<p style="text-align: center;"><b>Concepts from the Discipline</b></p> <p>There are causes of global poverty, disasters, and disease, and the effects of these issues are measurable.</p>	<p style="text-align: center;"><b>Biblical Concept</b></p> <p>Because of <b>creation's fallen state and the sinful nature of man</b>, issues like poverty, disasters and disease exist.</p>
<p style="text-align: center;"><b>Biblically Integrated Concept</b></p> <p>The world is in the condition we see it today; natural disasters, terrorism, poverty, disease , etc., because of creation's fallen state and the sinful nature of man. The effects of these issues are measurable.</p>	<p style="text-align: center;"><b>Life Integration</b></p> <p>While the world is in a state of immeasurable pain and suffering, I can do my part in alleviating people, if only a few, from a harsh fate or underprivileged lifestyle. I can extend God's love and grace by giving generously to those in need, I can provide meals and other needs for those who frequently go without.</p>

Text: Genesis 3:17-19

*Then to Adam he said, "Because you have listened to the voice of your wife, and have eaten from the tree about which I commanded you saying 'You shall not eat from it;' Cursed is the ground because of you; In toil you will eat of it all the days of your life. Both thorns and thistles it shall grow for you; And you will eat the plants of the field; By the sweat of your face you will eat bread, till you return to the ground, because from it you were taken; For you are dust, and to dust you shall return."*

Text: Romans 5:12

*Therefore, just as through one man sin entered into the world , and death through sin, and so death spread to all men because all sinned.*

<p style="text-align: center;"><b>Concepts from the Discipline</b></p> <p>There are environmental challenges that result from industrial development</p>	<p style="text-align: center;"><b>Biblical Concept</b></p> <p>We have been charged with stewardship by God over the environment and must consider it as we improve upon the economy with industry, technology, and expansion.</p>
<p style="text-align: center;"><b>Biblically Integrated Concept</b></p> <p>Industrial development can have negative effects on the environment. As God-ordained stewards, God has mandated that environmental resources not be jeopardized in the name of civil development.</p>	<p style="text-align: center;"><b>Life Integration</b></p> <p>Let us always take into consideration ways we can assist in improving and restoring the environment. While it will always be important to build and develop, we can take steps to ensure that our environment has its chance to grow and develop as well. By doing so, we minimize the casualties to the environment and obey the Lord.</p>

<p style="text-align: center;"><b>Concepts from the Discipline</b></p> <p>“The second great awakening: Individuals <u>reform</u> their lives through the use of <u>free will</u>.”</p>	<p style="text-align: center;"><b>Biblical Concept</b></p> <p>God has given man <u>free will</u> and desires us to grow and “<u>reform</u>” in <b>His power</b>, turning from sin, and following Him and his Word both as individuals and as a society.</p>
<p style="text-align: center;"><b>Biblically Integrated Concept</b></p> <p>The second great awakening: Individuals <u>reform</u> their lives through the use of <u>free will</u> <b>but true and lasting reform must find its direction by</b> looking to God’s Word both as individuals and as a society <b>rather than man’s will which is fallen due to sin.</b></p>	<p style="text-align: center;"><b>Life Integration</b></p> <p>Reform must begin with me. What is it in my life that is in need of reform? Through confession and the power of the Holy Spirit I am free to choose a new direction for my life.</p> <p>What role can I play both now and in the future to reform my community?</p>
