Builder's Risk/Restoration Policy

An aircraft insurance policy specifically designed to protect the aircraft during the building or restoring stage regardless of pilot experience and qualifications. All at affordable rates! (example below)

1. Liability:

\$250,000 Combined Single Limit = \$150

\$500,000 Combined Single Limit = \$175

\$1,000,000 Combined Single Limit = \$200

2. Physical Damage (Hull)

Stated Value \$___ x 0.60% = \$ ___

Total Items 1 & 2 = \$___ Total Annual

Whether your aircraft is being built or ready to fly, AIR shops all the aviation insurance markets to provide you with the **best rate and broadest coverage available**. AIR insures a wide variety of experimental aircraft, including light sport aircraft. In fact, AIR was one of the first aviation insurance brokers to work closely with industry underwriters and sort through what was needed to properly insure light sport category aircraft.
