

The Tibor Trophy for "Commitment to Paddling" Warwick Sprint Regatta 2016

This bespoke trophy will be awarded to the first paddler to finish the 4k Marathon who also participated in any of the 200m Sprint 'Final 1', races. This paddler will have shown all-round capability, skill and stamina during the Warwick Sprint Regatta!

There will be a trophy for both men and women categories.

The Tibor Trophy itself is in recognition of the enormous contribution that Tibor Herbent has made to our great sport. Tibor has been paddling for over 40 years and has enthusiastically and enduringly coached and mentored many junior and senior paddlers to all levels of success.
