HARD NEWS

T: Another Day of Pope Francis

- Rama talked to **Bob Ney** – served time in prison – goes back to the time of Tom Delay, Jack Abermoff & others; he's the one who put \$ in the freezer! He now does the news sections of Thom Hartmann's show as a regular gig
 - **Ney, Kathryn, Mr X** said it's a lot deeper and a lot worse than what was said on Thom H's show about Boehner; he also said the same thing Leslie Marshall show
 - Boehner had to resign: the tsunami of scandal, high crime, misdemeanors of Boehner, McConnell, the 14 traitors at the Caucus restaurant and the 47 traitors in Congress who signed the letter to the Iranian leadership
 - Goes up to the higher levels of the white albino dragons in the Draco Constellation: Boehner is the money bags man, knows how to take bribes, to make deals dirt cheap regardless of who gets killed
- Bob Ney said he has actually watched the raptors, the reptilian ones, eat humans alive while Mr B was watching: he's got a lot of karma – send him more love!
 - As B fundraises, it disappears into the black budget with no records and finds its way into secret space program, building underground bases for abductions, torture, experimentation on humans, sexual abuse, killings for harvesting of organs, massive programming, genetic engineering for super soldiers – all on Boehner's watch
 - 30 years of this guy in power
 - We are watching the end of the endtimes; our DNA is evolving; let us judge not as we would not wish to be judge: the 5th element, the gamma rays; have never experienced these huge waves of energy on the planet before!

R: His crocodile tears are because he knows his days are numbered – not long for this world

- His crimes against humanity are not just on this planet: the money goes into black ops with no names, and the lifeforms that play with agencies that play with agencies and things happen off planet too; R does not explore this as the area has nothing to do with angels!

China: Pres Xi to be in UN tomorrow; Merkel was in UN today

- Mr X** said that Mr Francis even though he has done what he has done – it was the 3 letter agencies put Pinochet in there as a dictator – Allende was the one taken out - - so Pinochet got in playing games; had he not done so, he'd have been dead –
- Francis was called the Bishop of Slums by the people; when the junta came to him for the names of activists, he handed the names over – the adults were taken; the kids were raised by the juntas to be the next generation of juntas
 - The Jesuits run the world – Francis brought up the question of pedophilia but nothing has been done about it; a couple of million of kids disappear every year. This is why 2 BILLION PEOPLE have disappeared in the last 200 years.
 - Pres Xi and Mrs Xi; Obama and FLOTUS dressed to knock you out!
 - China has announced its intentions about carbon emissions; country is not going to go down!
 - All this has to transfigure itself into NESARA – miracles are afoot - will get even hotter in the kitchen! R having waves of dizziness and nausea over last 2 days with the energies of Wave X

Audio: Thom Hartman – Progressive Roundtable

- Bernie Sanders now ahead of Hillary who is down double digits in New Hampshire – on Morning Joe this morning – Chuck Todd having fits!
- Thom saying that MSNBC talking about Bernie being ahead – and don't seem to get it!

BIG PICTURE PROGRESSIVE ROUNDTABLE:

- Ari Rabin-Havt, [The Agenda/SiriusXM Progress/The Benghazi Hoax](#)
- Ben Cohen, [The Daily Banter](#)
- Lee Camp, [Redacted Tonight w/Lee Camp/RT America](#)

57:20 [Full Show 9/25/15: Bye Bye, Boehner!](#)

Tonight's Progressive Roundtable discusses Boehner resigning and who will replace him as Speaker, Fox News' reaction to Pope Francis' "radical" ideas about humanity, Cruz's love of the death penalty, and Jeb's call for no more "free stuff" for black people.

- the only thing that is immoral to the Republicans is abortion and Planned Parenthood; everything else they regard as "too political"
- Pres Xi has announced a national cap and trade agreement in some of its large sectors; cutting the carbons by 60% or so in the next few years.

CONFERENCE CALL

Have been watching some major shenanigans

C1: did Boehner step down of own volition? Or was he given orders to leave?

- this has been going on for at least 3 months; the question of McCarthy stepping in – looks like he'll get in and he's a K K K person! T & R don't often get to talk to someone like Bob Ney – it was he who nailed the 14 traitors by putting it in his book; he has done his time and paid his karma; now he has a relatively humble job; not making lots working for Thom Hartmann; now helping with the larger story
- Bob Ney told R he watched the white dragons literally eat human beings; Boehner was watching too: it was his handiwork. Larry, Curly and Mo and someone else had said earlier that the dark side would be scratching each other's eyes out and this is what is happening now.
- Boehner is not crying because he respects the pope etc – the pope is in the same soup as him:
 - the Vatican has always ordered all the killings etc etc; before any world leaders get to have a say in what is going on, they have to call the Vatican.
 - Benedict 16th is the one who killed John Paul II and overlorded him for 10 years
- T saw the pope a couple of times going down the street in NY in his Fiat – he was talking to his agent in the front seat; he frowned and turned his lip down: he is doing his darnest to look like an angel.

Gerry: heard that one of the Rothschilds asked David Wilcock to step in on his behalf; they are absolutely scared

- That is why Boehner was crying

C: has it to do with the Blood Moon; that their technology cannot stop the vibration of the earth and the people?

- Absolutely – no doubt about it; also, the awakening process is going on exponentially which freaks them out more. On the Aboriginal Call on Wed, Sept 23, Sister Thelma was reading an article about the event in Charleston being a Black Op: Tara told them they had to wake up and realize what Hillary has done; she is the primary Democratic candidate and now she is dropping double digents in the

polls and falling below Sanders:

- stunning news – what happens if he does not get the nomination – how will the people react?
- There is no difference between the Democrats and the Republicans, and Thom Hartmann cannot say that!

C: Talks about seeing the pope in the 9/11 museum, and how moved he was by it all

- He knows all about 9/11, and he knows about NESARA – the pope always asks people to pray for him – and he gets his orders from the white dragons of Orion
 - even though the people are out in throngs, they are still caught in the dogma that they cannot get to heaven unless they go through the church as sinners; don't realize they are christed beings already –
 - all in all, we are doing the neutral thing – today they were going over his talk at St Patrick's church with 300 homeless people in a big tent; the police had gone through the streets before the pope came through and kicked out the homeless! That he lives somewhere else [in Rome] is because he is not the pope, not that he is so humble. We need to love him too –
 - all things considered, things are moving very fast – look at the pecking order – Francis is lambasting the rich and famous ones;
 - what he is doing may not show because of the dogma: does not accept that women have rights over their body; or that abortion should be allowed; that women will be allowed to be priests;
 - the divine feminine asks us us to be neutral and not to judge – when one has had an experience within the church, it is hard to do this when one's family has experienced all kinds of things.

Carlton: pope is a complex character like Pres Obama? He is still involved in a major dark racket but still talking of the light – like a double agent?

- Pres Obama is not responsible for killing or torturing: this one did for a long time in Argentina – ordinary people and priests who were going liberal! Had them tortured within an inch of their lives; Obama has been all over the universe in the physical in star ships like Rama

Caller: unless we say he is trying to do the best he can

- he has no buck stopping with him: the overlords, the lizards control the offices – the Black Pope in the Vatican says what is going to be done to every leader – no power is invested the president's office as he is a figurehead for the 13 families and that is the Great White Albino Dragons which have 5th dimensional powers –
 - this scares us too, the viciousness and disregard of human life – going without food is nothing like having the colour of your skin going against you, or sleeping on the streets regardless of weather.

C: Can we put lipstick on a pig and expect more of the pig? Talking of compassion but is not really

Carlton: got a glimpse of Boehner on TV within the last 20 minutes:

- he was coming in saying zippity do dah, zippety ay! – he was on camera as he came in to say he was resigning! How come he's singing that song when yesterday he could not stop crying –
- it's nothing but a big show at the moment – they are all terrified.

C: ¾ of congress to be brought in for treason

- there are ½ million being brought in for treason: atrocities + intergalactci war crimes : this is an intergalactic war – and as we have the consciousness of expansion and understanding, lots more emotion comes up, including what we remember from past lives –
 - Master Dang left his body and said he could not stop greed and he made a choice to leave and help all the expansion of our awareness from the other side, including how to come to balance in this and that we are everything and everyone there is – and we extend into realms we didn't even knew

existed. And we are helping others who are not as far along as we might be - there is nothing but us that is reflected in us!

- T liked what Thom H said about this particular pope: he had said he might walk through the south boundary of the US – and about his parents emigrating to Argentina because of Mossilene - there is something about the land being soaked in blood that makes such a difference:
 - T & R have a friend whose parents were in Dachau and she's "in Dachau" still; told the story of a 6 yr old Jewish boy who saw himself in the soul of the nazi guard who let him into Auchwitz to be killed! Learning divine compassion is very high on the list right now
- love, truth, peace, freedom, justice – the 6th is Beauty and has only been added recently as an aspect of truth – the highest of beings never guessed we would use our freedom of choice to get as far along as we have
 - Boehner is a chain smoker and a drinker and does a lot of tanning which is hard on his health – he cannot express the truth
- the embodiment of a holy man and saying the truth that we won't here and it was being said the archons are part of the white dragons

C: why have this dragons not been taken care of ?

- It happens all at once when it happens; it's in the process of happening – there will be no date - to give a definite timeline changes the timeline; this is about how we take in what is happening and what we do with it
- On Monday [28th] – 3 days before and 3 days after – we are in that energy – and when we are aware of those energies and experiencing the gamma rays: Rama threw up today or when he is dizzy: empaths who have the sensitivities are feeling it too – a good 12 hours before things happen, they know something is up

Gerry: same for him

- He is sitting in the Ring of Fire – when it happens, it's like it's in your front room! He chose to anchor that energy: you get dizzy, take the time to get straight. An older friend lives in Oregon – just fell down – it was because of the strong energies, and not paying attention, and the connections between various parts of the body

G: doesn't get sick, but feels the changes

Ross: when are those of us who are more grounded start to feel it?

- If you are not a total empath, won't feel it so much, though you can notice them – he has a lot of outlets and can use his creativity in a positive way that balances him.

Gerry: some of them merged souls to

- when you do that , it attracts more of the same and greater. The reason they played the tape of last night: the people are not accumulators; they live in remote places on the earth – they live in other realms.

Gerry: about a stage play called **Pope Joan**; produced by Michael Butler - story was based on reality – he loved the show. She was very feminine – love the church so much; Louis XIV backed her – she became Pope John the 16th

- things are going to change in LA: was advised today to leave there
- the earth changes will happen along the west coast; the ring of fire is getting more active – chances

G: there are those there who want to create riots! Lots going on there.

- This is another thing about expanding our awareness: the responsibilities of being a lightworker are expanding – Rama found a trailer about *Pope Joan* from 2009

G: heard this on Coast to Coast – the Bush Family Trust bought the radio for \$10M and sold for much more to the Koch Bros – Premier Radio when Art Bell retired about 10 years ago -

- So if you listen to that, you'll only go so far!

G: The ones who stay are very limited!

- Seems like he is learning more than – when Art Bell let the Vatican Deacon come on and say he was being tracked and had gone into the room in the basement of the Vatican with a whole bank of computers tracking the body behind the Halle Bopp which was Mother's ship: the Vatican killed the whole extended family of the deacon, and for that Art Bell was taken off the radio and his wife was killed!
 - Mother extended 2012 and by the time Sept 2012 came in, it was 2014 already – and right now we are in 2017 already!

G: on Coast this week: a speaker reversed his age – Cory Goode was on with Michael Salla – talking about the Blue Avians – posted a picture of one on Coast; Cory was talking about his experiences with the blue avians: knew nothing about the Nibiru

R: ET Corey knows not about the Nibiru and Mother because he worked with the secret space command, and is still working with coming into balance with the Asthar command and the Intergalactic Federation of Worlds. When you work with the darks ones as he has, it is a big, bid deal for him to meet Asthar and Admiral Sananda.

- Glad he is coming forward and saying things

G: he's very scared; looking over his shoulder all the time.

- Yes, he knows their moves; there is a lock down in place and there are also parts of the Alpha quadrant in lock down too – he has to come to terms with the fact that he murdered folks. Same as Bob Ney saying that he has seen stuff that will make you turn colours! Don't want to know!
 - ET Corey is going through a big deal – the Blue Avians, the horse people have come in with spheres that are larger than Jupiter or Saturn – Mr Boehner has to answer all the way up the food chain – he has fed these beings gifts of human flesh that was still alive.

C: Melissa – asking where G is – not too far away – about Art Bell: the morning his wife died – he found her in the morning on the couch with her head back, had died from an asthma attack

- yes, it was simple to do things to her long distance.

BBS RADIO

Mother Sekhmet [M/A]

Greetings in the Light of the Most Radiant One. In loving Presence, we invoke the loving energies of St Germain and the Violet Flame, in the Office of the Christ and only in the Office of the Christ.

- Energies are high because what is occurring is the upliftment of this Sol Sun System and all inhabitants. Everything has to do with this planet ascending as 33rd member of the intergalactic Federation of Worlds, and this is taking place as we witness miracles upon miracles and, at the same time, the most horrendous of things coming to the surface.
- Kali Dirga, Shiva, Pele – giving birth on one hand and death on one side, putting the dead on

the funeral pyre – it is about the eternal cycle

- here we are, Wave X coming in – it is about these energies. As we can shrink ourselves down to the size of a particle – we can do this with our consciousness - and experience what it is like to be in the midst of what is being raised to the 12th dimension and higher.
 - This is where we came into the story with all 12 strands intact; this is where we are returning, as happening. She is just reporting on the aspects of what's occurring for all sentient life – animal, vegetable or mineral: all are being uplifted to 12th dimensional frequencies and higher. It is raising the hair and the fur on every thing and everybody – this is why Mr B has taken a leave, is taking off for the showers, before he is basted with the BBQ sauce; it is not a pretty picture what this life form has witnessed: has put on an innocent demeanour, disguise, shape shifter skin walker, like so many of the lifeforms –
 - it is with greatest respect and gratitude and grace, she says their time is finished and we are witnessing it in these moments that are so transformative, transfigurative
- it is about this return; new stories about what this beloved Gaia / Vywamus – we are all part of this grand cosmic experiment, as Terra Nova, Gaia/Vymus symbiotically connected at the hip and the crown chakra, as it were. As she prospers, we prosper – it is a transformation, transfigurative process - new terra forming already happening on this planet, as terra forming is going on in these bags of water, these temples of the living goddess, god, all that is – it is these energies called Gamma rays;
 - she calls them the Yods, the fire letters of living light , living love – Has nothing to do with the J man - it is about the frequencies of divine compassion from Alcyone – and she does a mantra
 - These energies are pouring in now – the only thing to do is relax into it; there is a little story has to do with this – we are the main play here as we receive our briefing orders and it is changing our civilization in how we go from where we are now to what has been described as Star Fleet Academy which is already happening in our midst.
 - The hounds of hell are out there and, at the same time, she is also out there – hunting lessons are over – it is time for that moment – we are already experiencing those frequencies lifting us up as we can muster the awareness
 - As we can muster the awareness of moving up to the 12th dimension; it is that we are being raised whether we can resist it or not, and the next evolutionary leap in consciousness is also these cells, particles which is why she says: imagine ourselves becoming one of the particles, and then working with the frequencies and flowing with the ocean of love pouring in from Galactic Centre – that is what the Gamma Rays are.
 - It is only about these moments that have to do with – as they are raising it and everyone to such a high level of awareness, there is no secrets. It is no accident that Mr B has to leave now and the time is a blink of an eye in the moment

T: saw McConnell and he looked like a ghost

M: a little green around the gills - has to do with what they have done

T: he started the ebola virus on purpose; he & wife are into human trafficking with Trump and Hillary – all in the family!

M: Yes, we are in the place where we must praise, respect, thank and love all the feelings; it is a big challenge for humanity to get this one in this moment. Francis did what he could within the scheme of his program – T: yes, he did – he called them out pretty good - and it has moved the energy.

- Indeed, as Wave X continues to raise it up, we will see more hair-raising issues; It just may be that one of Herr Trump's fraulien comes forward and talks about Trump who wants to put on a nazi unifrom and whip her.
- Madame Palfrey, the DC Madam, is not dead; she knows about Mr Trump getting dressed up in a Nazi gestapo uniform, likes to whip the girls **T:** and the girls like it too
- Yes, he is a very sick individual – her black book is as thick as the Urantia Book! It is huge and it is about the very ugly story of our beloved children who chose the path of the dark side of the force and crawled into the pit with Darth Vader and became the Dark Lords of the Sith – and here we are, 450 BILLION YEARS LATER - now is the time for love, now is the time for peace. the time for love
- Wave X comes in, just as the Nibiru comes in, and shakes the tonal into the nauqual where we get our lessons from the Jaquar Medicine Woman and the goddess is returned: and the patriarchal old stories . . . that is why he said "Pray for me"

- yes Francis we will pray for you; Lord Shiva has you in his cross hairs, and he can sit with Shiva and Parvarti: it is the so, ancient story, about We the Watchers who were here before the gods were here and watched the seeds being planted to deceive the life forms and how they grew
 - here we are full circle; her wayward children have had their stories twilighted: his story, her story – It is time for the Sat Yuga, the Golden Age, and we can dance with the elves, the fairies, the pixies and these dragons can take a little hike out of here with the rest of us and King Dracos and Princess Ardulla will let them know how they have behaved for these milleniums

T: it has been a long, long story!

M: This is why she has returned with Nibiru; every day it gets more intense on the planet, and it is about the fact that someone is going to get a poke in the ribs in the House of Micah and squeal like a stuck pig and talk about ET: it might be Mr Shirtless Putin – he has to apologize to Pussy Riot - not OK to have those kids whipped -

- What T asks is what lizard tells him what to do? Mother won't go into that – very complex

T: kind of stunning to have Xi and Obama hanging out on the east coast; Pres Rohani is getting up there tomorrow and Merkel has plenty to say too

M: Has to do with the story, the people's story of the galaxy: as it gets concluded, it completes itself and somebody is going to squeal: it is at a fever pitch right now; so excting to be in this moment and in a physical form: bless your lucky stars that she is here. In the same moment, know that the lockdown that is in place is about they cannot go anywhere – we are all in the same boat and have to look each other in the eye and love each other: scales like to be stroked just as much as feathers and fur.

T: they used to have feathers – the scales came later as a result of their behaviour

M: the guy ET Cory talks of having seen some of the plumed serpent beings

T: The Blue Avians are part of the bird tribe; the birds are the original beings – Mayan people, bird people, reptilian people lived together and in joy

T: might say the memory has faded – there are good reptiles like the crocodiles who guarded the Egyptian temples

M: There are many reptilians that serve on her ship, as well as on the other ships in the Federation. This is just one facet of the myriads crystalline stories of infinite love, joy and ecstasy – at the same time, let go of the Samsara; it is over.

- The issue at hand is about ascension frequencies and, in these moments, whether we like it or love it, it's raising us up.
- What is happening is that everyone gets an upgrade in their shift of awareness; some want to leave: that is their choice as they are in the 1st wave of ascension; some have already left or are in the transitional phase of leaving and this is the dichotomy . .

T: Dannion Brinkley could not understand about anyone want to stay

M: It is a magical gift to stay in this temple and live for 10,000 years and love it!

T: He said that concept of when you get out of this dimension and see what there is, and say who wants to go back there – yet there is no time like to present to be part of terra forming

M: If we can be here and watch the planet becoming a shining star – it outshines everything in the moment, as it is the centre of attention

T: recalls the story of what Rama said about him sitting stubbornly on the bridge and saying he was not going back there and Ashtar winked, and Rama ended up in the ski valley on the mountain! It is both / and

M: yes it is both/and, and there are many beings who have done their time here and they get to go; it is not a curse nor have they baled; it is that as you choose to stay here in these temples of the living creatrix of All that Is – you can stay for 10,000, 20,000 years - for as many milleniums as you choose: you can stay as long as you want as you are in charge of your life stream.

- Yet as we witness the transfiguration of what we are seeing as we go from Vader's realm or Mordor to dancing with angels of the Most High, it is like going from night into day. It is a bad dream that is coming to an end, and we are witnessing it as we see these lifeforms take their leave.
- She humbly salutes us for being so diligent in our commitment to spirit, as we say we will stick it out; the first shall be last and the last shall be first. And it is not about these lifeforms spouting the stuff that have used these words in vain, as it were.
- it is in these moments that we have the greatest gift sitting in our midst: these temples of the living god/goddess / All That Is – as we learn how to move, breathe, have our being as living masters – that is the test we asked to step into – Avatars – here we are: 144,000 Avatars – this is a big deal – Avatar agents of happiness: we have the abilities to walk on water, walk on air, raise the dead, as Cynthia has been telling us for years – now is the time to move into the realm where we receive our briefing orders.

T: she could run like the wind, jump over high ropes & land perfectly without effort; later on she could dance so fast she could do fast steps and not touch the floor – she tuned into the next level – takes a focus

M: Has to do with getting in touch with the chi energy in your body – that is the magic

T: It is possible to do things with your body

M: We have to take the step into the naqual and walk with the Jaquar medicine woman – she hands you some herbs and you chew them . . .

[BBS went off for a moment!] maybe she is moving the energies a little too much

M: Greetings – remember what is occurring right now with these frequencies that are moving us so much higher; as you can imagine standing in the shoes of these life forms - we heard what Mr Francis said to them in the Congress about not showing a nice face to the people: it is time they turned it around –

- she is here, she takes no prisoners; it is only about the frquencies about the mighty I AM

T: tomorrow afternoon is the concert and bringing in the 2030 agenda, and the UN is opened to do this [the 2030 agenda] – yet it is about the Old Order– what Francis has been doing is planting the seeds/thoughts – and NESARA goes all the way

M: In the twinkling of an eye, we will have the council of wise elders guiding this planet, not the greedy sheep that are still playing this game.

- Greetings in the Light of the Most Radiant One - Kadoish, Kadoish, Kadoish

2015-09-24 **Watch Stephen Colbert press Elizabeth Warren on a potential run for president**
By [Claire Zillman](#)

There's been much speculation that Warren may join the 2016 race.

If you're a guest on "The Late Show with Stephen Colbert," there's a good chance the host may urge you to run for president.

Two weeks after [pleading with Vice President Joe Biden to make a bid for the White House in a surprisingly emotional segment](#),

Colbert on Wednesday night pressed Massachusetts Senator Elizabeth Warren about her own potential run. The first-term Senator and former Harvard Law Professor is known for attacking Wall Street and Washington's elite while championing the working class. There's been much speculation that Warren may join the 2016 race as a Democratic candidate, though she has repeatedly denied those suggestions.

During the broadcast, Colbert asked Warren again if she would declare her candidacy: "Are you sure you're not running for the president of the United States? Have you checked the newspaper lately because a lot of people have jumped in; you may have done it in your sleep," he said. To which Warren answered, "I'm sure I'm not."

Colbert then asked the Senator to explain why she'd make a "terrible choice" for president.

Warren sidestepped that question and instead trumpeted her signature line: "The game is rigged," she said. "Here we are the richest country on earth; we have so much going for us and yet we have a federal government that works great for millionaires, it works great for billionaires, it works great for giant corporations, for anyone who can hire an army of lobbyists and an army of lawyers, give lots of campaign money," she said. "For the rest of America, it's just not working, and it's time for us to take that government back and make it work for us."

After Warren's remarks were met with loud applause from the audience, Colbert quipped: "You don't sound like you're running for president, I tell you that."

The "The Late Show" with Colbert as its host debuted on Sept. 8. While the comedian has secured high-profile guests such as GOP frontrunner [Donald Trump](#), Apple [AAPL CEO Tim Cook](#), and U.S. Vice President Joe Biden, [his ratings have landed him behind "The Tonight Show" with Jimmy Fallon](#).
