

a word from . . . *Martina*

Hello!

It is with a great deal of pleasure that I send you this, my newest book of my poems: *100 Select Poems plus One*, offered by Inner Child Press with an insightful forward by renowned photographer, Bob Tyson.

The book represents a body of my work over the last twenty-five years and contains many of what my readers tell me are their favorite poems. My hope is that, not only will you enjoy *100 Select Poems plus One* . . . but that you will let Inner Child Press provide you with copies of the book for your friends, customers, and students..
