

Bernard Morgan House – Construction Liaison Group Meeting Summary

Date: Monday 11th December

Time: 4pm

Venue: Ralph Perring Centre, Golden Lane Estate, London, EC1Y 0SH

Project team attendees:

Tom Bailey (TWCL); Jonathan Hanley (GLD); Chris Rumsey (Cascade Communications); Freddie Palmer (Cascade Communications).

1. Introductions

CR welcomed attendees and led introductions from members of the project team.

2. Update on community engagement

CR provided an update on community engagement.

CR explained the meeting was being held at an earlier time due to the difficulty in finding a venue at this busy time of year.

3. Demolition works

JH provided an update on works on site, explaining that deconstruction works had now begun.

JH reminded the group of the techniques and mitigation measures GLD would be using.

4. AOB

Questions were raised by attendees, a summary of the answers given follows:

Entrance

Confirmed all spoil would now be removed via Brackley Street. Vehicles would travel down Brackley Street before turning left onto Golden Lane.

Demolition arisings

Confirmed demolition arisings will be processed on site before being removed.

Dust suppression

Confirmed the water cannons were mobile and would be repositioned depending on weather conditions and other factors.

Bernard Morgan House – Construction Liaison Group

Meeting Summary

Scaffolding

The scaffold 'fans' had been installed for added protection as is usual practice. The scaffold will be altered as the building is reduced.

An attendee mentioned rattling noise that could be heard in the wind. GLD confirmed this had been raised with the team and they had tightened the ties that attach the scaffold wrap to the scaffold. GLD confirmed they would continue to monitor.

Generator

Confirmed the generator has now been soundproofed.

Christmas

Confirmed works would stop for Christmas from 22nd December 2017 to 2nd January 2018.

Delivery of the high reach excavator

Confirmed this went to plan.

Banksmen

Confirmed there were two dedicated banksmen located on the roads outside of the site.

Programme

Confirmed currently on schedule.

End of document.
