## The Free Thinkers Society

### The Ben Franklin System of Renewal and Influence

- (1) Franklin taught that to study your worst possible self would reveal your most highest potential.
- (2) That environment preceded change and therefore to change your life you altered your “space.”
- (3) Franklin created the JUNTO as a “space” whereby others could rehearse their absolute best.
- (4) You create a NEW MIND in order for new thoughts and new life *to find its way towards you*.
- (5) Franklin taught “mental progress” and collected like minds to share pure thought un-ridiculed.
- (6) Franklin reminded his club members that everyone is self-made. Not just Millionaires.
- (7) What world leader or future leader of other, can deny the need to study America’s Ben Franklin!
- (8) Franklin fiercely believed that without a club or Master-Mind you could not *maintain* any change.

## RECITE DAILY

---

I am who says I am. I am love and light and I am all He said I am. I am ten feet tall and bullet proof. I will not be denied. I am 100% abundance and Wealth. Money is my tool and my mind is my devise. I use **the energy of other people** to circulate a positive influence on 10,000 lives in America, yes I am and yes I do and yes *I am all mind*.

Founder / Joe Schroeder Buried The Words, "I Can't"

### Read This Page Aloud for 120 Days or Until You Are 10 Feet Tall and Bullet Proof

I am bigger than the grand canyon. I was made with the faculties of God, in His image and I am more than the oceans and stars combined. Because I am in His image and I am all humility, courage and I stand over money and command it and I stand FAR ABOVE any fears. I use words that have NO DOUBT.

## It's a Social Obligation: The Opportunity is Now Each Other and No Longer in The Work-Farce Revolt Now! Stand Together. Start Your Own Economy.

---

I am important. I read two books at once and I read at least 1-2 pages per day per book. I am of same mind as Lincoln, Einstein and He who made me. I seek not the popularity pool, nor do I seek reign over man, because I am a **law unto myself** and as such, to be on "top," *I am below and serve mankind*.

### Read This Page Aloud for 120 Days or Until You Are 10 Feet Tall and Bullet Proof

On (date) \_\_\_\_\_ **I gave self** the permission to "be" and think like a person who earns \$100,000 *per day*. I finally decided to "be" love and to be a teacher of WISDOM for MILLIONAIRES. No one can pay me for what is my birthright. I need not one dime to validate my perfection, ease and guided light into mankind, as I demonstrate self control, self strength and silent power. I am no longer pulled around by the nose by any man or woman, and I am light FROM HIM who made me, into the world. I have BURIED the words, "I can't" and I will teach 100 people minimum to also BURY the words of shame and "I can't" and I will be a blissful soul, of, **WISDOM for MILLIONAIRES**.

## Terms and Conditions

I am Joe Schroeder and I will live forever in the minds of one Million people. I will teach and encourage children and teenagers, to RECLAIM themselves into victory. You can too. Or, you can re-sell internet “tools” and teach marketing like everyone else. If you sell money you will fail. Because when what you sell is money, the burden of PROOF is then upon you and if the person doesn't get what was promised or “sold,” the end users revolt, quit and you have to start over, into a new “hot” get in now everyone will earn money —every six months. I will go in the 360 degrees OPPOSITE direction. I will be the guy who sells wisdom. I will sell an idea and have since 1998. You can too. What we actually deliver is . . .

- \*\* More Self-Image!
- \*\* More Self Confidence!
- \*\* More Mind!
- \*\* Wisdom for Living and More Life!

M-3 is Something That You Can't Never Ever Give Back

**We Teach a Discipline of Self That Can Never Returned**

**We Are a Happyness Factory**

I offer you not a “system” to make money, but rather a significant product **based in substance**. If you share what we teach, people will stick with you. You can induce and sell greed. You can take desperate people on the internet and bring them to an environment of greed and FAST money. But in the end, that doesn't work and *you will be responsible for destruction and harm*. I challenge you to rise with me. I challenge you to empower 10 then 100 and then 10,000 **people** with The Million Mind March.

My own legend is secured and while one Million **may not ever know my name**, one Million people will BURY the words, “I can't” and also learn FORWARD speak and be healed into more life VICTORY. Please join this movement. I need more good soldiers. Make your voice heard. Make more life. Help CHANGE what is now dark in USA to light. *Generations* of people will be helped and therefore your name, and your spirit, will live, like mine, forever. What you inspire into two, becomes ten. (\*Gen 1:11)
