Mr. Shamshir Rai Luthra,  
New Delhi, India.

Dear Shamshir,

We are writing this note of appreciation to you for instilling the faith on each of our presenters their actual potential and bringing proper focus on the road ahead of them.

The few days that you have been with us seem to have flown away too fast and we hope to see you soon again so that our presenters do not feel left out.

We trust that you feel the same way.

Best regards,
