Dear Parent/Carer

We are delighted to be able to tell you that, on Friday 1<sup>st</sup> December 2017, Stradbroke High School became a member of the Sapientia multi-academy trust.

The decision to join with Wymondham College and the other schools in the MAT was only taken by the governing body after very careful consideration; we had to ensure that it was the best thing for both the pupils and the staff of the school, both now and in the future.

It was this consideration and the legalities that followed, that delayed our joining; however this did not delay us starting to work with the staff of Sapientia. The relationships built, and support received, have confirmed to us that our decision was the correct one.

We truly believe that the partnership will provide both pupils and staff alike with opportunities that would not have existed otherwise, and we look forward to celebrating the successes that it may bring them all.

Thank you for your continuing support.

Yours sincerely

Mrs K Lynch  
Chair of Governors
