

**Operation Wake Up Call**  
**Script 1.1**

How's it going?  
(shake hands if possible)

I'm \_\_\_\_\_ , I'm not selling anything and I'm not collecting for anything, I just wanted to meet my neighbors. Say do you know much about Jesus?

<yes>	<no>	<I'm a Baptist etc.>	<I'm not interested>
Great. I bet I can tell you three things about Jesus you didn't know.	You know people talk a lot about Jesus but I bet I can tell you three things about Jesus you didn't know.	[A] Do you consider yourself a religious man?  <no> skip to [B] <yes> skip to [C]	I'm not selling anything and I'm not collecting for anything, I just wanted to meet my neighbors. <Skip to [B]>

1. Jesus real name actually was “Yeshua” which in Hebrew means “salvation” (Mt. 1:21). “Jesus” is a modern English pronunciation of the Greek translations of his name.

2. Yeshua was not born on December 25<sup>th</sup>, in fact he was actually born in the fall, during the Jewish festival of Tabernacles.

3. Yeshua was a Jew. Yeshua did not actually come to create a new religion but to be the Jewish Messiah. In fact his original followers were a sect of Judaism called “Nazarenes”.

[B] Say do you have a Bible?

<no> That's fine I brought mine.

Say if we could sit down together I would love to show you some more things in the Scriptures that would blow your mind.

<yes> Start Study One [end script]

<no time> I understand, I really would like to show you some things that are really important. When would be a better time we could get together? [end script]

<I'm a Baptists, etc> Go to [A]

<I'm not interested> I'm not selling anything and I'm not collecting for anything, I'm just looking for fellow truth-seekers.

[C] Its great that you're a fellow truth-seeker. As a truth-seeker myself, I would love to learn more about your faith. I want my beliefs to be big enough to include all the facts, open enough to be tested and flexible enough to change. Perhaps we could sit down and share, I'm always interested in truth.
