

# Community Business Associates

## Membership Agreement

By signing this document, I agree to join Community Business Associates and the Chamber of Central Mass South, to support its goals, meet the obligations of membership and help the group grow by networking within the group and recruiting others to membership.

Membership fees are \$45 per quarter for CBA – please refer to the Membership Dues Policy for methods and terms of payments.

The CBA organization is intended to provide a networking and business development platform for non-competing members of our business community. From time to time it is possible that conflicts may arise and such situations will be resolved on a case-by-case basis. Resolution will be determined by a majority vote of the general membership.

**Meeting attendance and participation is important.** Members may have a substitute attend in their place and not be considered absent. If you miss more than two meetings in any 6 month period, your seat may be forfeited and opened to another prospective member.
