1-209-647-1600; ACCESS CODE 353863#

**R:** Leonard Nemoy has passed on; Rama met him when they all went to conferences at Giant Rock

- Nemoy and Shatner went there; George Van Tassel created the Integraton – R's parents took him there to listen to Ashtar be channeled through George Van Tassel
- At his Bar Mitzvah, Rama gave a speech on unilateral nuclear disarmament as he had seen what happened to his brother and others. The Rabbis lost it! Viet Nam was going on, and he saw

what that war did to so many! It was all about the 13 families who played with the drug trade and trying to stop our galactic friends coming in

- The 1960 Star Nations Conference when W. E. B. DeBois and JFK met with the galactics who said we have to change this story; Jack will be back!
- R hoped that Nemoy would have been around to see NESARA get announced! We are the extreme moment: The shoe is dropping and hitting the ground & Mr 19.5\* is THE MAN
  - **why do we need** the Department of Homeland Security was created after the false flag event of 9/11, INSIDE JOB – our own Black Ops, Israel & Saudi Arabia

**R heard from Lady Di and Heidi** from Bank of International Settlements

- all kinds of wild stories, as the 13 families are losing it, trying to continue all kinds of false flag events wherever, whenever they can
- Boehner did not get his fake bill passed to fund Homeland Gestapo – will try for next week
- the goons are still at the borders, at the airports; the air marshalls are still on the planes; Michael Chertoff is still making money off the death ray [x-ray] machines at the airports

**Lady Di and Heidi** said:

- This entire fiasco goes back to Hitler: there were a group of beings who met with Hitler, the top SS and the Thule Society, as he actually believed he was the messenger to bring forth the new order
- they tried to get hold of Metatron's Cube, the Tesseract, The Arc of the Covenant; they did get hold of some of the ancient vimanas
- some of the beings that we know as the blonde, blue-eyed galactics, not aligned with the Office of the Christ the fallen' they were the elohim, the nephilim, who helped the Nazis reverse engineer the vimanas to create death ray machines they installed on their craft, plus some of the super weapons Hitler used.
- This leads into right now and Argentina, Peron and the folks got absorbed in the OSS, NSA, CIA, the FAA and all the others

**The Internet:** the net neutrality has been assured, thanks to Mr Wheeler, and the Republicans are squawking, calling it a usurpation by the government and the government is "we the People", for whom Republicans have no use.

**Lady Di** - the Koch bros are creating the Jeb Bush fiasco

- the Bush real last name is Schirff; they are Nazis. – the Republicans want a war with Iran

**Ukraine:** as things heat up in Ukraine, we are seeing the scene in Russia

- Putin and Boris Menalslov was shot dead today; he was giving a speech today in Moscow – T & R don't know for sure what it is about

**Al Jazeera:** this is not Putin at all, but someone is trying to create a big headache for Putin

- the guest said for decades, over and over again, opposition leaders heading for the PM position or the presidency have been killed – this just happened again.
- T suspects someone hired the US Black Ops to do the killing to create trouble for Putin
- Ukraine has never been a part of NATO; Petroschenko wants it to be!

**Lady Di, Heidi:** As Petroschenko is observing the heating up of events in East Ukraine, he might sneak off either to Israel or to Germany.

- If he goes to Germany, the people will turn against both Merkel and Petroschenko – which puts her between a rock and a hard place
- The only reason Germany helped Greece out:
  - Behind the scenes, Greece threatened Merkel: tell all about your father and mother; that the EU as Nazi 4<sup>th</sup> Reich is an extension of the 3<sup>rd</sup> Reich; that the Nordics came to visit her father & gave him advanced technology via the ancient craft of the flying vimanas [star craft which never wear out or fall apart]

- German scientists reverse engineered the engine technology of the vimanas and used that science to create “tesla guns” which could be used as a crude form of hand phasers – they were really crude guns
  - Then they created something to arm the planes with the death ray stuff from the sky
  - Germany still didn't win in spite of the advanced technology – the scientists working with Hitler could not live with themselves for what they knew they were taking part in so they defected to Russia, the US or Argentina and the power of the technology was weakened – a short-lived adventure
- they got the Spear of Destiny but not the Ark of the Covenant or the Gauntlet of Power with the 5 infinity stones: Rommel found the Ark of the Covenant and **gave it to Ashtar.**
- Some of the Nazi scientists and the upper echelons of the SS took the advanced submarines and went to the inner earth at the South Pole to visit the Satonians, the refugees from the planet Maldek which blew up and is now an asteroid belt!
- Which is nothing more or less than what is now on the surface in the Middle East in the form of ISIL and all the Black Ops and Zionists – recruited & programmed humans: a fallen angel kind of concept: their idea of super soldiers to this day
- We are getting closer and closer to full disclosure with all this stuff.

**Venezuela, Caracas:** Antoinetta, the daughter of Ladesma – don't buy this story

- this is US black ops and the Vatican telling all what to do: they want it to look like President Madura is a criminal; IT IS NOT PRESIDENT MADURA:
- Antonetta Ladesma is propagandizing the same story about Madura; THE BLACK OPS are behind it all: Black Ops / 13 families want the oil and no prosperity for the people.
- the drug cartels in Venezuela are 2<sup>nd</sup> place to the Mexican cartels in terms of what they do, how they operate

**Mexico:** Amundo Gomez la Tuta, Mexican leader of the Knights Templar of Mexico, is playing with the dark side of that energy; they are extorting farmers, business people; killing people as they are drug running for the drug cartels

- There are a number of cartels: Sina Loa Cartel, Cartel Pacifica, Los Veta Cartel
- President of Mexico is not a nice person; he's a Skull & Bones man

• Also, **Alfred Webre**, a judge of the Kuala Lumpur Citizens Hearings, is a Skull & Bones Grand Master! TIME FOR DISCERNMENT: so many lightworkers are not there – time to dig into the deeper levels

- The Centaurs here til 2018 she referred to yesterday:

- this is horrible news, but a cartel leader was arrested which is good news. Whose puppet from the US CIA was he? Releasing that information is the next step.
  - The ugliness of Mrs Reagan, Ronnie Reagan and the drug war he established here: he put the icing on the cake by seeing the US could make kadzillions of dollars with cocaine & heroin & crystal meth, and lace it with all that that is not good and take out all the flower children
  - Bill and Hillary Clinton are part of the story: Armena, capital city of Arkansas, was the biggest drug running centre in the US –
    - and Hillary wants a divorce from Bill: this will get neither of them out of trouble.

**R:** wants Bernie Sanders to step up right now “I'm running!”

**T:** E. Warren has been completely locked down by Hillary, which is why she keeps saying she is not running

- Just as Caroline Kennedy was wiped off the map by Hillary because Hillary wanted to keep her role in the Senate so that, between the time of leaving the Senate and being sworn in as Sec of State, she could not be arrested! This is treason on its face – totally against the law!
- Nancy Pelosi as a double agent still had to walk around holding Hillary up – behind the Dem Convention in the back halls: voting for Obama was the hardest thing Hillary had to do – they were trying just before that to get a whole pile of \$\$\$: she was leaning on Pelosi before she disappeared

in a doorway!!

- This all has to do with the fact that the 13 families are out of time, out of money and they have forfeited love by this time; by cutting out the 12<sup>th</sup> strand of DNA which is the missing link for them
- They did it to themselves – a spit in the face of Sekmet and her design of our DNA

**Hillary got exposed by Abby Martin about a week ago:** on her show, she exposed why Hillary was so happy to be going off to Paris and then going to the most robust country in Africa – Libya; she was not interested in any kind of dialogue at all!

- Even though Gaddafi was willing to step down - no need to kill him.
- the minute someone gets in power, the 13 families are right there: it takes a master to deal with the situation.
- Gaddafi – each country in northern Africa had a different currency, based on his 800 metric tonnes of gold which Hillary wanted: Abby played the section where Hillary was in Paris with her lover, the wife of Anthony Weiner – they were laughing that they had come, conquered & Gaddafi was dead!

[Friday, Feb 27: Abby Martin's last day on RT and her show.]

**Caller:** please explain what really happened – did Hitler commit suicide, etc etc?

- In 2005, they read the whole story
  - On his death bed, Scorzeni left pictures and manuscripts to the daughter's boyfriend, a journalist
  - **Scorzeni killed the clone of Hitler;** the real Hitler went to Argentina – Prescott Bush and George
  - Bush Sr was already 14 so in 1948, he was 24 which is when Operation Paperclip brought all 100,000 Nazis and Hitler to the US; none of them were tried at Nuremburg
  - Hitler **never took cyanide or committed suicide:** it's a cover story. Scorzeni killed the clone – this was in his memoirs

**Caller:** asking about where Hitler went

- he was underground and never came to the surface
- did live in the US but does not know where; dyed his hair, changed his facial features; the CIA CIA, etc helped with all this
- Scorzeni was one of Hitler's generals and died in 1998
- Hitler is now in a brig on a starship: he knew how to do the obscene rite and how to get into Lake Vostok in Antarctica where he talked to the Elohim there; he had learned the obscene rite from Kahotep who had been doing it for 13,000 years or so to keep himself alive

**[NOTE: see Saturday, Feb 28<sup>th</sup> Conference Call, for more explanation of this [INCLUDED BELOW]**

**Conference Call: NEW NO IS 1- 209-647-1600; ACCESS CODE 353863# [both Fri, Sat]  
Free Conference Call HD.com**

- Is the PIN # going to stay the same for Friday and Saturday? YES
- going to talk to Cheryl and MariettaRobert.

**Caller:** asking if they get any info on Jihadi John who is English – it's the outsiders causing the trouble.

**Background on Jihadi John:**

- got a degree from Westminster University in London; is from a wealthy family; not sure how it happened that he became a terrorist. His British parents lived in Kuwait; he is a British citizen
    - John McCain was born in Panama of US citizens – had no right to run for President as he was not born on US soil
    - Obama was born at 19.5\* in Hawaii
  - Mi 5, Mi6 tried to get him to work for them, but he wanted none of it. And he had every right to go back to Kuwait, as he had been born there.
  - Friends, those who knew him speak of him as gentle, kind, compassionate
  - It could be they programmed him when they did not get him to work for them of his own free will.
- With NESARA, will be able to heal all things, and also with the funds to work with

The new phone # is supposed to be crystal clear!

**Caller:** on the Ashtar call on Tues pm, either Ashtar or St Germain said everything has to be lined up for NESARA – what was he alluding to – the financial system?

- It is **more than the financial system** – it represents that they have created the UN, NATO, the DIA, NRA - all of the alphabet agencies under the oversight of Nazis as a result of Operation Paperclip.
- The Pan Germanic alliance never ended WW2 - things went underground; it became an underground intelligence of the black ops. The Elders of Zion were in charge – no free elections plus handlers for every president from that time, though they started with the frog in the warm water with the earlier presidents
- Add in the flower children of the 60s and the gurus coming from the east to help out and help them find balance; so we needed to find the history of Buddha and Krishna who died on the cross in the stories of the Vedas. This means that the idea of being your brother's keepers died with these figures – they wanted to kill the idea of any kind of enlightenment – this started in the 1800s when the Vatican said all children were born in sin; for them to get to heaven, they had to be baptized
  - the church has been a nazi organization and helped get Nazis out of Germany
- Hitler went into the Satonian bases and met with Kahotep who lived for 13,000 years by using the obscene rite. He was dejected because Isis and Osiris left the planet: Isis, from Venus, was born onto the planet to Aboriginal parents in Australia who know they are from the Ashtar command
  - When Isis was 13, she was beamed back up to the ship to re-join Osiris – and Osiris was a template of St Germain
  - Horus was the first born child of Isis and Osiris was Horus; she created him out of her self using the heart chakra, the throat chakra and the 3<sup>rd</sup> eye to create a fully functional being.
  - Seth was not their child, but the child of Osiris and Nephys [Nephsis] , sister of Isis - the manifestation of Seth was a similar story to what happened at the time of Jesus
- Jesus, born of Mary, was a template, He was the 6<sup>th</sup> incarnation and initiation of the soul of Sananda Kumara and volunteered to come to earth and demonstrate what it would look like to end polarity in one lifetime and bring on an ascension process which would end polarity for all of us
  - We were created in the 12<sup>th</sup> dimension with and by Mother; we were to descend to the 5<sup>th</sup> dimension and, as events transpired, we fell to the 3<sup>rd</sup> as the original Divine plan was corrupted even more!

**Sunday, Mar 1<sup>st</sup>:** the “shadow side of Jehovah” is a way of saying we needed to have a dark side – the opposite of light and unity consciousness – in order to experience polarity.

- THIS IS NOT ABOUT EVIL: “evil” and “dark” ARE NOT THE SAME THINGS
- The opposites are “light and dark”, “day and night”; “dark” and “night” are not evil but simply the opposites of “light” and “day”
- EVIL IS A THIRD THING, an action out of its time / space continuum, the manipulation of creation to cause harm. As we have been learning, the actions of the reptilian invaders are evil because they are using their 4<sup>th</sup> or 5<sup>th</sup> dimensional abilities in the 3<sup>rd</sup> dimension to create havoc and prevent us, in every way possible, from re-discovering and using our abilities to experience unity consciousness and return to our former estate.
- So Jesus incarnated to show us how to move beyond polarity back to unity consciousness, by means of the Law of Love, His teachings, the Gnostic teachings, were banned by Constantine at the Council of Nicea as heresy; the New Testament does not represent the true teachings
- Jesus was on earth for 99 years and ascended from Mt Kailosh
- the crucifixion concept was the death of the idea of ascension [for the time being]

**[NOTE: see Saturday, Feb 28<sup>th</sup> notes from the Conference Call for more information]**

**Caller:** What needs to be in place for NESARA is the question – what else needs to be in place?

- The ability for enough lightworkers to be of the Christ consciousness, and living according to the idea of

- being their brother's keepers and not being involved just with money.
- Yes, the light worker consciousness has reached critical mass but that light worker consciousness has to bring more to others.
- The process has started in the area of global economy because the economy collapsed on Feb 6, 2015
  - Since then, all is a fraud: there has been deflation and the 13 families are making \$ on the deflation now by selling debt and betting on the timing of the beginning of deflation
  - This adds to the list of criminal things.
- The other story is about giving the extension to Greece - Merkel is being cornered no matter which way she turns.
  - **KOS:** she is not long for this world; she does not look healthy. But she will talk before she goes.
- the story of Germany is a kind of fiction; the 3<sup>rd</sup> Reich became the 4<sup>th</sup> Reich and the EU which does not have the best intentions of the people in mind; there is a 4<sup>th</sup> Reich in the US too
  - The OSS [Office of Strategic Services] was set up by the nazis who came to the US via Operation Paperclip; It became the CIA;
    - Oswald did not kill JFK – one of Hitler's generals, Herman Goering, was part of the kill team along with Norman Schwartzkopf who was given gold and silver and warned about what would happen if they ever talked.
    - Colin Powell took millions of dollars for killing hundreds of thousands of Iraqis
- Jim Crow has become James Crow ESQ in an Armani suit & is paid by the Koch Bros: eg, Michael Steele!
- The double headed eagle was a symbol of the 3<sup>rd</sup> Reich which became the 4<sup>th</sup> Reich
  - Rahm Emanuel is the next Heinrich Himmler in Chicago
- We are in the end period and exposure is happening more and more consistently with the media
  - KOS told them in the late 90s that the media exposing and being exposed was the sign of the end
  - Hitler's guard dogs were the police; in the US, the police killed slaves if they did not behave
  - City of Ferguson made tons of money on tickets given to people for nothing

**Caller:** isn't the President pushing for things to happen?

- Yes, T & R feel the movement is very strong, but no one can give them a date
- Cannot emphasize how important it is to know that the window of transition goes to 2023, and the next 5 years we have heavenly bodies / assistance on a regular basis:
  - they are asking the lightworkers to go more deeply into the unknown; the kind of change they are asking us to go deeper into is breaking the pattern that we were set in by the time we were 7 years old.
- Don't plan on aging – **aging is the old program**
  - we have the energy available now – just align our will with the Divine Will – most of our parents were not free and most of us chose to come into a family where all the siblings, aunts and uncles and others said “What's wrong with this weird one?”
- **We are the prophets generation** – we are going to make it this time in a quantum leap

**Caller:** who will follow Obama?

- The things he does – we can't expect the president to do it all: all the lightworkers have to help others to get on board
- We are all kind of bored with the pattern which has been and is being so many times repeated.

**Caller from GA:** talking about Nazis, Neo Nazism, Zionism, Hitler, Rahm Emanuel – how does that tie into the holocaust? Does this give a different spin to it?

- Yes, the Zionists and the Nazis are aligned, they are the same - they are Khazars, and came from the Caucasus Mtns in SE Europe
- the original people of the land were the people of Palestine; refers to the book **When Rocks Cry Out**
- The story did not take place in Israel /Palestine - it was in South America, and they lied outright when they came and stole the Palestinian land: it was the League of Nations that became the UN – they took the refugees from Europe and took them to “Israel”

**Caller:** What is the difference between the “Jews” and the true Hebrews?

- The true Hebrews were black; they came from Ethiopia .
- the Khzarians identified themselves with a particular sect of Judaism – it was a religious thing, not a DNA thing – the Azkenazi Jews identify as Khazars from Southern Russia; they are from the Haplo groups which are connected to all the groups on the planet [ie, they are not “special”]
- the Elohim became the Elohim when they fell; the other beings – when Lucifer supposedly fell and took 1/3 of the others with him – fell to earth and took on the guise of beings that were known as the sons and daughters of men who co-habited met with the sons and daughters of God and made quite a mess;
- the story is still being played out, and a lot of the stories are changed because the history/herstory got changed from the goddess to the patriarchy – all the civilizations from the beginning were based in the goddess, not in the masculine / patriarchy
- In this context it comes back to oneness – has to do with the Moors and the Lemurian people – what Nobel Drew Ali taught in the Moorish teachings. This information does not come up because they want to ethnically cleanse the planet of the people who carry on the teachings of the goddess.
- coming **back to the Holocaust:** 26 billion people were killed
  - The Wealthy Jews, the Khzarians – Hitler was a Khazarian Jew even though he has some Sefardic DNA in him – **he was a WEALTHY Jew.**
  - Most of the land in Germany was owned by **German middle class Jews** and the wealthy Jews wanted to get the land by killing off the middle class
- Same thing as the Vatican, during the Spanish Inquisition, wanting to kill the Knights Templar because they were the original indigenous people: the farmers, business people who owned the land and the gold that the land created
- Same thing in the US: Noble Drew Ali went to the Conference in 1928 and brought back a mandate for the people who originally owned the land and their gold to have it returned;
  - as soon as Drew Ali got the mandate, the wealthy people of Europe withdrew their money from the US and the 1929 crash happened – **all because the wealthy ones wanted to be masters of the planet and have all the land and the gold / wealth**

## **BBS RADIO**

### **Music**

**T:** It has all been divinely orchestrated, and the power of love is getting stronger and deeper within us; that our hearts open even more every day to receive the light frequencies of sound and colour

### **Mother Sekhmet / Lord Alcyone**

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

### **M/A:**

Greetings, Children of Ra.

- In this magical moment of All That IS, we are so blessed to be here at this time; so much is coming to pass as we are taking on the mastery of who we are in this moment. It is so blessed, auspicious to watch what is happening to all the people here, along with [what is happening on] the planet.
  - As John Lennon said “Imagine all the people” - it is happening in such a magnificent way – to see people waking up at such an exponential level.
  - This is causing her wayward children to increase the madness of further separating the mind from the heart, and it is ultimately failing. Their shenanigans are failing right left and centre: like the lemmings going to the edge of the cliff yet they are moving head first into the Dark Rift, centre of the Milky Way Galaxy, the void; let us love them even more as they enter that place of uncreation
  - It is with great respect, dignity, gratitude and love that we honour their service, as they have chosen their path; it takes great mastery to be as dark as they have been in the midst of such light pouring in at this time and they cannot stand it
  - It is such a cosmic challenge for them as they take their leave: Gaia / Vywamus is saying “Sat

Nam. Namaste.”

- They are taking their leave, as we are already in Sat Yuga, this grand cycle; the Age of Aquarius is already here, though it may not feel that way yet it is in our midst – such magnificence to behold as everyone is waking up and wiping 26, 826 years of a cat nap – a bit of a long cat nap! - out of their eyes; now the real work begins as we heal this planet and it is in the twinkling of an eye that we take centre stage with the wisdom of the ages and how we restore this planet to its pristine beauty even though we are watching the most intense of times and the way they are messing with Gaia / Vywamus: yet we [galactics] are here, there and everywhere and nowhere at all.
  - they are spraying the aerosols into the atmosphere to detect the [galactic] craft in the air; they want to muddy the waters and it is that they are muddying the waters of this story here about the changing of the guard in this moment.
  - They hold no power in this moment; it is an illusion for this time
- what she can say is all we are watching is an illusionary story, how we do this in such a magnificent way of changing this is the revealing of All That Is in each moment.
    - Let us praise, respect, thank and love the feelings of all this is coming up in the moment.
    - It is a magnificent time to be here, and the most intense of times – a challenge to be in a body and at the same time to be, shall we say - how we do this with dignity and respect and keeping these temples of the living god intact:
      - it is such a moment that, as we are watching everything coming about, they want to create the distractions with the aerosols sprays and the confusion of the mind from the heart.
      - One second in each moment is how many eons of time: nano seconds of just changing, as each time an in breath, out breath: how this comes about is remembering who and what we are for each moment;
      - It is very much a challenge to be in these temples and work with the frequencies as they increase in magnitude each nano second. It is in these times what they have created is this illusion of mastery over the planet; it is just an illusion, as it were.
- Yet so many are waking up – magnificent to behold! How this gets brought into physical manifestation as circles increase, circles within circles within circles – it is this Flower of Life that is the sacred technology of how the 12 strands of DNA become 144,000 x 10 hundred thousand X 10 hundred thousand each moment
    - All of what is happening for each being here in the circles within circles is accessing our divine nature and All That Is – let us remember this because it is the technology of soul matrix.
    - Yet from each moment to each moment, it is eons of time – space, space/ time that comes about and everything in between is a bit of a distraction to take us from this path of Oneness.
- It is imperative that we meditate every single day and work with the energies which are pouring at this time; how it is so magnificent to behold is the cosmic dance being asked of us, to be in these moments and to remember who we are.
    - Yet it is the intensity of the times of what's transpiring of these ones who wish to create the distractions of each moment that we lose our paths and, at the same time, let us remember it is just illusions; that is all that is going on. It is quite a cosmic dance!
    - How we best do this with love is the order of the day.
    - Each nano second is an eternity and, in the same moment, it is just the twinkling of an eye!
- What she can say about the present time of what is transpiring is this mass illusion of the energies of this hour game our wayward children are playing with all of humanity, and they are failing by the nano second.
    - It is in each moment to send even more love to these stories so that it can come about for each one of us to remember the cosmic dance of who we are; this is such a challenge for each one of us to remember this. It is why she keeps saying to meditate each day and to remember how this is done with love.

- The thing that is going on here is, in these moments, about this frequency of intensity that is the illusion of what they have brought about ; it is, each moment, to send more love to all of the situations going on. Each moment is that eternity.
  - Mo was talking about these ones who have played the games of Illusions; it is over, they are getting exposed, and the intensity is increasing by the magnitude!

**T:** has been talking to some: it is more than can be stomached, the energy

- In Venezuela, a girl was killed; people in the streets
  - it appears that the Caracas group is winning - the man who was leading has been sitting in jail for 2 years – yet that group is the middle class who are angry with Madura
  - the US CIA are doing the influencing down there
  - Jeb Bush spent about 10 years living down there where he met his wife, organizing the drug cartel and getting it through Guatamal, Honduras and into the US
  - He was the guy who threw 90,000 votes of the black people [of Florida] into the ocean to get his brother made president
- Even at this level, we are still kind of in disbelief that Hitler is still alive! We should know by now that suicide is never suicide!

**Mo:** What is happening is this mass illusion; yes! Yes, she is complete.

**T** asks if there is more advice for us because it is going to get more intense before this is over.

- The exposure is going to be ever more ugly and to keep a balance while that happens - we know that there is a moving of many people from earth to other planetary systems and this can lighten things up, and give more opportunity for those remaining to help others because the most dense of vibrations is -- It only takes a small group to save the world , and it only takes a small group to make things worse – what is the progress here?

**Mo: we have crossed that threshold and in this moment, we have won,**

- yet they wish us not to see this on any level, they wish us to take things as they are and fade into oblivion. This is where they are with their energies: they are already in the midst of entering the Dark Rift – **IT IS OVER.**

**T:** any closing thoughts?

**Mo:** simply remember the frequencies of all that we are in this moment, of remembering the Cosmic Dance.  
**Love is the answer.**

- Greetings in the Light of the Most Radiant One. Kadoish, kadoish, kadoish, Adonai . . . .

**T:** The awesomeness of the movements of our timeline into a new one, and taking the steps to have it fully in our DNA is something to contemplate; listening to Nassim is a good way to think of possibilities and probabilities

**R:** was at the Fortress of Solitude at the North Pole, working with the crystals and the energies, sending love to the situations at hand

- the **galactics are helping to reverse the jet stream**

**T:** it's getting worse on the planet and it could be a lot worse – the cold in NM is bone chilling

In this episode of the Keiser Report, Max Keiser and Stacy Herbert discuss the impossible demand from the Greek voters that both austerity ends and that they remain in the euro as currently arranged. They also look at a parallel "future-tax" crypto currency as a possible answer to Greece's problems. In the second half, Max interviews Liam Halligan, editor-at-large at BNE.eu and columnist at the Telegraph, about the latest on the unpayable debt crisis in Greece. Liam suggests a Grexit will happen but that Greece won't be the first European nation to leave the euro.

## INFORMATION RELATED TO THE NOTES

**This information is taken from Saturday, Feb 28<sup>th</sup> notes; it adds further information to what was discussed on Friday, Feb 27<sup>th</sup>, and includes more info from Tara on March 1<sup>st</sup>.**

**Caller1:** going back to information from Friday night's call: why Kahotep would be dejected because Isis and Osiris left the planet?

- Kahotep was brought to Egypt at the same Osiris picked up Isis when she was 12 – 13;
    - She was born into a family of Australian aboriginal people who know they are part of the Ashtar Command;
    - T & R learned much about this when they went to a 4 Day event which included Gerry Bostock, a shaman aboriginal; everyone at the meeting had the opportunity to meet him and other speakers
    - T & R walked into together, and he said “You are not from here.”
    - They learned that the aboriginals knew they were part of the Ashtar Command; Isis was too, and because she wanted to help, she came to earth and incarnated via the Australian Aboriginals
  - In Egypt: parenting was complete around the time the child was 7; between the age of 12/13, the child was assigned a chaperone. The child could choose a destination for travelling, learning, mentoring and anything else the child wished to investigate; the chaperone hung out with the child, taking notes about all facets of the child's being, understanding, habits, interests, abilities, etc; at the end of the year, an apprentice program was created, and the child was apprenticed until age 50, at which time the real work began.
  - After Atlantis, some of the people lived for a long time; others succumbed to the material side and thus had a shorter life span as they failed to follow the path of higher choices.  
T tells the story about how she & R brought a shaman – a Native American grandmother called Jane - and took her to their place: she did all kinds of shamanic healing
    - Keem Calfone was the presenter at the conference they attended: he talked with T & R & others; at one point they sat in a circle, went into an altered state and were in Egypt;
    - the grandmother shaman they knew came in and got after him because he was getting involved in hedge funds: he was totally astounded! She remembered him in her Akashic records, including his misdeeds as a Pharaoh, after the time of Aknautun, and close to the end of Pharaonic times.
  - Osiris came to earth and beamed Isis up when she turned 13: they reigned in Egypt in the 5<sup>th</sup> dimension for 600 years, and did their best to keep people in that dimension/ on the higher path
    - At the same time he beamed Isis up, they went to what is now Siberia and picked up Kahotep who was living as a barbarian in that area. The physical conditions all across the planet at the time were the result of the destruction of the great crystal in Atlantis: radiation poisoning, cannibalism, barrenness, no or little food - like what is happening to the Iraqis.
      - The people who survived Atlantis were blasted back to the cromagnon state, from a previously much higher estate.
    - En route to Egypt, O & I beamed him up, too & took him to Egypt where he spent 600 years with them; he the School of the Left and Right Eye of Horus, learning about the giving and receiving of love
  - **[Insert:** Horus was the first born child of Isis and Osiris; she created him out of her Self, using the heart chakra, the throat chakra and the 3<sup>rd</sup> eye to create a fully functional being.
    - Seth was not their child, but the child of Osiris and Nephtues [Nephtis], sister of Isis; the manifestation of Seth was similar to what happened at the time of Jesus.
- [Info from Friday night]**
- Kahotep became an advanced scientist / doctor / teacher as he had been in Atlantis
    - he spent 600 years in service to the teachings of Isis and Osiris and loved them totally
    - Eventually, O & I moved on as those they had been helping were able to stand on their own 2 feet

- Kahotep got bitter, angry: we have all been there, too, participating in breaking things up and learning that, when we break things, we have to put them together again.
- Humpty Dumpty Kahotep – raging, feeling abandoned – he was not really abandoned; we all have to learn the process of picking up the gauntlet and passing it on
  - He created the origins of the obscene rite; he went out at midnight and saw a shepherd tending sheep – used his medical knowledge to kill the kid by taking out the pineal gland
  - His frequency dropped over the length of the 600 years, as more and more negativity was growing in Egypt; as a result, he reverted to the state he was in at the end of the Atlantean period.

- [ • **Insert:** Basically Hillary Clinton had the obscene rite going on in the White house.
- There were a lot of parties – sex parties – going on there and in DC: George Green talks about this: had children from orphanages sent in, Gonzales the then A G was involved, bringing kids from the Marriott Hotel – they had sex with kids, with each other, with animals, and then they had the kids killed and dumped in the river. ]

**Question:** how come Kahotep was still alive not so long ago? Who took him out?

[He was alive when Hitler went to South America and went into the Satonian bases where Kahotep was living – **info from Friday night**]

- Kahotep had become a little barbaric, therefore he would not be allowed to ascend, nor could he.
- he knew from the teachings that he could not ascend so, from 12,000 years in the past to the present time, he kept himself alive via the obscene rite, practiced every 50 years.
- As for his ending: it was not “who” but “what”: they think the energies that were being raised in the 1930s caused him to combust in the heart – that was the end.  
[The 1930s were the time of the Ballards and the I AM teachings]

**Question:** Further clarity about Jesus

- Jesus, born of Mary, was a template, He was the 6<sup>th</sup> incarnation and initiation of the soul of Sananda Kumara and volunteered to come to earth and demonstrate what it would look like to end polarity in one lifetime and bring in an ascension process which would end polarity for all of us
- We were created in the 12<sup>th</sup> dimension with and by Mother; we were to descend to the 5<sup>th</sup> dimension and, as events transpired, we fell to the 3<sup>rd</sup> as the original Divine plan was corrupted even more!
- By the 3<sup>rd</sup> dimension, we were in polarity consciousness, having left unity consciousness of the 5<sup>th</sup> dimension so, in order to heal the shadow side of Jehovah, created by Alcyone so we could experience polarity, Jesus incarnated as the original soul of Jehovah, the dark god of the old testament: the one who said to Abraham “Go kill your son”; as he raised his arm to do so, AA Raphael said “we’re not going to do this!” and stopped his hand
- Venus [Goddess of Love, also love manifested as the Kumaras from Venus] showed up:
  - you cannot kill an ideology or bombard it out of existence, something we see being tried again & again in the Middle East
  - Abraham, Isaac and Jacob used sound frequencies in the Battle of Jericho; R says it could have been the Arc of the Covenant they used to do this; this has been said in esoteric teachings. [Abraham, Isaac and Jacob still had some of their higher abilities & awareness]
  - the story of Jacob's ladder is related: the 7 steps to heaven: the esoteric teaching talks of the 7 rays, the 7 basic chakras and what they are for: to use sound, colour and vibration

**Sunday, Mar 1<sup>st</sup>:** the “shadow side of Jehovah” is a way of saying we needed to have a dark side – the opposite of light and unity consciousness – in order to experience polarity.

- **THIS IS NOT ABOUT EVIL: “evil” and “dark” ARE NOT THE SAME THINGS**
- The opposites are “light and dark”, “day and night”; “dark” and “night” are not evil but simply

the opposites of “light” and “day”

- **EVIL IS A THIRD THING**, an action out of its time / space continuum, the manipulation of creation to cause harm. As we have been learning, the actions of the reptilian invaders are evil because they are using their 4<sup>th</sup> or 5<sup>th</sup> dimensional abilities in the 3<sup>rd</sup> dimension to create havoc and prevent us, in every way possible, from re-discovering and using our abilities to experience unity consciousness and return to our former estate.
- So Jesus incarnated to show us how to move beyond polarity back to unity consciousness, by means of the Law of Love, His teachings, the Gnostic teachings, were banned by Constantine at the Council of Nicea as heresy; the New Testament does not represent the true teachings
