### HARD NEWS

**T:** biggest news: fact that right now what is being ignored: **our biggest dilemma is CLIMATE DISRUPTION!** All the Black Ops are distractions from that story

- shooting in Pakistan: 2 policemen killed; numerous wounded; killers said to be ISIL which is a Black Op
  - Pakistan: pre-creating places in the morque & other burial sites for people who will die from excessive heat in this summer!!
- 3 years ago: in Dubai it was 364\* for one day; then went down to 340\*
- have had three major 1000 year storms – storms that are to happen once in 1000 years – SC, TX, WV!!!

**R:** Climate change is a HUGE deal!

- There's a lot happening as energies get higher and higher all the way up to 12D
- We CAN have heaven on earth – already happening in certain places
- Has been hearing more from the fairies, elves, gnomes, dwarves etc – NO NUKES!
- What is happening with the planet has to do with THE SUN IS absent of sun spots: Go to [spaceweather.com](http://spaceweather.com) for explanation
  - hints of a mini ice age beginning: does not know what that means: our entire solar system is spirally closer and closer to the centre of the Milky Way Galaxy – we are moving into places in the galaxy that we have never been in before – THIS IS HUGE!
- there are [galactic ] beings who want to meet and greet us & not grope us or take our brains! ; it is sad that a large group of folks are perpetrating the absolute lies that have to do with a small group of ET s, our brothers and sisters who have turned to the dark side: These lies are now being exposed
- Hillary, Panetta and others connected with the Rockefellers: if you get into bed with them, some one will end up with a dead horse in the bed, like the dead horse's head was put in Bush Jr's bed – the result of playing with the mafia, which is a reality that has to do with the fake chair of Peter
  - And Peter was another piece of work during the time of Sananda/Jeshu
- R is hearing from every kingdom AND the White Knights: the lifeforms, the 13 families, are slitting each other's throats
  - Mike Pence – another dirty politician with lots of blood on his hands, is another suggestion for Trump's VP – including Newt Gingrich!

**R spoke to the Poppy Lady via satellite phone** – she hooked Rama up with Randi Rhodes so RR Could talk on an encrypted line - she'll be back 4-6 tomorrow on her regular radio spot: she's been behind the scenes working with Sanders, Winfrey, Michelle Obama and E Warren - they have been working together since the 1<sup>st</sup> inauguration day of BO – meeting in Costa Rica and planning this particular elections / moves for this time

- in 2006, Bush Jr, on behalf of the Bush Clinton crime family, delcared immunity for the Bush / Clinton crime family who did 9/11 for 10 years all the way to the election
- on July 4, there is talk of an announcement re Paul Ryan being named President

according to Faction 2ers

**R: this is the bad acid, folks!!!** More and more and more coming out that this is a galactic story  
There are life forms are called skin walkers by the native americans – they take form /  
shape; some are non-corporate entities that feed on plasma energies like the sun

**T:** In yesterday's talk by Michael King, these things [skin walkers] are considered not real.

- there are different shields of protection on the psyche to be able to open up to the possibility of these things being true. At the same time, those of us who have the skill / have worked to such a state that we have looked at our fears deeper than ever before and have opened up these doorways that those things are not so scary that seeing them would kill us.
- this is why the galactics have taken charge: these reptilians ARE REALLY REPTILIANS – they are not safe.
- Also the story that goes with this has been so covered up that there will be many folks who just cannot cross that threshold; Mother has said that many folks will be moved to other time space continuums without the blink of an eye & will wake up and continue on as is
- the reptilian invaders are contemplating using thermo nuclear weapons: THIS IS NOT A JOKE. It is a violation of the Prime Directive: this group knows how to shapeshift, do the obscene rite, clone and so on – that is why the Wingmakers are here: an interventive force that works in love and protect the human race and does not commence with allowing the destruction of the entire human race – back to climate change!

• we are well into the 6<sup>th</sup> extinction – important to realise.

**R:** Randi Rhodes is back on her regular radio sched, 4 6- ET! She has such a story to tell us

- She was taken to court by the Defence Dep't by Rumsfeld; he & the rest of the gang ran off with the \$8.8T : she started to investigate the \$8.8 trillion that disappeared from the Pentagon –
- This goes into the story of the city of Baghdad, the Gates of Ishtar – a huge story about Enki and Enlil & the Annunaki & Babylon and the story in the old testament and Nimrod, space cities, instantaneous transportation devices – this is all coming back now
- Yet we won't have the consciousness of the Sons of Belial who broke away from the Law of One: this has to do with Alcyone and Mother
- All these technologies and the crystal energy are coming back
- there has to be disclosure and lots of explaining which will come from those who witnessed these things
- Randi Rhodes is one of the witnesses – she told Rama the story of the Gates of Ishtar – & Baghada, the story of Star gate and the pyramids and the g'auld that live inside human bodies - all the stories she mentioned were shown in Star Gate SG1 etc – all real

**T:** there has to be lots of stories that we have to listen to have enough awareness of what they are being held accountable for

- The Clinton Chronicles: the Bill Clinton Murders – far beyond anything we have heard before
- the hillary clinton story: the clinton crime family; hillary clinton – a career criminal
- this kind of thing would not be on the net for us to listen to if it were not D DAY!!!  
We are really moving over the biggest hump we have ever had in our civilization

• THIS IS ALSO INTERVENTION: AND WE DO NOT HAVE MUCH KARMA TO TAKE CARE OF

- The **intervention represents the end of karma:** we only have to get to 50% and the galactics will meet us
- those who can't or won't due to belief systems – will be moved to other time space
- those guilty of high economic treason, murderers, and eveything else – they will be permanently removed.

- Every time he goes to Department of Environment at the University to see Rana Mu, he has lots of experiences! They use all kinds of warp fields, merkaba vehicles . . .
- **Great Britain** - Boris Johnson decided not to stand for Prime Minister in Great Britain
  - Justice Minister Michael Gove – a naughty one: laid out his pitch to become P M – in a surprise move, Gove backtracked and Johnson withdrew from the race and the plan to become PM
    - Gove has been accused of knifing Boris in the back – saga continues: all a diversion, all Black Ops!!

**Audio: Michael Mann with Thom Hartman**

**June 28, 2016 BEST OF THE REST: Michael Mann on Extreme Heat - Dr. Michael Mann, [Earth System Science Center-Penn State University](#) / [Dire Predictions: Understanding Climate Change \(2nd edition\)](#)**

**Heat Dome:** area of high pressure – often have some of the highest temps too

**CONFERENCE CALL**

**From Virginia:** about the pipeline – a rally and march on gov's mansion on July 23<sup>rd</sup> – in Richmond - going to try and get Thom Hartmann to announce to the nation what is happening

**T:** get someone who is very articulate and have that person call Thom up during the call-in segment and tell him what is going on. Could also call the off-air phone number and ask the ones who man the phones, the technology coordinators – might be possible to get on a guest spot.

**Caller:** tired of living without much money!

**T:** you're not alone: this is a global situation. The Brexit results were not a mistake: it's a war!

- There are British Rothschilds, French Rs and German Rs– the German Rs were not happy over the British Rs actions so within 2 days, they stole 3.5 Trillion dollars out of the world market!!

**Caller:** people are dying because of this

**T:** that is their intention – to reduce the human population to 2%

- has found out that between 1980 and now have already murdered over 2 billion people
- same with Exxon – knew what was going on and ignored the scientists because there was a war going on between sections of the family
- Lady Di was born same year as Barack Obama: July 1, 1961 – 55 years ago; Barack will be 55 on July 4<sup>th</sup>!!! he has almost white hair! It's more than just stress: has the devil called HRC beside him all the time, trying to kill the whole family!
  - Have a CD from a friend in Santa Fe – a song about a little dragon who wanted what he wanted when he wanted it. And the reptilians are just that
    - when we listen to what Penny sent in: required listening – about the Clintons

**Caller:** website is up now – wants to get George Noory's attention about the project too

- plan is to drop stuff in the water to de-acidify it.

**T:** there are 3.6 trillion trees on the planet at the moment; the bad news is that they reduced 6 trillion trees down to 3.6 trillion trees in 2 decades.

**Caller:** hickory grows in 50 years – the land was stripped of its trees – butchered!

- Wants to get hickory saplings going in the harvested areas

**T:** they are very happy when they piss someone off: **IMPORTANT TO REMAIN NEUTRAL**

- use the process used with PTSD vets – praise, respect, thank and love ALL the feelings
- Yes, ho ho ponon pono I am sorry; please forgive me; thank you, and I love you.

- **The PRTL Process [praise, respect, thank and love] is a slightly different angle: the reason is that all the feelings are a gift as we remain neutral and take a good look at them**

- over 500 years, millions of the native Americans were slaughtered by the RC Church

**Caller:** someone told him that the Shanandoah Valley is a glyph representing Quetzalcoatl [or something] - tied in with the Hopis who have some knowledge of what is happening in his area and are aware of caller and his work,

- The lay of the land represents Quetzalcoatl
- Also said the sasquatch energy is strong too

**RB:** do they call to you?

**Caller:** there were 3 of them in the corn – making animal noises

**P:** to send Philip and RB the channeling about Sasquatch

**Caller:** he hugged a sasquatch in MN and it was a loving being.

**T:** tells the story of Rama and his girlfriend who lived in a teepee for 2 weeks in very very cold weather – had a wood burning stove with the chimney that went through the smoke hole

- the big foot people came and were around the outside of the teepee –
- they looked in at the 2 of them Rama put out the thought that they were cold and got the thought back that things would be OK tomorrow. And the next day, Rama got an invite to go to a ski lodge!
- The big foot people stood guard to make sure they did not freeze to death.

**Caller:** the one he saw was big and was in a 4<sup>th</sup> dimensional body – 8' tall and 3' wide – a gentle loving being.

**T:** human beings with loving souls – being hunted and slaughtered like animals

- Let them know that you were anxious and insecure, that you are glad they are there.

**Caller:** maybe they could help get Monsanto off the land

**Caller 2:** Just calling in to say HI – lots of inner work going on – laying low a bit!

**T:** no burgers! Can get what you need from fresh veggies! Just make sure there is no soy in veggie burgers – not fit for human consumption

**Ross:** about neutrality: I am another yourself: think about that – they are just another bit of you

- learned something more about neutrality from Michael King

**Caller 3:** asks about the meeting between Lynch and Clinton

- the man Lionel knows a lot about the Vatican – the newscasters are full of it – he said Clinton does nothing by accident: he is very sly!

- she stepped away from the case because it is a criminal act for her to speak to him as he will be a witness -

**T:** She stepped aside and said she would leave it all to the FBI - which is worse – we need need galactic help!

- The news next day implicated her for doing what she did to talk to him -

**C4:** what kind of choice did she have – a former president getting on her plane?

**T:** her only choice is to step down because she could be put in prison for doing this

- she's already in the position – was read the riot act in NYC about not taking on the banks
- the FBI is dirtier than dirt, too!

**C2:** he chose to get to her in broad daylight and all cameras would be aware that they met

**COR:** want to make her null and void

**T:** what he did was sneaky – hiding in plain sight

**Ross:** Loretta Lynch promises to accept recommendations re Hillary

**T:** remain neutral & see what comes out of this

**T:** the thing that is good about this is that all the details etc are on the internet and they don't get

away with this any more

**R:** and they are trying to target the White Knights – which means they think they are out of options – it's the end game

**T:** Meaning: that they are targeting the WK – now they have put out a bulletin, an edict, to kill every WK on the planet; that they think they can get away with it with their reverse engineering game is a joke!

- it still jeopardizes the WK which is why the light sabres have been brought into the game

- There are 20 million White Knights in the Ashtar Command; 4 million were born here on earth and now have light sabres; the 16 million not from Earth have always had light sabres;

- Rana Mu was not born and grown up here: at 4'11" tall, works in Dept of Energy with warp drives & all kinds of energy: &more people like her [Wingmakers] are also here

- the Faction 3 ground crew born and raised on earth are the link – they don't get to kill people willy nilly: have to go through A A Michael who controls those weapons

**Ross:** same goes for those issued with phasers?

**Rama: Breaking News:** Hillary Clinton to support Bernie Sanders after receiving FBI indictment

- she is to be indicted before July 25<sup>th</sup> – the day super delegates vote

- does it say E Warren and B Sanders will be running mates?

**Rainbird: Leonard Peltier has been granted clemency by Obama - June 26<sup>th</sup> – GOOD NEWS - All the callers are jubilant!**

**COR:** adds some more detail – LP requested clemency, but has not yet seen the circumstances under which Obama did the act.

## **BBS RADIO – MOTHER & ALCYONE [M / A]**

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the

### **Greetings Children of Ra!**

Indeed! Such an adventure that is transpiring at this time: very magical time, wonderful moment to be in a body! And we may say she is so crazy: it's not funny to say this: yet we are the ones who said "Goddess, give us an adventure about creation in all its forms!"

- Here we are: co-creators of this story – all is coming full circle to continue the rest of the story which is about what they say between 50 and let's say 10,000 - we get the other half of our Jedi training.

- It is in this time that magic and miracles are one and the same.

- What we might call them that they have a magic – it is that they have **wisdom** that is being brought forth in a way in which it has not been downloaded into the present bio-circuitry of the DNA life forms.

- The rest of the story is about the mitochondria, the force, the feminine, the jaguar path – the naqual where anything, everything comes up that we may have deeply buried, put aside in memory – now coming up to be healed

- there's an ancient ancient story that reflects what is transpiring on the planet at this time – this is why all the kingdoms are coming forth and saying "We are here; we are real; we interact with you, interface with you. We have wisdom that you may have forgotten about or haven't discovered yet, yet it has always been there."

- The wisdom is that we are all sons and daughters of the Most High and, as we fully grok what it is like to become a sun; as we take on that role, as it were, we understand, inner stand, the wisdom capability, responsibility of what it is to be a physicalsun.

- We came from that dimension and we are returning – it may not even comprehend in our consciousness – may sound like a wicked pipe dream: yet it is not fantasy; it is absolutely what is taking place.
  - The crystal kingdom is part of this story; these are the final preparations being put in place as Patti Cota Robles says for what is already coming to pass with the past eclipses, the frequencies moving in in
  - Not a game: she [Mother] is the real deal here, and the abilities that we have been born with are already kicking in, giving us the impetus, the extra messages about knowing how to be in 2 places or 4 or 6 places at once.
    - As she keeps sharing through the various kingdoms that this one [Rama] has spoken with most recently - she will reiterate what Captain Ashtar has said: **NO NUKES!**
    - Her wayward children are playing a dangerous, brinkmanship game: goes back to the ancient story - Gilgamesh and Inkeydo; Darmak & Gilad on the ocean;
    - other lifeforms like Gilgamesh & Inkeydo - only in other parts of the galaxy they are called Darmak and Gilad which are the same two because various cultures had different names for the archetypal beings known throughout this this galaxy.
  - Had to do with the great adventure when we said [to Mother] Teach us how to create and how to bring love into form. We went on the adventure and found that our own companions may have stabbed us in the back because they had ulterior motives - the sons of Balial went against the Sons of the Law of One.
    - Part of this story is told in the story of Atlantis where it broke off; as things got a little wonky and the dark side used the crystals for mis-creation and mind control: if they did not like the work you did in the mines or in the slave labour camps, they would send a beam through the crystal to incinerate you.
    - There is a very ugly time that happened in our ancient history; is is all being brought up for healing; this is why all the wisdom is coming up now, all the untold stories of how magnificent we were **and still are** – as the energies move up in octave and frequency and magnitude, the stories will come more clear to us, to our selves, our particles, our DNA. This is why all the magical, mystical, fantastic stories are coming forth now – to wake us up to our abilities in this moment of who and what we are.
  - Yes, we've got Lex Luther and his gang running amuck; the Justice League is already being formed, and it is us, folks – it is about how we use our abilities with love and compassion and wisdom
    - in this moment, she can tell us with great certainty: there are council meetings, council fires many masters, teachers, ET brothers and sisters sitting around virtual campfires like this one, talking about how we get this story completed.
    - They [M/A & co] are visitors from our future which is their past; we get it done, **we get NESARA ANNOUNCED and it completes the circle**, but she will not tell us how we did it except that this is the sacred hour that it gets done; it is not by any one of us, but by all of us – it is about sharing the wisdom of what's happening, like the big bang that is happening in each of our cells
  - Randi Rhodes had a transfiguration in her absence – maybe she will tell us more
- T:** Lee Camp now has two shows – maybe she will show up on his show where he has a guest – they need to look up his guest list
- this is a main vein for getting some real truth out. She loves what Trevor Noah does but he is still limited.
- M/A:** He cannot be like our friend [Jon Stewart]
- He's pretty darn good even if he is not Jon Stewart who said he [Jon] realized how much darker it really was when he got off the show. He got Judith Miller between the eyes for treason – on screen. And that's not the only one.

- Steve Colbert is also good – on CBS – he is twisting their cranks!

**M/A:** He was talking about the media constantly playing the video of the shooting; he said why are we watching fear porn, folks? M goes a step further by saying that we need to do the meditations and we need to be sending the violet fire into these situations.

**T & M/A** repeat a mantra; Mother says of the sound vibration of mantras like this moves space time and that is why Krishna could stop Arjuna and the wars. Yet they did use a few nasty objects like in Star Wars: we don't need to go there, as we are already there: it is already happening!!

- Mother is here to say **NOW IT ENDS!** All she is saying is give peace a change: it begins with us.
  - The wisdom being shared by Bernie and others: the simple truth – how can you steer the ship of state when it is corrupt from within its core; gotta change it from the bottom up, not top down – no trickle down to anything!
  - the only thing that is trickling down will be the oceans of blood and it is with their own hand - they are creating their own oceans of blood for their own demise – it may look that way right now with the horrendous acts going on
- It may look like that now for the small group of life forms forgot it was an adventure and that the holodeck program was not real; things happen within the holodeck program and people can lose their lifeforms there – yet it is the cosmic day we chose to participate in, right up to the crown chakra and then some
- She brings this up because all the stories coming forth are about the healing – the whole process as miraculous as it sounds: it is happening at a very exponential level:
  - has never been more since the time of Atlantis - such a forthcoming of the ancient wisdoms of how we live, move and have our being within the Office of the Christ. And at the same time, also included are all the old ways that represent Father Sky, Mother Earth and the 5 elements including the 5<sup>th</sup> – the ether: As Bruce Willis was saying at the end of the movie: it's about love: I love you!

**T:** I love you too Mother

**M/A:** How we go home – the only way we get there: her wayward children who forgot or they made the conscious choice to say we will not embrace love. Therefore it is what it is in the moment. Love the feelings that are coming up at this time, and experience the joy that we are in - we are in such a magical moment now to be in a physical form and be alive and see the physicality coming forth in such a wonderful way.

- King Zoroaster is back, along with many other of the ascended Brotherhoods, Sisterhoods, Lord Melchior, the 4 wise ment – all are back to talk about how we heal things; the stories about LM Zena and her friend Gabriele and the wisdom about the sun sword, the light sword, saber – all the magical mystical stories
  - No accident that Rama went again to see the Oracle of Delphi; all the ancient, sacred sites are fully activated, coming back into our midst, in this time; as you go to Mt Mega in Arkansas, get ready to go on a psychedelic trip that you've never been on – that crystal mountain there – all the sites are activated – we are in for a royal ride to heaven.
  - Yet we have to do it - we are the Ones. Like Neo said z'I am the one, I will do it"
- in this sacred hour, they are showing up to answer the clarion call that has gone forth
    - read Patti Cota Robles message: this is the time they show up with us **[SEE BELOW]**
    - She likes her asparagus with lemon: pass the talking stick!
    - For the moment she is saying she will entertain us with asparagus, not antelope!

**T:** Rama said he got a tweet today from Bill Maher who said he was going to challenge Gary Johnson and his libertarian stance which is not too nice: wants to end all the social security and the social programs for children – day care, SNAP,

**M/A:** there is a clinic in Santa Fe – used to be free clinics like in the 60s, in San Fran – could go there and get help

- Gary J would make it for profit – or leave it to the churches – the fake chair of Peter!
- Admiral Sananda showed him [Peter] what it was about – compassion.

**T:** This is a kind of metaphor for what is going on here

**M/A:** how can you look at the fingers of Lord Soran going across the planet spreading radiation poison like there's no tomorrow!

**T:** Diablo Canyon nuclear plant is being shut down – has been leaking for decades

She is telling Gerry Brown to ask her!

**T:** he is also between a big rock and a hard place: putting the fracking water back into the aquifers

**T:** Michael Mann praised Chris Hayes for what he is exposing about climate disruption

**M/A:** The other part that has to be understood is that earth is moving into a closer orbit to the Pleiades, things getting a little strange in the neighbourhood

**T:** this is not being talked about at all!

**M/A:** sunspots gone for a while which means things getting a little colder around the poles – maybe the poles will be colder next winter

**T:** Some people will be glad to hear this:

Chris Hayes covered Barrow, AK – most northern city in the US – needs to be moved in from the shores as the ice is only 2 feet thick, not 20 feet thick as it used to be

- A man built his house a considerable distance from the shore / the ice – within a couple of years, he had to consider moving his house a mile inland
- the native person on the show said that in 2 days, the temps went from winter to summer – may 13<sup>th</sup> - this has never happened before. The winters are warmer and the summers getting even hotter. They are losing their place
- There are only 5000 people there but they have billions of dollars of infrastructure costs to order to move
- an ideal time to talk about spherical structures – don't need a foundation

**M/A:** Lord Metatron knows what to do

**T:** Yes, and Enoch [Uncle Ed] is somewhere on the ground around here

**M/A:** M leaves us with the wisdom of the ages – Barbara Lee knows how to speak from the throat chakra to get the voice of goddess heard; a very advanced soul – lucky to have her around.

- Greetings in the light of the most radiant one – kadoish, kadoish, kadoish -

**R:** has been to Mt Olympus – feeling the energies of Greece at this time – working with the return of the goddess energy to bring peace at this time

it's at sea level – maybe 2000' about sea level – was there in the 60s enroute to India

- and yes, he went to the Elysian Fields and saw the Parthenon and the Coliseum

**T:** Now they have refugee camps: pitch black on the water, and have to climb cliffs of about 2000' and when they get to the tent city, it is also pitch black!

- 1.4 billion people around the world have no electricity – the change is at hand!

### THIS IS THE FINAL STAGE OF PREPARATION

by Patricia Cota-Robles

[www.eraofpeace.org](http://www.eraofpeace.org)

2016 has been a year like no other. Day by day, we have been experiencing shifts of energy, vibration and consciousness beyond anything Humanity or Mother Earth have ever been able to withstand at a cellular level. These amazing accelerations were made possible through the invocations and the unified efforts of Awakening Humanity and the Company of Heaven. These efforts were greatly amplified by the Celestial events associated with the Equinox and Solstice, the Solar and Lunar Eclipse series, the Divine Intervention of Mother Mary and Saint Germain in May, the rare occurrence of five planets in retrograde position, and the myriad Activities of Light conducted by the millions of Lightworkers all over the world.

All of this preparation has been designed to strengthen Humanity and Mother Earth at a cellular level and to recalibrate our DNA structures so that we will be able to receive NEW patterns of perfection for the Earth. The Beings of Light have revealed that these patterns which will be encoded in Humanity's DNA are beyond anything we have been able to fathom with our finite minds.

The Beings of Light said that even the most Awakened Lightworker envisioning the patterns of perfection for the New Earth is mostly focusing on reversing the gross mutations we miscreated after our fall from Grace. For instance, people think Heaven on Earth would be the elimination of poverty, hunger, war, hatred, disease, aging, inclement weather conditions, greed, the abuse of power, and the elimination of every other form of pain and suffering.

All of that is important, but it does not even begin to scratch the surface of the Glorious patterns of Divine Love, Reverence for Life, and Oneness that are available on the New Earth. Nor does it begin to touch the limitless patterns of bliss, ecstasy, wonder and awe that are pulsating in the Causal Body of God. These are the patterns that will be flowing into the mental and emotional strata of Earth when the Portal for the Realms of Cause over Alaska is open to full breadth August 13-20, 2016. This facet of the Divine Plan will be victoriously accomplished **once we complete this final stage of preparation.**

### The Events of the June Solstice in 2016

With the influx of Light we were blessed with during the June 20-21, 2016 Solstice, the Earth and ALL Life evolving upon her reached a critical mass of 5<sup>th</sup>-Dimensional Crystalline Solar Light. This was an essential part of the unfolding Divine Plan that the Company of Heaven had been hoping Humanity would be able accomplish, so that we will succeed in opening the Portal for the Realms of Cause in August.

Humanity integrated these frequencies of 5<sup>th</sup>-Dimensional Crystalline Solar Light for several days. Then, on June 25<sup>th</sup> this incredible Light was projected through the powerful acupuncture point in the Crystal Grid System of Mother Earth located in Sedona, Arizona. The success of this event God Victoriously initiated the final stage of preparation for the events that will take place August 13-20, 2016.

During that monumental moment in Sedona, Arizona, the old Earth's fragmented and fear-based grid of separation and duality which was formed during Humanity's fall from Grace WAS

TRANSMUTED INTO LIGHT AND REPLACED WITH A NEW 5<sup>TH</sup>-DIMENSIONAL CRYSTALLINE GRID SYSTEM. This means that the patterns of separation and duality from the old Earth will no longer be empowered or sustained by that miscreated and mutated grid system.

### **Encoding the New Crystalline Grid System With Patterns of Perfection**

The Beings of Light said this 5<sup>th</sup> Dimensional Crystalline Grid System is a fluid field of unmanifest Divine Potential that Humanity can now encode with patterns for a NEW Life Path. Until we can reach into the frequencies of the Causal Body of God that will be released into the mental and emotional strata of Earth through the Portal in Alaska in August, the Beings of Light have given us a template to begin encoding the NEW Crystal Grid System. We are being asked to invoke these patterns according to our Heart's Call from now until the fulfillment of the Divine Plan in August, so that we can pave the way for much higher and more glorious patterns for Heaven on Earth.

This invocation has been given to Humanity by the Company of Heaven and it is stated in the first person so that each of us will experience it personally. However, simultaneously we are all serving as surrogates on behalf of every man, woman and child belonging to or serving the Earth at this time, because WE ARE ONE and there is no separation. We will invoke this Life Path through each person's I AM Presence in perfect alignment with his or her Divine Plan and the highest good of all concerned.

### **MANIFESTING MY PATH OF LIFE**

*I AM my I AM Presence, and I AM One with the I AM Presence of all Humanity. As One Breath, One Voice, One Heartbeat, and One Energy, Vibration and Consciousness of Pure Divine Love, I proceed.*

*As I invoke this Activity of Light for myself, I invoke it on behalf of every person on Earth in perfect alignment with his or her Divine Plan and the highest good for all concerned.*

During this Cosmic Moment on my Beloved Planet Earth, change is easily manifesting in my life through God's Divine Grace and Love. As each aspect of my life that needs changing now surfaces before me, I Love it FREE and Forgive myself for any perceived transgression of the Laws of Harmony and Balance.

I know I AM a Child of God, and I deserve to be Loved and Forgiven. As the changes take place, I AM experiencing a sense of inner calm, patience, and peace.

I AM my I AM Presence and I AM One with the I AM Presence of all Humanity. I AM One with this Infinite Intelligence within me. With the intervention of my I AM Presence, I AM *always* able to make correct choices.

I Love myself unconditionally, and I AM grateful for the opportunity to change, which I now accept with deep humility and gratitude.

The Divine Power to sustain these changes is continually flowing through my newly balanced Immortal Victorious Threefold Flame. From this moment forth, I individually and collectively choose to create a life of Oneness, Divine Love, Reverence for Life, Peace, Prosperity, Vibrant Health, and all that supports my Highest Good.

My I AM Presence has taken full dominion of this Activity of Light and now, as One, I affirm:

*I AM perpetually reflecting God's Divine Love, Wisdom and Power.  
I AM the Immaculate Concept of my full Divine Potential AS my I AM Presence.  
I AM able to transform every aspect of my life into the Infinite Perfection of Heaven on Earth.*

Now as I lift up in consciousness, I Ascend into the Realms of Illumined Truth. I pass over the *Bridge to Freedom* which is the highway of Light that connects Heaven and Earth. I enter the Pure Land of Boundless Splendor and Infinite Light which is the 5<sup>th</sup> Dimensional Crystalline frequencies of Solar Light associated with the New Earth.

*I AM ONE WITH GOD—I AM THAT I AM.*

The entire Company of Heaven is standing in readiness now, and I send forth a Clarion Call into the Universe, invoking my illumined brothers and sisters to come and help me in this moment of transformation. The Cosmic Tone of my Clarion Call reverberates through all dimensions, and the response comes from every corner of the Cosmos.

I see the luminous Presence of Legions of Divine Beings descending into the atmosphere of Earth. They take their strategic positions above the planet and begin forming a tremendous circle of Light as they stand shoulder to shoulder.

As One unified consciousness, One Holy Breath, One heartbeat, One energy and vibration of pure Divine Love, the Beings of Light breathe into their Heart Flames from the very Heart of God the most intensified frequencies of the *5<sup>th</sup> Dimensional Crystalline Solar Violet Flame of God's Infinite Perfection* that Humanity and the Earth are capable of withstanding at a cellular level.

Now, the Lightworkers on Earth prepare to be the open portal through which this Divine Gift of the Violet Flame will manifest in the world of form.

Through every person's I AM Presence, the Threefold Flame blazing in his or her heart begins to expand and expand until it envelops their physical, etheric, mental and emotional bodies. As One, we experience a beautiful Blue Flame blazing through our left brain hemisphere and the left side of our body. This is the Masculine Polarity of God pulsating with the Divine Will, Power, and Authority of our Father God's First Cause of Perfection.

Now as One, we experience a beautiful Pink Flame blazing through our right brain hemisphere and the right side of our body. This is the Feminine Polarity of God pulsating with the Divine Love, Adoration, and Reverence for Life of our Mother God, the Holy Spirit.

As brand NEW frequencies of the Masculine and Feminine Polarities of God are balanced within us, we experience rising up between these Sacred Flames the Yellow-Gold Flame which represents the Sons and Daughters of God pulsating with Christ Consciousness and the Divine Wisdom, Illumination, and Enlightenment of our I AM Presence. And as One we affirm:

*I AM now enveloped in my newly activated  
5<sup>th</sup> Dimensional Crystalline Solar Immortal Victorious Threefold Flame.  
Through this Sacred Fire, I AM the full expression of my I AM Presence here and now in the world  
of form.*

*I Now Affirm My Path of Life*

*I remember who I AM, and I Love and respect myself as a Beloved Child of God.*

*I AM enveloped in the invincible protection of God's Light and Love as I sojourn through ALL of my*

*Earthly experiences.*

*I AM manifesting perfection in my physical, etheric, mental and emotional bodies. I AM vibrantly healthy and eternally youthful.*

*Divine Love perpetually flows through my Heart Flame. I AM creating wonderful, Loving relationships in every aspect of my Life.*

*I AM fulfilling my Divine Purpose and reason for Being.*

*I AM financially and creatively rewarded in my job. Day by day, I AM open and receptive to the Infinite flow of God's Abundance. I AM financially FREE!*

*I AM reaching my highest Divine Potential in all of my experiences as a son or daughter, a woman or man, a wife or husband, a mother or father, a grandmother or grandfather, as a relative, a friend, a co-worker, a teacher, a way shower, a steward of the Earth, a Lightworker, and a co-creator of Heaven on Earth.*

*I AM an exponent of Divine Family Life, including my place in the Family of Humanity.*

*My Heart is the Open Door through which flows the Infinite Light of God's Divine Love, Eternal Peace, Abundance, Wisdom, Enlightenment, Illumination, Harmony, Balance, Happiness and Abounding Joy.*

*Through my thoughts, feelings, words, actions, memories and beliefs, I AM a living example of Divine Love, Truth, Integrity, Honesty, Tolerance, Acceptance and Reverence for ALL Life.*

*I communicate openly and honestly with every person I come in contact with.  
I AM a compassionate and thoughtful listener.*

*I continually ask for guidance from my I AM Presence and I receive information and viable solutions to the various situations surfacing in my Life.  
I also receive guidance that will assist me in fulfilling my Divine Plan.*

*I now realize through all levels of consciousness that I AM a powerful Instrument of God during this auspicious time on Earth.*

*I now invoke the 5<sup>th</sup> Dimensional Crystalline Solar Violet Flame of God's Infinite Perfection to transmute into Light every thought, feeling, word, action, memory or belief I have ever expressed in any time frame or dimension, both known and unknown, that would in any way prevent these patterns of perfection from manifesting in my Life.*

*I accept that My Path of Life is God Victoriously manifesting right here and right now, even as I Call.*

*I AM aware that I AM a multi dimensional Being, and that I abide simultaneously in both the Pure Land of Boundless Splendor and Infinite Light in the Heavenly Realms and the physical world of form on the New Earth.*

*My Life NOW reflects the Immaculate Concept of all that I have invoked this sacred and holy day.*

*With my every breath I AM continually an open portal for the full magnitude of the patterns of perfection I have called forth this day from the Core of Creation. These patterns are manifesting in my Life daily and hourly.*

Moment by moment the transformation into the perfection of the New Earth is occurring and these archetypes are manifesting in the lives of ALL Humanity. This is the order of the New Cosmic Day on Planet Earth.

Thank You, Beloved Father-Mother God! And so it is. I AM that I AM.
