because when he put it under the electron microscope, he found sensors and technology like Whitley Sreiber described: he had a living implant in his inner ear and when the doctor tried to take it out, it went further into his inner ear and attached itself to his inner ear. Cannot get them out
  - The implants go for your neural pathways that connect to your brain; when they connect with your brain, it does certain things to your brain and you end up receiving instructions from the Black Ops who run the MK Ultra Program.
- Talks about an insidious program from these insidious lifeforms who are upset and they have devised a system where they can hook up your kitchen sink from the sewer systems and if they want to inject poison into your water system, they can do that
- The 3 Pleiadian ladies said **do not take what you see on the TV to heart; it is about a false agenda timeline that has been cancelled yet it has not caught up with the media**

Having been pushed and having to claw,  
I've made my way through the birth canal.  
And if I believe I will be,  
The change the world has been waiting to see.

Now I have to put a couple of conditions on this Pele Report. Number one is.... don't forget.... Mars doesn't go into Sag until Saturday and a lot can happen between now and then! Second, I don't know that I stressed enough in the report the weirdness that can go down with Mercury/Uranus this whole week. You need to be relaxed to take the curve balls that can be coming your way as Uranus is a quirky bedfellow to Mercury! It's like the final stretch before the summit and it can be a slippery slope.

I included the chart for the Full Moon yesterday because it will still be in effect for most of this week and into the weekend. It is kind of a time, if you remember the old western movies where the gunslinger shoots at the ground in front of the poor nice guy and says "Dance partner, Dance!" Put on your dancin' shoes!

**From Table to Able: Combating Disabling Diseases with Food** Dr Michale Greger, MD

<https://www.youtube.com/watch?v=1DCjwIVJmMw>

Published on 1 Aug 2014

Every year I scour the world's scholarly literature on clinical nutrition, pulling together what I find to be the most interesting, practical, and groundbreaking science on how to best feed ourselves and our families. I start with the 12,000 or so papers published annually on human nutrition and, thanks to a crack team of volunteers (and now staff!), I'm able to whittle those down to about 3,000 studies, which are downloaded, categorized, read, analyzed, and churned into a few hundred short videos. This allows me to post new videos and articles every day, year-round, to NutritionFacts.org. This certainly makes the site unique. There's no other science-based source for free daily updates on the latest discoveries in nutrition. The problem is that the amount of information can be overwhelming.

Currently I have videos covering 1,814 nutrition topics (<http://nutritionfacts.org/topics/>). Where do you even begin? Many have expressed their appreciation for the breadth of material, but asked that I try to distill it into a coherent summary of how best to use diet to prevent and treat chronic disease. I took this feedback to heart and in 2012 developed Uprooting the Leading Causes of Death (<http://nutritionfacts.org/video/uproo...>), which explored the role diet may play in preventing, arresting, and even reversing our top 15 killers. Not only did it rise to become one of the Top 10 Most Popular Videos of 2012 (<http://nutritionfacts.org/2012/12/29/...>), it remains my single most viewed video to date, watched over a million times (NutritionFacts.org is now up to more than a million hits a month!).

In 2013 I developed the sequel, More Than an Apple a Day: Combating Common Diseases (<http://nutritionfacts.org/video/more-...>), in which I explored the role diet could play in treating some of our most common conditions. I've been presenting it around the country (<http://www.DrGreger.org/dates.html>) over the past year and it ended up #1 on our Top 10 Most Popular Videos of 2013 (<http://nutritionfacts.org/2014/01/09/...>).

Now I'm honored to bring you the third of the trilogy, From Table to Able: Combating Disabling Diseases with Food, in which I explore the role of diet in correcting some of our leading causes of disability. To more easily navigate through the menu of diseases, it is also available on DVD through my website (<http://www.drgreger.org/dvds>) or Amazon ([http://smile.amazon.com/s/ref=smi\\_www...](http://smile.amazon.com/s/ref=smi_www...)). If you want to share copies with others, I have a

five for \$40 special (enter coupon code 5FOR40TTA). All proceeds from the sales of all my books, DVDs, and presentations go to the 501c3 nonprofit charity that keeps NutritionFacts.org free for all, for all time. If you want to support this initiative to educate millions about eradicating dietary diseases, please consider making a donation (<https://nutritionfacts.org/donate/>).

After you've watched the new presentation, make sure you're subscribed to get my video updates daily, weekly, or monthly to stay on top of all the latest (<http://nutritionfacts.us5.list-manage>). For now, though, air-pop some popcorn, sit back, and enjoy!

### **2012-2013 More Than an Apple a Day: Preventing Our Most Common Diseases**

Dr. Greger has scoured the world's scholarly literature on clinical nutrition and developed this brand-new live presentation on the latest in cutting-edge research on how a healthy diet can affect some of our most common medical conditions.

### **2011-2012 Uprooting the Leading Causes of Death**

Death in America is largely a foodborne illness. Focusing on studies published just over the last year in peer-reviewed scientific medical journals, Dr. Greger offers practical advice on how best to feed ourselves and our families to prevent, treat, and even reverse many of the top 15 killers in the United States.

information about its users to the NSA. Abby then speaks with BTS producer Manuel Rapalo about the biggest dangers facing un-contacted tribes in places like the Amazon and how we can make sure commercialism and capitalist expansion doesn't destroy their way of life. Abby then speaks with Redacted Tonight's Sam Sacks about the helium crisis, and why running out of this finite resource could be a big problem in the future. BTS wraps up the show with an exclusive interview with religious scholar and #1 New York Times Bestselling Author Reza Aslan about the ideology of the extremist group ISIS and the correct course of action to deal with the group's proliferation.

## INFORMATION RELATED TO THE NOTES

A makeshift memorial for Michael Brown, who was fatally shot by a police officer on Aug. 9, on the spot where he was killed in Ferguson, Mo., Aug. 26, 2014.

<http://www.msnbc.com/msnbc/missouri-rapid-rightward-shift>

In just four weeks, Missouri has carried out an execution, imposed a 72-hour waiting period on women seeking abortions, expanded gun rights and become the poster child for the militarization of police and racial discord. Its public school system is struggling beneath the weight of an ongoing funding crisis, and an entire local police force is under federal investigation.

While the killing of unarmed black teen Michael Brown by a small-city cop and the fiery protests and heavy-handed police response that followed has drawn national attention and scorn, the incident is but a glimpse into the current social and political mess in the 'Show-Me State.'

Lawmakers on Thursday delivered Democratic Gov. Jay Nixon a 16-hour blistering legislative veto session, overriding a record number of his earlier vetoes – 47 in all. In doing so, the Republican-controlled Legislature in a broad stroke expanded gun laws that could allow teachers to carry guns into the classroom and became one of the most repressive states in terms of a woman's right to abortion.

The Reid Report, 9/12/14, 2:42 PM ET

MO: New 72-hour waiting period for abortions

In 30 days, women seeking an abortion must wait 72 hours to get one. The law is among the most stringent in the nation and puts Missouri among South Dakota and Utah as the only states that make women wait three full days before terminating an unwanted pregnancy.

The literal scorched earth in Ferguson, where Brown's killing set off more than a month of protests and

clashes, and the figurative burning in the State House, seems indicative of just how deep the state's troubles have risen.

"Missouri is a perfect example of what a purple state looks like," State Sen. Maria Chappelle-Nadal, a Democrat, told msnbc. "As we review all of the changes in our laws and statutes we're going to have to have some tough and honest conversations. But it's Missouri, you never know what you're going to get."

Decades ago Democrats ruled both houses of the State Legislature. They were Missouri Democrats for certain – the yellow dog sort who were pro-life and pro-gun but, Democrats nonetheless. They formed an odd family with big-city Democrats from St. Louis and Kansas city, walling off Republican control. But soon the Republicans began to gain support and momentum behind drawing tighter around core conservative values and drawing the contrasts between the national Democratic Party and themselves, putting pressure on old-line Democrats who would be considered Republicans by most litmus tests.

Jeffery Smith, a former state senator and one-time rising star in the Democratic Party who was forced from office in disgrace, wrote about the cleaving of political power in The Atlantic Magazine in 2012. Under the headline, "What's the Matter With Missouri?," Smith wrote of the out-sized role a radically conservative agenda was reshaping policy in the state.

"The more retrograde the political debate, the more progressives left or never came in the first place. And the more progressives left or stayed away, the more conservative the electorate became, and the more reactionary the debate," Smith wrote.

msnbc Live, 9/13/14, 3:52 PM ET  
'People are not stopping' in Ferguson

Smith noted the role of interest groups like the NRA and Missouri Right to Life and the Missouri Family Network, all heavy players in bolstering gun rights for Missourians and limiting women's rights to abortions. These groups influenced the crafting of "castle laws" and the expansion of self-defense laws that allowed citizens to shoot and kill anyone who so much as reached into their vehicles. The groups pushed the state Legislature to require parental consent for abortions and make it harder for abortion clinics to operate.

Missouri Right to Life, Smith wrote, pushed so hard that they even sought to criminalize research on stem cells.

"No hot-button cultural issue escaped attention," he wrote. "Laws prohibiting gay marriage were now deemed insufficient, so Republicans demanded a redundant constitutional amendment (which garnered 72% of the vote). It wasn't enough to crack down on undocumented immigrants in the workplace. Republicans demanded a constitutional amendment making English the state's official language, though

there was no evidence anyone had ever conducted state business in any other language (until, of course, the day I filibustered that proposed amendment in French).”

This is the short but direct pathway, in part at least, to how Missouri has become somewhat of a Florida of the Midwest, where a combination of policy, political extremism and other factors have brought national attention for what some could say is for all that’s wrong with state politics.

Chappelle-Nadal and others say that for better and worse, the state has historically fallen down the center in terms of political and social ideology but has recently moved further to the right. The more the Legislature falls from the fence, the more a divisive brand of conservatism whacks at the old Missouri convention of practicality and pragmatism, analysts say.

“The majority ideology in Missouri past and present has been moderately conservative,” said E. Terrence Jones, a professor of political science at the University of Missouri – St. Louis. “Over the past decades it has become slightly more conservative. That’s been reflected in a low-tax, low-service set of policies and it has also been reflected in policies that are socially conservative such as choice and gun rights.”

The current political climate and the broad push around a more conservative agenda has roiled cross-aisle alliances and even sparked some infighting within the Democratic Party, of which Gov. Jay Nixon is a member.

“At the moment it has been reflected in the tension within the Democratic Party. In order to be a successful statewide candidate in Missouri you have to be a moderate conservative,” Jones said. “You couldn’t be an all-out liberal. You have to do well enough in the non-urban areas and let the strong urban majority put you over the top.”

That dance, or that failure to dance, has generated considerable consternation within Nixon’s urban constituents, many of whom have criticized his handling of issues that impact the state’s minority residents. It has vexed Gov. Nixon and hampered efforts for the party to fight back against aggressive Republican efforts on many important issues including education funding, the expansion of gun rights and abortion law, analysts say.

Thursday’s success by Republicans and the failures of Democrats to put up a fight are Nixon’s “failures alone,” Chappelle-Nadal said. “The governor does not communicate well with the Republican Party nor the Democrat Party. This is like the third time in the history of Missouri that the governor has been overridden so much,” Chappelle-Nadal said. “He kind of sits in his office and is protected by his handlers but he doesn’t communicate with his legislative body.”

For days after Michael Brown’s killing, as thousands took to the streets to protest and parts of Ferguson burned, the governor remained mum on the incident and maintained a relatively normal schedule. Days into the protest, he even found time to attend the state fair.

But Brown’s killing has drawn national attention to Ferguson and to the broader plight of African-Americans who are often profiled and targeted by police, sometimes with deadly results. The Department of Justice, which is conducting a parallel investigation into the killing, has announced that it would also be launching a civil rights investigation into the entire Ferguson Police Department. While African-Americans represent about 70% of the city’s residents, the police force and most of the city’s public institutions are run and employed by whites. Of the 53 officers, only three are black.

During Thursday’s legislative session, in her first address to fellow legislators since Brown’s Aug. 9 killing, Chappelle-Nadal blasted Nixon, calling him a “coward” and saying that “You’ve done nothing for black people.”

“Many of my colleagues in the Senate, conservative members, feel that what happened to my constituents in Ferguson was wrong,” the senator, whose district includes parts of Ferguson, told msnbc. “They don’t support any of the militarized, tactical operations used against them or the behavior of the governor or his ineptness in approaching the situation.”

The events in the streets of Ferguson and in the halls of the Capital in recent weeks have aligned Missouri with other states that critics have described as politically and socially repressive. Think Florida, where headlines are often filled with bizarre crimes, political chicanery and in recent years, the killings of unarmed black men. In just nine months in 2012 the shooting deaths of two unarmed black teenagers sparked national outcry over the value and treatment of black youth. In February 2012, Trayvon Martin, 17, was shot and killed by a neighborhood watch volunteer in Sanford, Florida. In November of that same year Jordan Davis, also 17, was shot by a customer at a Jacksonville gas station after an argument over loud music.

At the same time, Florida was in a state of upheaval over strict new voting laws including limits on early voting and restrictions on registering new voters. Both were seen as attempts by Florida republicans to suppress the black and minority vote.

In the wake of Brown’s killing, the protests and the violent response from police in which innocent protestors were hit with rubber bullets and tear gas, questions about the treatment of African-American young men has again been raised. And more broadly, the militarized response from local law enforcement has brought to light a number of other troubling questions.

The federal government has given nearly \$1 billion a year to police departments in grants and equipment. Some of that includes military surplus items like armored and bomb-proof vehicles designed to absorb roadside bombs in theaters of war like Iraq and Afghanistan. But they have also shown up as part of the emergency response apparatus of local law enforcement, the likes seen in Ferguson during the height of clashes between the police and protesters last month.

The federal government has little oversight on how the weapons or funding is used by local law enforcement. The events in Missouri have led Congress to probe “police militarization.” Missouri Sen. Clair McCaskill, a Democrat, who has condemned the heavy-handed police response in her state, has led the hearings.

Back in Missouri, Chappelle-Nadal has emerged as one of Gov. Nixon’s harshest critics. Her voice is among the loudest of a growing chorus of lawmakers who have ramped up their criticisms of Nixon, saying that among other failings, Nixon has failed to rally and grow Democratic ranks in the Legislature in the face of mounting Republican pressure that has marked the state with black eye after political black eye.

Chappelle-Nadal said since she was first elected to the Legislature in 2005, the number of Democrats in both the House and Senate have fallen. She said there are about 50 Democrats currently in the House, down from about 74 when she first took office. And in the last couple years, the number of Democrats in the Senate had fallen to 9 from 11.

She says Nixon’s unwillingness to effectively lead has bordered on the obscene, setting the stage for this week’s Republican steam-rolling.

The expanded gun-rights legislation could allow teachers to could bring their guns to schools and more residents to openly carry their weapons in public places, including cities and towns that bar open carry. And the age that residents can become concealed-carry permit holders was dropped from 21 to 19.

Pro-choice and women’s advocates say the abortion bill sets the clock back on women’s rights.

As for why it’s happening, Jones said it’s not that the politics of the state have changed much, but that over

time the influence of political ideology on actual policy has gotten stronger.

The Last Word with Lawrence O'Donnell, 8/26/14, 10:20 PM ET  
We must 'break armor' between communities

But more than this latest string of controversies, there are lingering issues that continue to burden the state. Earlier this year after a string of botched executions in other states, the U.S. Supreme Court temporarily halted executions in Missouri amid appeals that the state disclose information about the cocktail of drugs used in killing prisoners and details about the often unregulated pharmacies from which the drugs are obtained.

Across the country, the condemned and their lawyers are filing appeals that have risen to the highest courts, as a scarcity of lethal injection drugs from federally regulated pharmacies has states turning to the shadowy world of compounding pharmacies, which fall under the purview of states rather than the Federal Drug Administration.

All death penalty states now use lethal injection. States including Louisiana, Missouri, Oklahoma, and Texas have turned to compounding pharmacies.

The relationships between the states and the pharmacies have been shrouded in secrecy, and corrections departments have gone to great lengths to protect the identities of their drug suppliers. In some states, as is the case in Missouri, the pharmacies are legally shielded from public disclosure and are extended the privilege of anonymity afforded members of the official execution team.

This week, the state executed its eighth inmate of the year. Amid a rising clamor to halt executions as the death-drugs are further scrutinized, Gov. Jay Nixon refused to stay the execution of the inmate, double-murderer Earl Ringo Jr., despite pleas from Ringo's attorney that the drugs used in the execution could cause Ringo to suffer.

"I would submit, talking in neutral terms, that my first point is not that anything has changed that much over time," Jones said. "What has changed is a much clearer link between political policy and political ideology."

Chappelle-Nadal, who during protests in Ferguson carried a large cutout of Nixon's face with the acronym, "M.I.A Again," scrawled across his forehead, said the Missouri's mess has lumped her great state in dubious company.

"This is a purple state so of course we're going to have a lot of pro-life and gun rights measures similar to Texas or Alabama," she said. "When it comes to keeping school children safe from guns and women who want to have a right to choose, the state is very conservative and it's an uphill battle."

The following text was presented at the International Conference on 9/11 Revisited [Seeking the Truth] Perdana Global Peace Foundation (PGPF), Kuala Lumpur, November 2012

**Introduction**

The tragic events of September 11, 2001 constitute a fundamental landmark in American history, a decisive watershed, a breaking point.

Millions of people have been misled regarding the causes and consequences of 9/11.

September 11 2001 opens up an era of crisis, upheaval and militarization of American society. The post September 11, 2001 era is marked by the outright criminalization of the US State, including its judicial, foreign policy, national security and intelligence apparatus.

9/11 marks the onslaught of the Global War on Terrorism (GWOT), used as a pretext and a justification by the US and its NATO allies to carry out a war without borders a global war of conquest.

A far-reaching overhaul of US military doctrine was launched in the wake of 9/11.

9/11 was also a stepping stone towards the relentless repeal of civil liberties, the militarization of law enforcement and the inauguration of Police State USA

In assessing the crimes associated with 9/11 in the context of a legal procedure, we must distinguish between those associated with the actual event, **namely the loss of life and the destruction of property on 9/11, from the crimes committed in the aftermath of September 11, 2001 “in the name of 9/11”.**

The latter build upon the former. We are dealing with two related dimensions of criminality. **The crimes committed “in the name of 9/11” involving acts of war are far-reaching, resulting in the deaths of millions of people as well as the destruction of entire countries.**

**The 9/11 event in itself– which becomes symbolic– is used to justify the onslaught of the post 9/11 US-NATO military agenda,** under the banner of the “Global War on Terrorism” (GWOT), not to mention the ushering in of the Homeland police state and the repeal of civil liberties.

The crimes committed in the name of 9/11 broadly consist in two intimately related processes:

1. **The launching of the “Global War on Terrorism” (GWOT),** used as a pretext and a justification to **Wage a War of Conquest.** This GWOT mandate was used to justify the 2001 and 2003 invasions of Afghanistan and Iraq. The GWOT mandate has since extended its grip to a large number of countries in Africa, the Middle East and Southeast Asia, where the US and its NATO allies are intervening selectively under a counterterrorism mandate.

2. **The derogation of civil liberties and the instatement of an Orwellian police state apparatus**

**within Western countries.** In the US, the introduction of the PATRIOT legislation and the establishment of the Department of Homeland Security in the immediate wake of the 9/11 attacks set the stage for the subsequent **restructuring of the judicial and law enforcement apparatus, culminating in the legalization of extrajudicial assassinations under an alleged counter-terrorism mandate.**

The 9/11 attacks constitute what is referred to in intelligence parlance as a “massive casualty producing event” conducive to the deaths of civilians.

The dramatic loss of life on the morning of 9/11 resulting from an initial criminal act is used as a pretext and a justification to wage an all out war of retribution, in the name of 9/11 against the alleged perpetrators of 9/11, namely the “state sponsors of terrorism”, including Afghanistan, Iraq as well as Iran.

We are dealing with a diabolical and criminal project. The civilian deaths resulting from the 9/11 attacks are an instrument of war propaganda, applied to build a consensus in favor of an outright war of global domination.

The perpetrators of war propaganda are complicit in the conduct of extensive war crimes, in that they readily justify acts of war as counter-terrorism and/or humanitarian operations (R2P) launched to protect civilians. The “Just War” (Jus ad Bellum) concept prevails: The killing of civilians in Afghanistan and Iraq are “rightfully” undertaken in retribution for the deaths incurred on 9/11.

Evidence is fabricated to the effect that the “state sponsors of terrorism” had committed, on the morning of 9/11, an outright act of war against the United States.

Realities are turned upside down. The US and its allies are the victims of foreign aggression. America’s crimes of war in Afghanistan and Iraq are committed in the name of 9/11 under a counter terrorism mandate.

The 9/11 attacks are used to harness public opinion into supporting a war without borders. Endless wars of aggression under the humanitarian cloak of counter-terrorism are set in motion.

## **Chronology of Events**

At eleven o’clock, on the morning of September 11, the Bush administration had already announced that Al Qaeda was responsible for the attacks on the World Trade Center (WTC) and the Pentagon. This assertion was made prior to the conduct of an in-depth police investigation.

CIA Director George Tenet stated that same morning that Osama bin Laden had the capacity to plan multiple attacks with little or no warning.

Secretary of State Colin Powell called the attacks an act of war and President Bush confirmed in an evening televised address to the Nation that he would make no distinction between the terrorists who committed these acts and those [foreign governments] who harbor them

Former CIA Director James Woolsey, without mentioning Afghanistan, pointed his finger at state sponsorship, implying the complicity of one or more foreign governments. In the words of former National Security Adviser, Lawrence Eagleburger, I think we will show when we get attacked like this, we are terrible in our strength and in our retribution.

That same evening at 9:30 pm, a War Cabinet was formed integrated by a select number of top intelligence and military advisors. And at 11:00 pm, at the end of that historic meeting at the White House, the War on Terrorism was officially launched.

The war cabinet had decided to launch an illegal and criminal war on Afghanistan, based on essentially two interrelated concepts:

1. The 9/11 attacks although allegedly conducted by Al Qaeda were upheld as an all out military attack by a foreign power.
2. **Afghanistan in allegedly supporting Al Qaeda, was responsible for an act of military aggression directed against the United States of America.**

The tragic events of 9/11 provided the required justification to wage war on Afghanistan on humanitarian grounds with the full support of World public opinion and the endorsement of the international community. Several prominent progressive intellectuals made a case for retaliation against terrorism on moral and ethical grounds. In taking on this stance they provided legitimacy to the conduct of war crimes. The just cause military doctrine (jus ad bellum) was accepted and upheld at face value as a legitimate response to 9/11.

In the wake of 9/11, the antiwar movement was completely isolated. The trade unions and civil society organizations had swallowed the media lies and government propaganda. They had accepted a war of retribution against Afghanistan, an impoverished country in Central Asia of 30 million people.

The myth of the outside enemy and the threat of Islamic terrorists was the cornerstone of the Bush administration's military doctrine, used as a pretext to invade Afghanistan and Iraq, not to mention the repeal of civil liberties and constitutional government in America. The post 9/11 era was also characterised by the development of Islamophobia, including routine ethnic profiling directed against Muslims.

### **Where was Osama bin Laden on September 11, 2001?**

Is there any proof to the effect that Osama bin Laden, the bogeyman, coordinated the 9/11 attacks as claimed in the official 9/11 narrative?

According to CBS news (Dan Rather, January 28, 2002), Enemy Number One was admitted to the urology ward of a Pakistani military hospital in Rawalpindi on September 10, 2001, courtesy of America's indefectible ally Pakistan. Rawalpindi is the Headquarters of the Pakistani military including its intelligence apparatus. He could have been arrested at short notice which would have saved us a lot of trouble but then we would not have had an Osama Legend, which has fed the news chain as well as presidential speeches in the course of the last eleven years.

DAN RATHER. As the United States and its allies in the war on terrorism press the hunt for Osama bin Laden, CBS News has exclusive information tonight about **where bin Laden was and what he was doing in the last hours before his followers struck the United States September 11.**

This is the result of hard-nosed investigative reporting by a team of CBS news journalists, and by one of the best foreign correspondents in the business, CBS's Barry Petersen. Here is his report.

(BEGIN VIDEOTAPE) BARRY PETERSEN, CBS CORRESPONDENT (voice-over): Everyone remembers what happened on September 11. Here's the story of what may have happened the night before. It is a tale as twisted as the hunt for Osama bin Laden.

CBS News has been told that the night before the September 11 terrorist attack, Osama bin Laden was

in Pakistan. He was getting medical treatment with the support of the very military that days later pledged its backing for the U.S. war on terror in Afghanistan. (transcript of CBS report, see <http://www.globalresearch.ca/articles/CBS203A.html> , see also <http://www.cbsnews.com/stories/2002/01/28/eveningnews/main325887.shtml>

CBS News footage of the Rawalpindi, Pakistan, hospital where bin Laden was allegedly treated the day before 9/11. [Source: CBS News]

The foregoing CBS report which is of utmost relevance indicates two obvious facts:

1. Osama bin Laden could not reasonably have coordinated the 9/11 attacks from his hospital bed;
2. The hospital was under the jurisdiction of the Pakistani Armed Forces, which has close links to the Pentagon. Osama bin Laden's whereabouts were known to both the Pakistani and US military.

U.S. military and intelligence advisers based in Rawalpindi. were working closely with their Pakistani counterparts. Again, no attempt was made to arrest America's best known fugitive. Defense Secretary Donald Rumsfeld claimed, at the time, that the whereabouts of Osama bin Laden were unknown. According to Rumsfeld: Its like looking for a needle in a stack of hay

Recovering from his hospital treatment in Rawalpindi on the 11th of September, how could Osama have coordinated the 9/11 attacks?

How could Afghanistan be made responsible for these attacks by Al Qaeda? Bin Laden is a national of Saudi Arabia who, according to CBS News, was not in Afghanistan, but in Pakistan at the time of the attacks.

### **September 12, 2001: The Invasion of Afghanistan: NATO's Doctrine of Collective Security**

The immediate response of the US and its NATO allies to the 9/11 attacks was to the declare a war of retribution against Afghanistan on the grounds that the Taliban government was protecting terror mastermind—Osama bin Laden, who at the time of the attacks was in Pakistan, protected by the Pakistani military and intelligence apparatus. In a bitter irony, the Pakistani government and military, which had facilitated bin Laden's hospitalization in Rawalpindi on September 10, offered to assist the US in "going after bin Laden". An agreement to this effect was reached on September 12 in Washington between the head of Pakistan's military Intelligence (ISI) General Mahmoud Ahmed and Secretary Colin Powell.

Parroting official statements, the Western media mantra on September 12, 2001 had already approved the launching of punitive actions—directed against civilian targets in Afghanistan. In the words of William Safire writing in the New York Times: "When we reasonably determine our attackers' bases and camps, we must pulverize them—minimizing but accepting the risk of collateral damage—and act overtly or covertly to destabilize terror's national hosts"

By allegedly harboring bin Laden, the Afghan government was complicit, according to both the US administration and NATO, for having waged an act of war against the United States.

This decision was taken by the Bush-Cheney war cabinet in the evening of September 11, 2001. It was based on the presumption, "confirmed" by the head of the CIA that Al Qaeda was behind the attacks.

On the following morning, September 12, 2001, NATO's Atlantic Council meeting in Brussels, endorsed the Bush administration's declaration of war on Afghanistan (taken by the war cabinet at 11pm on September

11), invoking Article 5 of the Washington Treaty.

Meanwhile, on two occasions in the course of September 2001, the Afghan government through diplomatic channels offered to hand over Osama Bin Laden to US Justice. These overtures were turned down by president Bush, on the grounds that America "does not negotiate with terrorists"

### **The War on Afghanistan: First Stage of the "Global War on Terrorism"**

The war on Afghanistan was launched 26 days later on the morning of October 7, 2001. The timing of this war begs the question: how long does it take to plan and implement a major theater war several thousand miles away.

Military analysts will confirm that a major theater war takes months and months, up to a year or more of advanced preparations. Confirmed by press reports, the war on Afghanistan was already in an advanced state of readiness prior to September 11, 2001, which begs the question of foreknowledge of the 9/11 attacks.

In other words, the 9/11 attacks were used as a means to trigger a military agenda which was already on the drawing board of both the Pentagon and NATO.

The repeal of civil liberties in America was launched in parallel with the bombing and invasion of Afghanistan. Immediately following 9/11, the PATRIOT legislation was adopted. The Homeland Security apparatus was launched, with a view to "protecting Americans against terrorists". This post-9/11 legal and institutional framework had been carefully crafted prior to the 9/11 attacks.

### **Article 5 of the Washington Treaty: NATO's Legal Argument**

**In invoking Article 5 on the morning of September 12, 2001, NATO's Atlantic Council endorsed a criminal military agenda, in derogation of international law.**

The legal argument used by Washington and NATO to invade Afghanistan was that the September 11 attacks constituted an undeclared "armed attack" from abroad by an unnamed foreign power, and that consequently "the laws of war" apply, allowing the nation under attack, to strike back in the name of "self-defense"

On the morning of September 12, 2001, NATO's North Atlantic Council meeting in Brussels, responded to the decision of the War Cabinet taken a few hours earlier at 11pm on 9/11, adopted the following resolution:

"if it is determined that the [September 11, 2001] attack against the United States was **directed from abroad** [Afghanistan] against **The North Atlantic area**, it shall be regarded as an action covered by Article 5 of the Washington Treaty" (emphasis added)

In this regard, Article 5 of the Washington Treaty stipulates that if:

"The Parties agree that an armed attack against one or more of them in Europe or North America shall be considered **an attack against them** all and consequently they agree that, if such an **armed attack** occurs, each of them, in exercise of the right of individual or collective **self-defence** recognised by Article 51 of the Charter of the United Nations, will assist the Party or Parties so attacked by taking forthwith, individually and in concert with the other Parties, such action as it deems necessary, **including the use of armed force, to restore and maintain the security of the North Atlantic area.**" (NATO, What is Article 5, NATO Topics "NATO and the Scourge of Terrorism, accessed 24 November 2009, emphasis added)

**An act of war by a foreign nation (Afghanistan) against a member of the Atlantic Alliance (the USA)**

**was considered as an act of war against all members under NATO's doctrine of collective security.**

Under no stretch of the imagination, can the attack on the World Trade Center and Pentagon be categorized as an act of war by a foreign country. But nobody seemed to have raised this issue.

### **Use of Armed Force—only If It is Determined...**

There was an *if* in the September 12 resolution. Article 5 would apply only if it is determined that Afghanistan as a Nation State was complicit or behind the 9/11 attacks.

In practice, the *if* had already been waived prior to 9/11. The entire NATO arsenal was already on a war footing. In military terms, NATO and the US were already in an advanced state of readiness. Known to military analysts, but never revealed in the Western media, the implementation of a large scale theater war takes at least one year of advanced operational planning, prior to the launching of an invasion.

The use of article 5 of the Washington Treaty had in all likelihood been contemplated by military planners, as a pretext for waging war, prior to 9/11.

There was, however, no official declaration of war on September 12th. **The Alliance waited until 3 days before the invasion** to declare war on Afghanistan, an impoverished country which by no stretch of the imagination could have launched an attack against a member state of "The North Atlantic area"

The September 12 resolution of the Atlantic Council required "determination" and corroborating evidence, that:

1) Al Qaeda led by Osama bin Laden with the support of a foreign power had ordered the attack from abroad on the United States of America;

2) The terrorist attacks of 9/11 constituted a bona fide military operation (under the provisions of Article 5) by an alleged foreign country (Afghanistan) against a NATO member state, and consequently against all NATO member states under the doctrine of collective security:

Article 5 and the case of the terrorist attacks against the United States: The United States has been the object of brutal terrorist attacks. It immediately consulted with the other members of the Alliance. The Alliance determined that the US had been the object of an armed attack. The Alliance therefore agreed that if it was determined that this attack was directed from abroad, it would be regarded as covered by Article 5. NATO Secretary General, Lord Robertson, subsequently informed the Secretary-General of the United Nations of the Alliance's decision.

**Article 5 has thus been invoked, but no determination has yet been made whether the attack against the United States was directed from abroad.** If such a determination is made, each Ally will then consider what assistance it should provide. In practice, there will be consultations among the Allies. Any collective action by NATO will be decided by the North Atlantic Council. The United States can also carry out independent actions, consistent with its rights and obligations under the UN Charter.

Allies can provide any form of assistance they deem necessary to respond to the situation. This assistance is not necessarily military and depends on the material resources of each country. Each individual member determines how it will contribute and will consult with the other members, bearing in mind that the ultimate aim is to restore and maintain the security of the North Atlantic area"

By invoking Article 5, NATO members have shown their solidarity toward the United States and condemned, in the strongest possible way, the terrorist attacks against the United States on 11 September.

**If the conditions are met for the application of Article 5, NATO Allies will decide how to assist the United States.** (Many Allies have clearly offered emergency assistance). Each Ally is obliged to assist the United States by taking forward, individually and in concert with other Allies, such action as it deems necessary. This is an individual obligation on each Ally and each Ally is responsible for determining what it deems necessary in these particular circumstances.

**No collective action will be taken by NATO until further consultations are held and further decisions are made by the the North Atlantic Council.** ([NATO, NATO Topics](#) [NATO and the Scourge of Terrorism](#), accessed 24 November 2009, emphasis added)

### **The Mysterious Frank Taylor Report**

The final decision to invoke Article 5 in relation to the 9/11 attacks came three weeks later upon the submission to the NATO Council of a mysterious classified report by a US State Department official named Frank Taylor. The report was submitted to NATO on October 2nd, 5 days before the commencement of the bombing and invasion of Afghanistan.

Frank Taylor was working in the US State Department. He had been entrusted with the writing of a brief to establish whether the US had been attacked from abroad pursuant to the North Atlantic Council's resolution of September 12 2001.

US Ambassador at Large and Co-ordinator for Counter-terrorism Frank Taylor briefed the North Atlantic Council on October 2nd, five days before the commencement of the bombings.

On October 2nd he handed his brief to NATO on the results of investigations into the 11 September attacks.... [NATO](#) [Topic: Terrorism, NATO and the fight against Terrorism](#), accessed 24 November 2009).

The classified report was not released to the media. And to this date, to our knowledge, it has remained classified.

NATO's Secretary General Lord Robertson casually summarised the substance of the Frank Taylor report in a press release:

This morning, the United States briefed the North Atlantic Council on the results of the investigation into who was responsible for the horrific terrorist attacks which took place on September 11.

The briefing was given by Ambassador Frank Taylor, the United States Department of State Coordinator for Counter-terrorism.

This morning's briefing follows those offered by United States Deputy Secretary of State Richard Armitage and United States Deputy Secretary of Defense Paul Wolfowitz, and illustrates the commitment of the United States to maintain close cooperation with Allies.

Today's was classified briefing and **so I cannot give you all the details.**

Briefings are also being given directly by the United States to the Allies in their capitals.

The briefing addressed the events of September 11 themselves, **the results of the investigation so far, what is known about Osama bin Laden and the al-Qaida organisation and their involvement in the attacks and in previous terrorist activity, and the links between al-Qaida and the Taliban regime in Afghanistan.**

The facts are clear and compelling. **The information presented points conclusively to**

**an al-Qaida role in the September 11 attacks.**

**We know that the individuals who carried out these attacks were part of the world-wide terrorist network of al-Qaida, headed by Osama bin Laden and his key lieutenants and protected by the Taliban.**

**On the basis of this briefing, it has now been determined that the attack against the United States on September 11 was directed from abroad and shall therefore be regarded as an action covered by Article 5 of the Washington Treaty, which states that an armed attack on one or more of the Allies in Europe or North America shall be considered an attack against them all.**

I want to reiterate that the United States of America can rely on the full support of its 18 NATO Allies in the campaign against terrorism. (Lord Robertson, NATO Secretary General, statement to the NATO Council, State Department, Appendix H, Multinational Response to September 11 NATO Press <http://www.state.gov/documents/organization/10313.pdf>, accessed 24 November 2009, emphasis added)

In other words, 2 days before the actual commencement of the bombing campaign on October 7, the North Atlantic Council decided, based on the information provided by Frank Taylor to the Council that the attacks were directed from abroad by Al Qaeda, headed by Osama bin Laden, thereby requiring an action on the part of NATO under Article 5 of the Washington Treaty ( [NATO \[Topic: Terrorism, NATO and the fight against Terrorism, accessed 24 November 2009\]](#)):

NATO action under article 5, was outlined in an October 4 decision, 3 days before the commencement of the bombings.

Two days later, on 4 October, NATO agreed on eight measures in support the United States, which were tantamount to an illegal declaration of war on Afghanistan:

- to enhance intelligence sharing and co-operation, both bilaterally and in appropriate NATO bodies, relating to the threats posed by terrorism and the actions to be taken against it;

- to provide, individually or collectively, as appropriate and according to their capabilities, [military] assistance to Allies and other states which are or may be subject to increased terrorist threats as a result of their support for the campaign against terrorism;

- to take necessary measures to provide increased security for facilities of the United States and other Allies on their territory;

- to backfill selected Allied assets in NATO's area of responsibility that are required to directly support operations against terrorism;

- to provide blanket overflight clearances for the United States and other Allies' aircraft, in accordance with the necessary air traffic arrangements and national procedures, for military flights related to operations against terrorism; to provide access for the United States and other Allies to ports and airfields on the territory of NATO nations for operations against terrorism, including for refuelling, in accordance with national procedures;

- that the Alliance is ready to deploy elements of its Standing Naval Forces to the Eastern Mediterranean in order to provide a NATO presence and demonstrate resolve; and that the Alliance is similarly ready to deploy elements of its NATO Airborne Early Warning Force to support operations against terrorism. [NATO \[Topic: Terrorism, NATO and the fight against](#)

[Terrorism](#), accessed 24 November 2009 emphasis added)

Press reports of Frank Taylor's brief to the NATO Council were scanty. The invocation of Article 5, five days before the bombings commenced, was barely mentioned. The media consensus was: "all roads lead to Bin Laden" as if bin Laden was a Nation State which had attacked America.

What stands out are outright lies and fabrications. Moreover, prior to October 2nd, NATO had no pretext under Article 5 of the Washington Treaty to intervene militarily in Afghanistan.

The pretext was provided by Frank Taylor's classified report, which was not made public.

The two UN Security Council resolutions adopted in the course of September 2001, did not, under any circumstances, provide a justification for the invasion and illegal occupation of a UN member country of 28 million people. (see [Security Council resolution 1368 \(2001\)](#) Threats to international peace and security caused by terrorist acts, **Security Council resolution 1373 (2001)** Threats to international peace and security caused by terrorist acts).

UNSC Resolution 1373 (2001) called for prevention and suppression of terrorist acts, as well suppression of the financing of terrorism:

(e) Ensure that any person who participates in the financing, planning, preparation or perpetration of terrorist acts or in supporting terrorist acts is brought to justice and ensure that, in addition to any other measures against them, such terrorist acts are established as serious criminal offences in domestic laws and regulations and that the punishment duly reflects the seriousness of such terrorist acts;

...

3. Calls upon all States to:

(a) Find ways of intensifying and accelerating the exchange of operational information, especially regarding actions or movements of terrorist persons or networks; forged or falsified travel documents; traffic in arms, explosives or sensitive materials; use of communications technologies by terrorist groups; and the threat posed by the possession of weapons of mass destruction by terrorist groups;

(b) Exchange information in accordance with international and domestic law and cooperate on administrative and judicial matters to prevent the commission of terrorist acts;

(c) Cooperate, particularly through bilateral and multilateral arrangements and agreements, to prevent and suppress terrorist attacks and take action against perpetrators of such acts;

...

4. Notes with concern the close connection between international terrorism and transnational organized crime, illicit drugs, money-laundering, illegal arms-trafficking, and illegal movement of nuclear, chemical, biological and other potentially deadly materials, and in this regard emphasizes the need to enhance coordination of efforts on national, subregional, regional and international levels in order to strengthen a global response to this serious challenge and threat to international security;

5. Declares that acts, methods, and practices of terrorism are contrary to the purposes and principles of the United Nations and that knowingly financing, planning and inciting terrorist

acts are also contrary to the purposes and principles of the United Nations (excerpts of UNSC Resolution 1373 (2001, See also UN Press Release [SC 7178 SECURITY COUNCIL UNANIMOUSLY ADOPTS WIDE-RANGING ANTI-TERRORISM RESOLUTION; CALLS FOR SUPPRESSING FINANCING, IMPROVING INTERNATIONAL COOPERATION](#), Security Council, 4385th Meeting, September 2001)

Nowhere in this resolution is there any mention of military action against a UN member State.

The US led war on Afghanistan, using 9/11 as a pretext and a justification is illegal and criminal.

The US and NATO heads of state and heads of government from 2001 to the present are complicit in the launching of a criminal and illegal war.

### **The Big Lie: Al Qaeda Made in America**

Amply documented but rarely mentioned by the mainstream media, Al Qaeda is a creation of the CIA going back to the Soviet- Afghan war. This was a known fact, corroborated by numerous sources including official documents of the US Congress, which the mainstream media chose to either dismiss or ignore. The intelligence community had time and again acknowledged that they had indeed supported Osama bin Laden, but that in the wake of the Cold War: he turned against us

Both the 9/11 Commission Report as well as the Western media have largely upheld the 'outside enemy' mythology, heralding Al Qaeda as the 'mastermind' organization behind the 9/11 attacks. The official 9/11 narrative has not only distorted the causes underling the collapse of the World Trade Center buildings, it has also erased the historical record of US covert support to international terrorism, while creating the illusion that America and Western Civilization are threatened.

**Without an 'outside enemy', there could be no Global War on Terrorism. The entire national security agenda would collapse like a deck of cards. The war criminals in high office would have no leg to stand on.**

**After 9/11, the campaign of media disinformation served not only to drown the truth but also to kill much of the historical evidence on how this illusive Al Qaeda 'outside enemy' had been fabricated and transformed into Enemy Number One.**

**This is why a legal procedure directed against the actual perpetrators of 9/11 is absolutely essential.**

### **History of Al Qaeda**

Important to the understanding of 9/11, US intelligence is the unspoken architect of Islamic terrorism going back to the heyday of the Soviet-Afghan war.

Bin Laden was 22 years old and was trained in a CIA sponsored guerrilla training camp. Education in Afghanistan in the years preceding the Soviet-Afghan war was largely secular. With religious textbooks produced in Nebraska, the number of CIA sponsored religious schools (madrasahs) increased from 2,500 in 1980 to over 39,000.

Advertisements, paid for from CIA funds, were placed in newspapers and newsletters around the world offering inducements and motivations to join the [Islamic] Jihad. (Pervez Hoodbhoy, Peace Research, 1 May 2005)

The United States spent millions of dollars to supply Afghan schoolchildren with textbooks

filled with violent images and militant Islamic teachings....The primers, which were filled with talk of jihad and featured drawings of guns, bullets, soldiers and mines, have served since then as the Afghan school system's core curriculum. Even the Taliban used the American-produced books,.. (Washington Post, 23 March 2002)

Under the Reagan administration, US foreign policy evolved towards the unconditional support and endorsement of the Islamic freedom fighters. This endorsement has not in any way been modified.

In a twisted irony, throughout the post 9/11 era, US intelligence in liaison with Britain's MI6, an Israel's Mossad, continues to provide covert support to the radical Islamist organization allegedly responsible for the 9/11 attacks. Al Qaeda and its various affiliated groups including the Libya Islamic Fighting Group (LIFG) and factions within the Free Syria Army (FSA) are directly supported by the US and NATO.

In a bitter irony, the US and its allies claim to be waging a war on terrorism against the alleged architects of 9/11, while also using Al Qaeda operatives as their foot-soldiers.

### **Iraq: Alleged State Sponsor of the 9/11 Attacks**

**The formulation of a war of retribution conducted in the name of 9/11 was not limited to Afghanistan.**

In the course of 2002, leading up to the invasion of Iraq in March 2003, Osama bin Laden's Weapons of Mass Destruction statements circulated profusely in the news chain. While Washington's official position was that Saddam Hussein was not behind the 9/11 attacks, insinuations abounded both in presidential speeches as well as in the Western media. According to Bush, in an October 2002 press conference:

The threat comes from Iraq. It arises directly from the Iraqi regime's own actions — its history of aggression, and its drive toward an arsenal of terror. ... We also must never forget the most vivid events of recent history. On September the 11th, 2001, America felt its vulnerability — even to threats that gather on the other side of the earth. We resolved then, and we are resolved today, to confront every threat, from any source [Iraq], that could bring sudden terror and suffering to America. [President Bush Outlines Iraqi Threat](#), October 7, 2002)

Barely two weeks before the invasion of Iraq, September 11, 2001 was mentioned abundantly by president Bush. In the weeks leading up to the March invasion, 45 percent of Americans believed Saddam Hussein was personally involved in the Sept. 11, 2001 attacks. (See . [The impact of Bush linking 9/11 and Iraq](#) / The Christian Science Monitor (CSMonitor.com), March 14, 2003)

Meanwhile, a new terrorist mastermind had emerged: Abu Musab Al-Zarqawi.

In Colin Powell's historic address to the United Nations

2014, Sept 13

SATURDAY HISTORY CAL

Security Council, in February 2003, detailed documentation on a sinister relationship between Saddam Hussein and Abu Musab Al-Zarqawi was presented, focussing on his ability to produce deadly chemical, biological and radiological weapons, with the full support and endorsement of the secular Baathist regime. The implication of Colin Powell's assertions, which were totally fabricated, was that Saddam Hussein and an Al Qaeda affiliated organization had joined hands in the production of WMD in Northern Iraq and that the Hussein government was a state sponsor of terrorism.

The main thrust of the disinformation campaign continued in the wake of the March 2003 US-led invasion of Iraq. It consisted in presenting the Iraqi resistance movement as terrorists. The image of terrorists opposed to democracy fighting US peacekeepers appeared on television screens and news tabloids across the globe.

### **Iran: Condemned by a New York City Court for Supporting Al Qaeda in the 9/11 Attacks**

In the wake of the Iraq invasion, the same alleged state sponsorship of terrorism accusations emerged in relation to Iran.

In December 2011, the Islamic Republic of Iran was condemned by a Manhattan court, for its alleged role in supporting Al Qaeda in the 9/11 attacks.

The investigation into Tehran's alleged role was launched in 2004, pursuant to a recommendation of the 9/11 Commission regarding an apparent link between Iran, Hezbollah, and the 9/11 hijackers. The 9/11 Commission's recommendation was that this apparent link required further investigation by the U.S. government. (9/11 Commission Report, p. 241). (See Iran 911 Case).

In the December 2011 [court judgment](#) (Havlish v. Iran) U.S. District Judge George B. Daniels ruled that Iran and Hezbollah materially and directly supported al Qaeda in the September 11, 2001 attacks and are legally responsible for damages to hundreds of family members of 9/11 victims who are plaintiffs in the case.

According to the plaintiffs attorneys Iran, Hezbollah, and al Qaeda formed a terror alliance in the early 1990s. Citing their national security and intelligence experts, the attorneys explained how the pragmatic terror leaders overcame the Sunni-Shia divide in order to confront the U.S. (the Great Satan) and Israel (the Lesser Satan). Iran and Hezbollah allegedly provided training to members of al Qaeda in, among other things, the use of explosives to destroy large buildings. (See [Iran 911 Case](#)).

This judicial procedure is nothing more than another vicious weapon in the fabricated War on Terror to be used against another Muslim country, with a view to destabilizing Iran as well as justifying ongoing military threats. It also says a lot more about the people behind the lawsuit than about the accused. The expert witnesses who testified against Iran are very active in warmongering neocon circles. They belong to a web of architects of the 21st century Middle-Eastern wars, ranging from high profile propagandists to intelligence and military officers, including former U.S. officials.

But what makes this case absurd is that in September 2011, a few months before the judgment, Iranian President Mahmoud Ahmadinejad, who has questioned the official 9/11 narrative, was accused by Al-Qaeda leaders of spreading conspiracy theories about the 9/11 attacks. The semi-official media outlet of Al Qaeda in the Arabian Peninsula, insisted that al-Qaeda had been behind the attacks and criticised the Iranian president for discrediting the terrorist group. (See Julie Levesque, Iran Accused of being behind 9/11 Attacks. U.S. Court Judgment, December 2011 (Havlish v. Iran), Global Research, May 11, 2012)

### **Al Qaeda: US-NATO Foot-soldiers**

Ironically, while Washington accuses Afghanistan, Iraq and Iran of complicity in the 9/11 attacks, the historical record and evidence indelibly point to the **state sponsorship of Al Qaeda by the CIA, MI6 and their intelligence counterparts in Pakistan, Qatar and Saudi Arabia.**

Realities are turned upside down. Al Qaeda death squads have been recruited to wage America's humanitarian wars throughout the Middle East and North Africa.

In Syria Al Qaeda units were recruited by NATO and the Turkish High command:

Also discussed in Brussels and Ankara, our sources report, is a campaign to enlist thousands of Muslim volunteers in Middle East countries and the Muslim world to fight alongside the Syrian rebels. (<http://www.debka.com/article/21255/> Debkafile, August 31, 2011).

In Libya, jihadists from Afghanistan trained by the CIA were dispatched to fight with the pro-democracy rebels under the helm of former Libya Islamic Fighting Group (LIFG) Commander Abdel Hakim Belhadj:

Western policy makers admit that NATO's operations in Libya have played the primary role in emboldening Al Qaeda's AQIM faction (Al Qaeda in the Islamic Maghreb). The Fortune 500-funded Brookings Institution's Bruce Riedel in his article, [The New Al Qaeda Menace](http://www.globalresearch.ca/al-qaeda-and-natos-pan-arab-terrorist-blitzkrieg/), admits that AQIM is now heavily armed thanks to NATO's intervention in Libya, and that AQIM's base in Mali, North Africa, serves as a staging ground for terrorist activities across the region. <http://www.globalresearch.ca/al-qaeda-and-natos-pan-arab-terrorist-blitzkrieg/>

### **“Crimes against Civilization”**

9/11 mythology has been the mainstay of war propaganda, which in itself constitutes a criminal act under international law.

Fiction prevails over reality. For propaganda to be effective, public opinion must firmly endorse the official 9/11 narrative to the effect that Al Qaeda was behind the attacks. A well organized structure of media disinformation is required to reach this objective. Perpetuating the 9/11 Legend also requires defying as well smearing the 9/11 Truth Movement.

Throughout the post 9/11 era, a panoply of Al Qaeda related events and circumstances is presented to public opinion on a daily basis. These include terrorist threats, warnings and attacks, police investigations, insurgencies and counter-insurgencies, country-level regime change, social conflict, sectarian violence, racism, religious divisions, Islamic thought, Western values, etc.

### **Muslims are presented as the perpetrators of the 9/11, thereby unleashing a Worldwide demonization campaign.**

In turn, 9/11, Al Qaeda War on Terrorism rhetoric permeates political discourse at all levels of government, including bipartisan debate on Capitol Hill, in committees of the House and the Senate, at the British House of Commons, and, lest we forget, at the United Nations Security Council. All these various bodies are complicit in a criminal project.

September 11 and Al Qaeda concepts, repeated ad nauseam have potentially traumatic impacts on the human mind and the ability of normal human beings to analyze and comprehend the real outside World of war, politics and the economic crisis.

What is at stake is human consciousness and comprehension based on concepts and facts.

With September 11 there are no verifiable facts and concepts because 9/11 as well as Al Qaeda have evolved into a media mythology, a legend, an invented ideological construct, used as an unsubtle tool of war propaganda.

Al Qaeda constitutes a stylized, fake and almost folkloric abstraction of terrorism, which permeates the inner consciousness of millions of people around the World.

Reference to Al Qaeda has become a dogma, a belief, which most people espouse unconditionally. According to the media, "Muslims were behind the attacks", thereby justifying **a war of retribution against Muslim countries.**

**Racism and Islamophobia are an integral part of war propaganda.**

Is this political indoctrination? Is it brain-washing? If so what is the underlying objective?

People's capacity to independently analyse World events, as well as address causal relationships pertaining to politics and society, is significantly impaired. That is the objective!

The routine use of 9/11 and Al Qaeda to generate blanket explanations of complex political events is meant to create confusion.

It prevents people from thinking. It strikes at the core of human values. In a sense, it destroys civilization.

All of these complex Al Qaeda related occurrences are explained by politicians, the corporate media, Hollywood and the Washington think tanks under a single blanket bad guys heading, in which Al Qaeda is casually and repeatedly pinpointed as the cause of numerous terror events around the World.

The criminality underlying post 9/11 propaganda is of much broader nature, affecting people's mindsets, redefining fundamental social, political and institutional relations.

"Crimes against Civilization" have been committed.

9/11 mythology precipitates the World into barbarity.

Welcome, sweet ones. It gives us great pleasure to be with you in this Now, and particularly in this month of September as you experience the Equinox on the 22nd and 23rd of September, and, sweet ones, a deepening sense of these beautiful Rays of Creation, and in particular this fourteenth ray of Interstellar Service, this beautiful silver flame of Illumination Overlighted by the Pleiadian Emissaries of the Light, that takes you ever deeper along the Pathways of Divine Love into a greater sense of your service work; into a deepening sense of your soul and star family and friends of the Light, feeling the support from the many Legions of Light from On High, and your Beloved I AM Presence as you experience life through your Master Eyes, with wisdom, insight, illumination and understanding. And this beautiful diamond flame of Transcendence, sweet ones, that was activated initially in May through the Sedona Vortex and again through Glastonbury Tor serving as the Divine Feminine Portal of Light, and through the Sedona Vortex as the Divine Masculine aspects of Creation. These vortices merged through the Lion's Gateway, the 8:8 Gateway, as you experienced a deeper sense of the Union of Hearts through soul family and friends of the Light, and a re-balancing and re-calibration of your own inner masculine and feminine spirits; and so, sweet ones, this process continues ~ and what we wish to share with you is an understanding of how these soul connections are coming into being, and how karmic mates too are becoming once more soul mates. For it is in understanding that you walk both the karmic pathways and Christed Timelines, the Pathway of Divine Love, to know yourselves as Love ~ and you walk too through the victim and persecutor consciousness, for this is what it is to be in form, choosing the human miscreations to know yourselves as Love and from here, sweet ones, through letting go of blame, through forgiveness, and through knowing yourself as Love, as these sacred transfiguring Flames of Divine Love, you come to embrace all those around you in your Love and the Love of All Creation.

So let us talk for a moment, sweet ones, of the essence of the soul mergers that are being made with the existing soul mates. As part of this core group of twelve soul rays, this soul cluster, you are Overlighted by your Higher Self of the Light as it impulses you from the etheric of Sirius. Your own soul groups, sweet ones, are the closest in vibrational frequency to yourself, for they are aspects of yourself. And it is through this soul group that you experience a deeper sense of Love and acceptance, of appreciation, of gratitude, of magnificence and Light. These soul groups, sweet ones, are usually simply soul brothers and sisters and soul mates that walk with you in a similar vibration or frequency along the Pathway of Divine Love.

However even within this group there may be one or two karmic mates, or from your larger group of 144 souls that make up the essence of your Beloved I AM Presence, the highest aspect of your soul Light within the Cosmic Heart of Mother/Father God. What is happening collectively is the merging, a Re-union of Hearts with many soul mates, from your existing soul cluster, and from your monadic group. These 144 souls, sweet ones, are aspects of you that you have played out in creation through both the karmic and the Christed timelines. There are those that you meet along the Path, sweet ones, that you have an instant connection with, or a deep sense of knowing. This connection is often experienced simply on the inner planes for you are part of the same monadic group, all vibrating at a similar frequency as monadic clusters, magnetically drawn to each other through lifetimes and parallel realities of having chosen to be soul mates, or having chosen particular life lessons together, and so in meeting once more there is a sense of familiarity and there is at a Higher Light level a deepening again of these soul mates in Unity and in Love through your connection to one another.

On a physical level this can often appear as the merging of twin flames, and yet it is simply a Re-union of Hearts, the merging of soul mates, into a greater level of balance and wholeness within yourselves as these sacred transfiguring flames of Divine Love, and the inner merging of your Divine Masculine and Feminine Spirits. For in coming together with these soul mates you are healing the wounded aspects of the Divine Masculine and Feminine archetypes of Creation. How this may be experienced on a physical level, sweet ones, is through the essence of this sacred sexual energy, as it moves through each one of the chakras, clearing out false beliefs and judgments. This sacred sexual energy is created through this union at a Higher Light level ~ it takes you into a deep sense of bliss, of tantra, of union with another. Accept it, experience it, and let go of any sense of projection into this energy, sweet ones, as the kundalini and tantric channels activate too, and the chakras shift into the appropriate fibonacci ratio sequences so that you are aligned to a greater level of the Unity Heart of All Creation, and the merging with your Beloved I AM Presence. These soul mate connections, these mergings with soul mates on the inner plane, do not often come into the physical. These timelines in which you were lovers, or partners or experienced particular life lessons to know yourselves as Love, are healed and transmuted and merged into union, and this sacred sexual energy is a natural part, sweet ones, of this expression of this Re-union of Hearts. When it is done without projection, simply as an Open Heart, often this energy will transmute, or be lifted into a greater frequency of Divine Love it lifts you too into a deeper sense of Love, of Innocence, of Purity, of being seen and recognized for the Light of who you are, and have forever been, sweet ones.

So let us set our sacred space, sweet ones, as we take you deep into the Unity Grid of Divine Love, as we create for you a personal vortex, that you can utilize in your service work and on a planetary level to assist in bringing about the Activation Key Codes of this New Golden Age of Light, so all Life may know themselves in Divine Love, in Unity Consciousness, in Empowerment, in Love, in Wisdom, Insight and Understanding.

And so these connections are coming more rapidly for many of you as you develop greater levels of sensitivity, intuition, telepathy, clairaudience, clairvoyance, these natural abilities, these extra-sensory perception skills that are part of you, that amplify too at this time. What is also being experienced, sweet ones, is the ability through your forgiveness and Love and letting go of blame, of merging with the karmic mates and taking this back into the essence of the soul mates, for it is to recognize indeed that the karmic mates, those with whom you have experienced the greatest levels of pain, of heartache, of bitterness, of anger, of hatred, of rage ~ are simply the aspects of yourself that you are integrating and letting go of, as much as you are of the victim and persecutor consciousness; and there is no judgment, sweet ones, for you walk the karmic path as well as the Christed Timelines, and this clearing that is going on for all of you is allowing you to not only be these Open Hearts in this Golden Age of Light, but further to this to experience a Pathway, or Portal of Light so that others may follow you into greater levels of the knowing of their magnificence and Light.

The karmic mates, sweet ones, will only allow this connection, this soul connection through their Higher Self of the Light, if you come in Love, and more than this, if you come in appreciation of the lessons that

you have experienced. If you come in deep humility, in purity, in innocence, in forgiveness and Love, this soul will open to you at a Higher Light level. It requires a great deal of trust, to allow yourself to open at this level, sweet ones, for it is indeed the healing of the wounding of your Divine Masculine and Feminine Spirits. This is this gift that is given to you through the beautiful diamond Flame of Transcendence, this eighteenth ray of Melchizedek Consciousness and Light.

Additionally, sweet ones, this diamond ray of Transcendence further activates the diamond Light Body/Merkaba Field, and this too is lifting you through all dimensions of Light ~ through the third dimension, to the fourth, the fifth, the sixth, the seventh, the eighth, and the ninth, back into the Cosmic Heart of Mother/Father God.

The Lightbody/Merkaba is this living Divine Intelligence powered by your Christed mind working in alignment with Mother/Father God. It is the ascension vehicle of Light used for inter-dimensional travel and takes you in soul consciousness into the higher dimensions. Once fully activated it extends approximately 54 feet or 16.2 metres in diameter around you, and holds within it all the codes of the Templatings of the New Earth frequencies. It further assists in creating a radiant etheric electronic Body of Light, the perfect Adam Kadmon blueprint, and links you too into the Unity Grid of Divine Love, within and around the earth-plane, and from here into the Unified Hologram of Love, of All Life, through the Cosmic I AM Avatar Consciousness of Light.

So let us set our sacred space, sweet ones, as we come into a deeper sense of this Reunion of Hearts and experience an attunement through the Lightbody/Merkaba energy of Light. So for a moment now sitting in your sacred space, simply breathe into the body. Breathe initially in through the nose and out the mouth, and as you breathe out through the mouth just allow yourselves to release all that needs to be released in this Now. Breathing in gently, breathing out in such a way that you start to release what is needing to be released in this Now, and finding a balance now in deep rhythmic breaths, feeling into the body, feeling into the physical body, as you start to breathe now through the nose ~ inhaling through the nose, exhaling through the nose, focusing on the lower abdominal muscles, expanding the lower abdomen as you breathe in, contracting the lower abdomen as you breathe out, and finding this rhythmic breath that still allows you the sense of breathing in the Light of Creation, and releasing what needs to be released, through this in-breath and out-breath.

And you find yourselves now, sweet ones, surrounded in this beautiful diamond Flame of Transcendence. This beautiful diamond flame activates through the heart chakra, connecting you now in soul consciousness to your Beloved I AM Presence and all the Illumined Beings of Light from On High. And as you merge with your Beloved I AM Presence, as you merge deeper and deeper into the knowing of yourselves as these sacred transfiguring Flames of Divine Love and Master Beings of Light, you move deep into your Heart's Temple, into your Heart's Dreaming, and your Heart's Joy.

And now you are surrounded in a beautiful silver Flame of Illumination brought in by the Pleiadian Emissaries of the Light. This beautiful silver Flame of Illumination shows you the pathway forward in wisdom, in understanding, in Divine Intelligence, in Love, in Illumination, and you allow yourselves to simply see, sweet ones, into the greatest level of Light along the Pathway of Divine Love and through the Christed Timelines as you fulfill your Heart's Dreaming and your Soul Purpose with your friends and family of the Light. And now you find yourself grounding into the crystal heart of Mother Earth. As you connect into the crystal heart of Mother Earth, visualizing a cord of any color of your choosing coming from the sacral chakra and into the energy of Mother Earth ~ you wrap this around a beautiful crystal, as Mother Earth sends you Her Love back up your grounding cord and into your body and energy field. You start to feel the diamond Core of Creation through Mother Earth, you start to experience the crystalline Matrix and now the Unity Grid of Divine Love, and the Patterns of Perfection, as you link now into the Unity Grid of Divine Love, within you and around you ~ connecting now to Soul family and friends of the Light, to the Light workers, and now to the many Legions of Light from On High, as you invoke the Overlighting of Mother/Father God.

Calling in now the Pleiadians, the Sirians, the Arcturians, the Andromedans, all of the Light, the Brotherhood of the Light, and Lord Melchizedek, Lord Metatron, Lord Maitreya, Sanat Kumara, Lord Buddha, Helios and Vesta, the Archangels and their Divine Feminine Counterparts and Legions of Light, the Mighty Elohim and their Divine Feminine Counterparts, the Ray Masters, the Ascended Masters, and all the Beings of Light from On High that you personally acknowledge. They are joining you now in this sacred space, sweet ones, they are experiencing your Light and your Divine Love, as you are experiencing theirs. And as you come together as one Unified Cosmic Heart, as your energy field starts to expand now, you move deep into your Heart's Temple, into the Temple within your heart that is so sacred, that is an innocent, loving energy that remains within the soul consciousness of your heart ~ within this energy of Love, you are embraced, deeply loved, deeply appreciated, and seen in your full magnificence and Light, sweet ones, as these sacred transfiguring Flames of Divine Love.

And now within your sacred heart-space you bring the focus now to the merging of karmic mates. You are ready, sweet ones, to completely let go of blame, to find forgiveness, and more than this to experience a greater sense of trust as you heal the Divine Feminine and Divine Masculine Spirits within yourselves. The karmic mates, sweet ones, can be brothers or sisters, parents, partners, ex-partners, husbands, wives, those with whom you have disharmony, those with whom you have experienced difficulty on any level, of not being seen, or heard, or appreciated. And just allow the image of the person that comes to mind to be drawn now into your sacred space at a Higher Light level, as you connect now through your Higher Self of the Light to the Higher Self of the Light of this person, surrounding them in this beautiful diamond Flame of Transcendence, this beautiful silver Flame of Illumination, and now this beautiful pink Flame of Divine Love.

As you make this connection at a soul level you let them know firstly ~ "I Love you and I forgive you, as I Love and forgive myself. I want you to know that the lessons that I have experienced with you ~ that we have chosen together in our pre-birth agreements ~ have humbled me. I see you as this beautiful soul mate who has chosen this journey with me so that each of us can heal the Divine Masculine and Feminine Spirits within ourselves to know ourselves as Love. Please trust me and know that I come in Love. Please open to me, as I open to you, so together we can heal our wounds, so together we can experience once more this merging energetically in a level of appreciation and Love that we have experienced previously, for we are soul mates at the highest level of our Beingness. I am grateful for these lessons that I have experienced with you. You are a master teacher, and a very brave and courageous soul to take on and perpetuate the victim and persecutor consciousness, as I have, and to experience your full range of emotions, as I have. And I see in that in blaming you, in holding on to my anger, in holding on to my rage, and my pain, I cannot heal our relationship. And so I ask you ~ please allow me to merge energetically ~ let us heal our pain together, let us know that we have chosen this Now moment to re-experience a Re-union of Hearts, for I know that we have experienced many lifetimes together and not all of them have been through the karmic pathway, for we are both great, courageous souls, and this journey in this Now will allow us to truly heal our wounds and to feel this Love with one another again, so we can bring an end to the karmic pathway as we walk the Christed Timelines."

And you wait now, sweet ones, as you hear what this beautiful soul has to say, for you acknowledge this karmic mate as a soul mate. You acknowledge there have been lifetimes in which you have loved each other dearly. All karmic mates have experienced many lifetimes together, sweet ones, and you recognize and know that this soul is part of your monadic family of Light. You allow this soul at this Higher Light level to express its gratitude to you ~ you will know if it is right to enter, for it is only in the deepest levels of trust, purity, innocence and Love that you will enter into the heart of a karmic mate, sweet ones.

Just feel this love for this karmic mate, as this soul speaks to you, tells you what you need to hear to be able to shift your relationship; to be able to heal the wounds of the Divine Masculine or the Divine Feminine. As these rays amplify, this beautiful diamond Flame of Transcendence, this beautiful silver Flame of Illumination, and this beautiful pink Flame of Divine Love, you find yourselves merging now, sweet ones, at a soul level ~ feeling the fibonacci ratio spirals activating now into the appropriate Fibonacci ratios. The base chakra links through a golden infinity symbol from your base chakra to that of the karmic soul mate, at

a Fibonacci ratio sequence of 8/5 (8 to 5). Through the sacral chakra, as this merging continues, the Fibonacci ratio is 13/8, experienced through a golden infinity symbol. From the solar plexus chakra this beautiful golden infinity symbol continues to spiral, as the Fibonacci ratio activates here at 21/13. Through the heart chakra at 34/21, through the throat at 55/34, through the third eye at 89/55, and lastly now through the crown chakra at 144/89. As you experience this merging through the Shekinah energy, sweet ones, you find yourself being lifted into this monadic group within which the karmic mate resides, and merging now with others within this circle that you may have experienced karmic contracts with, that you may need to shift your relationships. Wonderful.

Just allow yourself, sweet ones, to trust and surrender to this process, to know that this beautiful diamond Flame of Transcendence takes you into the highest aspects of Creation that you can experience, moving into wholeness and into Union, that it is experienced through the re-balancing of the Divine Masculine and Feminine aspects of Creation into the Godhead.

And now as you continue merging with this monadic soul group, with those soul rays within this group of 144 souls that with you make up the energy of your Beloved I AM Presence, you may find that there are soul mates that you are connecting with on the inner planes, and you allow this tantric and kundalini energy that may activate to simply be experienced, without projection, without intention, without expectation, transmuting it into a finer frequency, into a finer vibration of Divine Love and Union with your Divine Masculine and Feminine Spirits.

Wonderful, sweet ones.

This energy that amplifies is experienced through the Full Moon on September 8th and 9th. It is a time to be clear in your intentions, sweet ones, aligning deep into the Will of God, clearing these karmic connections, shifting the karmic connections back into the energy of soul mates, and know too, that this monadic group merges with monadic groups in vibratory frequency within and around them, for this then is the connection into the Group I AM Avatar Consciousness, and so your own monadic group of 144 souls will start to merge with the next monadic group of 144 souls. As you step into a deeper alignment to the Cosmic Heart of Mother/Father God, you create these Pathways of Light, not only for yourselves but for all other souls too, sweet ones. This is experienced initially through the Group I AM Avatar Presence, and as you experience the September Equinox now on September the 22nd & 23rd, as you come deep within your hearts, you experience the activation of the golden Solar Sun Disc of Light within your hearts.

The golden Solar Sun Disc of Light links you now into the Inner Earth Sun, into the Sun, the Central Sun, and the Great Central Sun, and in this radiance and magnificence and Light, sweet ones, you are able to activate the Lightbody/Merkaba Field and we will take you through these Light Dimensional Attunements, for the Lightbody/Merkaba Activation connects you to the dimensions of Light, to these Beings of Light from On High. We will give you a sense, sweet ones, of what these energies are, to be experienced dimensionally, as you shift into these higher dimensional fields of Light, as you experience the Rays of Creation, as you walk hand in hand with karmic mates and soul mates, this is how you truly know yourself as Love.

You now affirm: "I ask to be attuned to Sanat Kumara, Lord Buddha, the Planetary Spiritual Hierarchy and the energy of Shambhala and the Earth through a golden Flame of Light."

You now visualize this golden flame of Light coming in through the crown chakra, and into your body as you now bring in a beautiful golden bubble of Light six feet, 1.8 metres, in diameter around you, as you focus on the Fibonacci ration 8/5, eleven times Godspeed to Infinity.

You now affirm: "I ask to be attuned to the energy of Helios and Vesta, and the Sun, and Solar Core through a copper-gold Flame of Light."

You now visualize this copper-gold Flame of Light coming in through a portal 0.02 feet, or 6 centimetres above the crown chakra, and through the crown chakra and into your body, as you now bring in a beautiful copper-gold bubble of Light 6.4 feet, 1.92 metres, in diameter all around you as you focus on the Fibonacci ratio 13/8, twenty-two times Godspeed to Infinity.

And you now affirm: "I ask to be attuned to the energy of the Pleiadian Emissaries of the Light and the Pleiades, through a silver flame of Light."

You now visualize this silver flame of Light coming in through a fifth dimensional portal 0.6 feet, or 18 centimetres above the crown chakra, in through the crown chakra and into your body. You now bring in a silver bubble of Light 7.2 feet, 2.16 metres, in diameter all around you, as you focus on the Fibonacci ratio 21/13, thirty three times Godspeed to Infinity.

You now affirm: "I ask to be attuned to the energy of the Sirian Archangelic League of the Light and Sirius, through a silver-gold flame of Light."

You now visualize this silver-gold flame of light coming in through a sixth dimensional portal 2.4 feet or 72 centimetres above the crown chakra, then through the crown chakra and into your body, as you now bring in a silver-gold bubble of Light 10.8 feet, 3.24 metres in diameter all around you, as you focus on the Fibonacci ratio of 34/21, forty four times Godspeed to Infinity.

You now affirm: "I ask to be attuned to the energy of the Andromedan Intergalactic Beings of the Light and Andromeda, through a golden-white flame of Light."

You now visualize this golden-white flame of Light coming in 3 feet or 90 centimetres above the crown chakra, and now into your body. You now bring in a golden-white bubble of Light 12 feet, 3.6 metres in diameter all around you, as you focus on the Fibonacci ratio of 55/34, fifty five times Godspeed to Infinity.

You now affirm: "I ask to be attuned to the energy of the Melchizedek Brotherhood of the Light and Orion through a platinum flame of Light."

You now visualize this platinum flame of Light coming in from 5.4 feet or 1.62 metres above the crown chakra, in through the crown chakra and into your body. You now bring in a platinum bubble of Light 16.8 feet or 5.04 metres in diameter all around you, as you focus on the Fibonacci ratio 89/55, sixty six time Godspeed to Infinity.

And now sweet ones, you affirm: "I ask to be attuned to the energy of the Mahatma, the Cosmic Avatar of Synthesis, and Mother/Father God, through a diamond flame of Light."

You now visualize this diamond flame of Light coming in through a ninth dimensional portal 24 feet or 7.2 metres above the crown chakra, in through the crown chakra and into your body. As you now bring in this diamond sphere of Light, 54 feet or 16.8 metres in diameter all around you, you focus on the Fibonacci ratio 144/89, seventy seven times Godspeed to Infinity.

And now, sweet ones, within this beautiful diamond sphere, a beautiful golden Flower of Life appears and you have a deeper sense now of merging, through the karmic mates, as you see yourself on the Christed Timelines with them, as you see the timelines that you have experienced, the levels of initiation and self-mastery with these beautiful Beings of Light, as you see the energy that draws you now is one of Love, of Purity, of Innocence, of Gratitude, of Appreciation, of Humility. And above all, of choosing this lesson, this experience, this karmic journey, for the healing of your Soul wounds, for the experience of knowing yourselves in your full magnificence and Light, through the merging of your inner Divine Masculine and Feminine Spirits of Light.

Wonderful, sweet ones.

And now you experience yourself on the Unity Grid of Divine Love, as the New Earth Templates activate at a deeper Divine octave frequency that you are transmitting now into the beautiful Unity Grid of Divine Love. You wrap Mother Earth and all her Life in this diamond Flame of Transcendence, this silver Flame of Illumination, and now this pink Flame of Divine Love, as you find yourself now entering into the 25th Portal of Light ~ one of the 33 Portals of Light activated now in this sacred year of 2014, following the Spiritual Laws of Creation that create a map and deeper pathway into this Golden Age of Light. This Law, sweet ones, is the Law of Surrender, and as you are wrapped now in this beautiful silver flame of Illumination and the Overlighting of the Pleiadian Emissaries of the Light you take yourself into the surrender, into the trust and faith in God. Know, sweet ones, that you have never been abandoned ~ know sweet ones that in the surrender of self you are experiencing your true nature, your full magnificence and Light.

When you truly believe, when you truly know that you are Love, you will experience the Love of All Creation, and know and believe that you are Overlighted and guided by your Beloved I AM Presence in this Golden Age of Light, and the Overlighting of Mother/Father God and the many Illumined Beings of Light who shine a Pathway of Light for you always, and it is taking this pathway through the merging of your Divine Masculine and Feminine Spirits. For when you are able to see the Mother and Father within yourself, as the loving parents, you gently guide the negative ego as the child, loving it with discipline, with faith, with belief, with trust, and this is what you are called upon to do for yourselves, sweet ones ~ trust, and surrender to life ~ trust and surrender to Mother/Father God. Have faith and know that all is Divinely Perfect in each and every Now moment, taking you always deeper into the Cosmic heart of Mother/Father God.

You now activate the 25th Cosmic Christ Holographic Disc, this silver disc, along the spinal column, into the appropriate vertebra along the spinal column, as the cerebral spinal fluid activates, activating too the chakras, the nadis, the pineal, the pituitary, the hypothalamus and the thalamus glands. This recalibration brings a greater sense of knowing that you are on the right path as you experience your own personal sense of this Law of Surrender, sweet ones. Good.

And now sweet ones, you are taken into the 26th Spiritual Stargate of Light. As this Portal of Light activates within the New Earth Templates you experience yourself within this Portal and within your sacred heart and within your sacred space, connecting with the Light workers and star seeded ones, Overlighting you and walking this pathway with you, sweet ones. This is the Law of No Judgment ~ the Universal Mind does not judge, and as you know, under the Law of Equality your judgment attracts judgment of equal measure. There is no judgment, sweet ones, as we say to you ~ you move through the karmic timelines and the victim and persecutor consciousness aspects of yourself to know yourself as Love, on this plane of polarity. But the Christed Timelines and the Pathways of Divine Love have been created by many of you too, as you have come into Love and Forgiveness, as you have come into that place of purity, and innocence, of coming home, within your hearts, and it will bring for you a greater level of joy ~ and you allow yourself to simply let go of self-judgment, and judgment of others.

There is no Day of Reckoning, but there is indeed always balancing of the planes of polarity. And this dance takes you into a greater equilibrium of the highest aspects of the Consciousness and Light that you are as these sacred transfiguring flames of Divine Love, and the courage that you have through your pre-birth agreements. And we say to you too, sweet ones, that these karmic timelines are indeed coming to an end, for you have been clearing not only for yourself, but for all humanity and you have been creating these Pathways of Divine Love, and they have not been easy ~ they have been very challenging for many of you, but know now that you are soothed in spirit and in heart, and these lessons are being understood, as you are coming to appreciate yourself and love yourself more, this is what you extend to others. One of the greatest gifts that you can give yourself is letting go of self-judgment and lesser-than and better-than consciousness, sweet ones. As you now experience this 26th Cosmic Christ Holographic Disc activate within the spinal column along the appropriate vertebrae, you allow this recalibration, this fluidic flow of

energy and movement to release old cellular memories and patternings that create this sense of judgment and lesser-than and better-than consciousness. Wonderful, sweet ones.

Lastly now, you experience the 27th Stargate Portal of Light ~ as you enter into this Stargate Portal of Light you see too that you are surrounded by your soul and star family and friends and this beautiful silver ray of Illumination, this Portal holds the Law of Karma, the natural principle of cause and effect. And sweet ones, you understand the cycle of all things, that determines causations and effects of any event when used in consciousness and understanding. You are able to find harmony and balance through knowledge, wisdom and the understanding of this universal law. The knowing of how you live produces the desired effects in your life. You come into a deeper sense of grace, of appreciation, of understanding, of illumination, of insight and wisdom and Divine Love, sweet ones, when you understand the principle of the Law of Karma, of cause and effect, of the pre-birth agreements that we have spoken of, of the energy within yourself that is released in these encounters with others.

It is to know, for the most part, the karmic mates are blameless, for they act according to the current level of awareness they have. There are too, though, alterings made to the timelines, deviances that are sometimes made by souls through their own freewill. These deviances, sweet ones, are not part of pre-birth agreements or soul contracts, and those with whom you may experience these events will generally not come from your own soul group, or monadic group. These karmic events will accrue additional karma for only that soul involved, and the soul that has experienced such karma not required for its soul growth will find itself escalated to a greater level of Divine Light. There is always balance in the Universe, sweet ones. We have spoken to you simply of the understanding that many of the karmic mates are indeed soul mates, Beings of great Love, like yourself, at this soul level, and when you are ready to experience this forgiveness and this Love, you will indeed heal yourselves of all the wounds that you may have as you experience the re-balancing of your Divine Masculine and Feminine Spirits.

And so sweet ones, we leave you there as you take this beautiful diamond flame of Light, this silver Flame of Illumination, and this pink Flame of Divine Love into Mount Denali in Alaska, so that these activations may be transmitted from this sacred Portal of Light through all of Mother Earth's chakras, through the ley lines and sacred sites, and from here into the hearts and minds of all awakened souls ready to embrace themselves in the next level of Divine Love as this Re-union of Souls, as this Re-Union of Hearts, as you come together as One Unified Cosmic field of Divine Love.

As you experience the New Moon on September 23rd and 24th, sweet ones, this is also a powerful time of re-union for the inner masculine and feminine re-balancing, in the embrace of your Divine Masculine and Feminine Spirits. You are indeed shifting the consciousness of all Life, of suppression and control, healing the wounds, to love all man and to love all woman, and we embrace you for your magnificence and your Light and for your service work, sweet ones.

And you gently come back into your sacred space, grounding once more into the crystal heart of Mother Earth, and keeping the connection open to all the Illumined Beings of Light from On High, and we bless you for your service work, sweet ones, and we thank you, and with this we bid you a most magical day.

## The Oracle Report

Saturday, September 13, 2014

**Disseminating Moon Phase:** share

### Moon in Taurus

**Ruling Mahavidya:** Shodashi (Goddess of Beauty) and Matangi (Goddess of Wind)

**Skill:** believe and trust

**Negative Imprint:** dishonor, lies, foolishness, excuses, betrayal, escapism, issues of security

**Positive Imprint:** valor, commitment, protection, representation, exposure of lies, cleaning and clearing

Within the midst of intense solar activity, we find the calm in the storm today. The calm produces an opening - an eye. Today, we punch through that opening.

We bring a long heritage, a long lineage with us. We are rooted and grounded with our ancestors. We honor their memory by maintaining integrity and honor. We strengthen the lineage of humanity by holding the line with all that is good.

This month's energy is drawing us back in line with what is in the highest and best interests of our souls. As I mentioned earlier in the week, what is good for the soul is often hard on the human. The lines of our lives are crossing all over the place. People are crossing the lines in good ways and bad ways. Fools abound.

From all of this, we receive revelations of spirit and truth which we will begin to implement and manifest. This begins in small ways now and expands exponentially over the next lunar cycle, the Libra cycle, which begins on September 24. New information is getting ready to break through in a concerted wave.

Even the most solid foundations are rocked by the sonic wave of Shodashi, this month's ruling Mahavidya (Wisdom Goddess). Sometimes the course we are on is far off from where we should be or want to be. In these cases, the course corrections can be quite upsetting and destabilizing. Take a gander of this volcanic eruption with sonic boom in Papua, New Guinea recorded on August 29, a few days after the beginning of Shodashi's cycle.

Sonic Shodashi.

The thing to remember is that we are being divinely guided. Believe it. Trust it. It will bring you through the storm and to the calm of the eye. Shifts of focus come about from this. We've been holding the line all month and now we are going to line up and follow Shodashi's line as she leads us through to the calm. Today, follow the course. Go with the flow. Be the calm.

(Stay tuned for a separate report tomorrow. And please find those moments of beauty, take a snapshot, and send it in!)

Thank you for supporting the Oracle Report. Blessings to all!

## 2014, Sept 9 ITCCS News Flash: Highest catholic official in Ireland resigns after public exposure

Posted on September 9, 2014

### Irish Cardinal Sean Brady to step down

Dublin, September 9, 2014:

Cardinal Sean Brady offered his resignation today after it was recently revealed that he forced an 11 year old rape victim to sign a statement denying that he was molested and assaulted by catholic priests. This exposure of Brady happened recently on Sean Maguire's blog radio program featuring ITCCS spokesman Kevin Annett and eyewitnesses to Brady's action.

In related news, the ITCCS and its common law courts are convening a public inquiry this month into Cardinal Brady's attempted cover up of the mass killing of newborn babies at a catholic home in Tuam, Ireland. The remains of over 800 babies were discovered months ago in a cistern connected to the catholic home. Stay tuned for updates at [www.itccs.org](http://www.itccs.org)
