

Lifestyles (1)

Our lifestyle reflects our learning preferences and our emotional needs. These are important influences on learning. Talk with classmates about these topics:

Are you a night-person?	What makes you happy?	What makes you unhappy?
What makes you cry?	Do you like fashion?	Do you like animals?
Do you like to work with people?	Do you like to work with machines?	Do you like sport?
What is your favorite food?	Are you energetic?	What can you do really well?
What can't you do?	Are you optimistic or pessimistic?	What is your favorite color?
Why are you studying English?	What do you like about yourself?	What do you not like about yourself?
What is your best quality?	What is your worst quality?	What are your hobbies?
What do you do to relax?	What would you like to do in life?	What is your biggest worry?
What is your motto?	What clubs do you belong to?	How long do you sleep each night?
Do you like to travel in Korea?	What do you dream about?	What is your favorite day of the week?
Who was the greatest person ever?	Who is your favorite pop-star?	Who is your favorite movie-star?
What is your favorite piece of music?	Do you follow your heart or your brain?	Do you believe in fate?
Do you believe in God?	Do you believe fortune tellers?	Do you believe in another life after this one?
What do you want to change in Korea?	What do you want to change in other people?	What do you want to change about yourself?
How important are possessions?	How important is money?	How important is love?
