Dress Code

The dress code at King of Kings encourages all students to present themselves in their appearance with decency and modesty.

The following guidelines may be helpful when getting ready for school.

1. **Shorts/skirt length** should be at or below the halfway point of child's thigh; or when standing, if fingertips go beyond the short/skirt lie, then they might be too short.
2. **Midriffs** should not be visible. You can test this by holding both hands up over your head. If your belly shows, the top is too short.
3. **Our young ladies need to be sure that their chests are covered.** If a person can stand directly in front of a young lady, and see cleavage, they are not properly covered.
4. Please be mindful of **wording on graphic tees/shirts.** It should be God pleasing. Ask the question, "Would Jesus wear it?"
5. **Muscle shirts/tank tops** will not be allowed. They allow too much skin to be shown.
6. For safety reasons, **no flip-flops.**
7. **No tops with spaghetti straps.**
8. **Closely monitor and keep to a bare minimum the following: make-up, cologne, perfume, and hairspray.**

ELECTRONIC DEVICES

This information was added to Student Handbook pg. 15

For the sake of eliminating distractions which could hinder teaching and learning, students will be **STRONGLY** encouraged NOT to bring any E-device to school. Children have access to school owned devices for completion of homework assignments. Students needing to contact home can do so with permission from their child's teacher who will make the necessary arrangements to contact the home. *If a parent needs to contact their child, call, text or email the teacher or school office.*

OTHER REMINDERS:

If a student chooses to bring an E-device to school, they will NOT be allowed to use it during the hours of 8:00 am through 3:00 pm. The device will be put away inside child's back pack (out of sight and sound).

The other option is to have the device collected at 8:00 am and placed in a safe place selected by the teacher. The device will be given back at 3:00 pm.

Any infractions will result in the device being taken from the student until a guardian **PERSONALLY** retrieves it from the teacher. The school will not be responsible for any devices that become broken or missing.

Any E-device usage during before or after school care will need to take place in the cafeteria area under supervision of the school care director.

CO-CURRICULAR ACTIVITIES

This portion has recently been added to the Student Handbook, pg. 17 which pertains to participation in after school sports (volleyball, basketball, cheerleading, and track and field.)

If a student has repeated late work or incomplete work and the participation in a sports activity is not allowing the student sufficient time to do school work or hindering academic growth, the child will be ineligible for participation by decision of the teacher, coach, or principal. In addition, any students receiving an F on their report card will automatically be removed from the sport's activity for a minimum of three weeks. This academic suspension will also include practices. **THERE WILL BE NO REFUND OF ANY FEES ASSOCIATED WITH PARTICIPTATION.**
