

Hello,

The week of Feb 13th – Feb 19th topic & goal is:

Chapter Four: The Major Strongholds, or Principalities, or Satan
– **Goal:** to introduce Satan's major weapons (strongholds). **To accomplish this goal, we will:** Explain each principality (bitterness, self-bitterness, jealousy and envy, rejection, fear, unbelief, and the occult) separately.

Remember, this teaching was originally prepared last year but I am reintroducing it now because it is very in-depth and might take going through the program more than once for the information to get in your spirit.

Shalom,

Dr. Hooks
