NGH MISSION STATEMENT

“CONSULTING HYPNOTISTS HELP ORDINARY, EVERYDAY PEOPLE WITH ORDINARY, EVERYDAY PROBLEMS USING INDIVIDUAL HYPNOTIC TECHNIQUES”

If, by habit, you have memorized and use our shorter “elevator talk” version —
“We help ordinary, everyday people with problems” -
it is fine as you can then elaborate on it in conversation.

OUR VISION

A TIME WHEN A VISIT TO THE CONSULTING HYPNOTIST IS AS COMMON AS A VISIT TO ANY HEALTH CARE PROVIDER.

ANNUAL RE-CERTIFICATION INFORMATION

This is a Great Way to Earn Your Continuing Education Hours

You need to have 15 hours of annual continuing education for your re-certification. You can accumulate 25 hours for approved continuing education programs such as the NGH Annual Convention.

The annual period in which to attain these fifteen hours of credit starts on your dues renewal date (if your renewal is due October 1, 2016, you have until October 1, 2017 to accumulate the fifteen credit hours).

This annual re-certification recommendation is standard among other professions and has been enacted by the Guild for the advancement of our members and the profession as a whole.

Keep track of any of the ways in which you achieve your re-certification hours during the next 12 months. Have that information available when you pay your yearly dues. Approved credits sent to NGH during the year will be entered as you accumulate them and will appear on your dues invoice next year. It’s up to you to keep track and to inform us as you accumulate hours...it’s up to us to add the hours to your computer information. We keep track of only the number of hours, not the breakdown of the courses.
