TURN AROUND — LAUNCH AND MULTIPLY
Thursday, August 16th from 2 p.m. to 3:30 p.m.
Friday, August 17th from 2 p.m. to 3:30 p.m.

Dottie Escobedo Frank, lead pastor at Catalina UMC in Tucson, AZ and Joe Daniels, lead pastor of Emory United Methodist Church (The Emory Fellowship) in Washington, D.C. and team up to facilitate this year's turnaround track focusing on the concepts of "launch" and "multiply."

In these two interactive sessions, Dottie and Joe will focus on the following:

LAUNCH

- * strategies for moving a congregation from stagnancy to purpose
- * exploring where you and your congregation may be stuck so as to prepare the ground for an effective launch
- * examining three major transformational shifts that are necessary for positioning a ministry to launch:
 - * — from being "consumers" to being "called"
 - * — from being "overwhelmed" to being "grounded"
 - * — from the "sanctuary" to the "street"

MULTIPLY

- * exploring the importance of gaining commitment and building momentum to the multiplication process.
- * risk taking
- * the trials and triumphs of expanding campuses to reach more people for Christ.
- * living out a deeper meaning of salvation in community

Dottie and Joe look forward to seeing you for the opening and closing of the Turn Around Track!
