

## **AMMC Update – December 2016**

---

### **Register now for the AMMC Hobart Workshop 9-10 February 2017**

It's just two months to the next in the AMMC's Regional Workshop program. This time, we are in Hobart in the run-up to the Australian Wooden Boat Festival, a must-see event for anyone who has even a trickle of salt water in their veins.

Hobart is busy at Festival time, so don't delay in registering for the Workshop on 9-10 February 2017.

We promise you two days of stimulating discussion, much of it hands-on, as we progress the joint AMMC/ANMM Travelling Exhibition program. As well as working on development of the next Travelling Exhibition, delegates will take part in a session to decide future travelling exhibition themes.

All the details are in the Workshop brochure [here](#).

Registration for the two-day Workshop is just \$50 per delegate and includes morning/afternoon teas and lunch.

**You can register online [here](#).**

We look forward to seeing you in Hobart!

## Introducing our new logo

The AMMC has gone through a restructure and reassessment of its activities. Everything was looked at. Even the AMMC logo came under scrutiny and some new design options were prepared. We are pleased to reveal the new AMMC logo, just one element of the AMMC's new look.

You can share in the AMMC's new Regional Workshops program by joining us in Hobart on 9-10 February 2017 for a hands-on workshop about travelling exhibitions, for institutions large and small. Full details in the [Workshop brochure](#) and you can [register online](#).
