

## Our Vision...

To call those who have already been convinced by G-d to come and stand with Israel on the front lines

To communicate the covenants of Eloheim to those who have been grafted into the commonwealth of Israel

To outline specific responsibilities in our covenant relationship with Israel

To unite in opposition to the expulsion of Jews from The Land that G-d has given them.

### BUILDING ETERNAL RELATIONSHIPS

Joel and Pamela Bell are Bible Believers living in the land of Israel. Sixteen years ago Hashem intervened in their lives by the power of the Holy Spirit to serve Israel and the Jewish people by becoming a living example of the fulfilled Word of G-d. Three years ago they moved to Israel. Prior to moving to Israel more than 8 years ago, they traveled back and forth from the United States fulfilling the covenants that G-d made through the Torah to lay their lives down for G-d's covenant people and to serve the communities that are standing on the front lines in Northern Shomron and Judea. In answering the divine call of Hashem, they have shared their time and finances to bring support and strength to the people by providing them with the tools they need to fulfill the promises that Hashem made with them. They serve the Jewish people in the land of Israel teaching the covenants that G-d has with Abraham, Isaac and Jacob, and their descendents, and with those who have been grafted in to the commonwealth of Israel through Melchizedek - Yehoshua HaMashiach.

A year ago G-d spoke clearly to them to join the people of Gush Katif and to stand shoulder to shoulder all the way through the expulsion of their communities in August 2005. Joel and Pamela have built a testimony among the leaders, Rabbis, men, women and children of the communities, beginning a new chapter in G-d's prophetic plan in the land of Israel.

(Reference: Ezekiel 34 & Jeremiah 23)

“When we are laying our lives down at all risk and cost and living the Word of G-d, everything becomes so clear regarding what G-d is doing today and what is important and pleasing to Him.” States Joel Bell, director of Frontline, “G-d is so real to these people and to us simply because we hear the Word of G-d and we obey it—together, becoming pleasing to our Heavenly Father and receiving our eternal inheritance.” (Ephesians chapters 1 & 2)

Joel shares his thoughts with you in a [Letter from the Director](#) about how you can participate and work together to fulfill G-d's covenants through direct application.

The call is going out to you who have been convinced by G-d to stand with us, through your prayers, finances and your presence here in the land of Israel.
