Director of World Evangelical Zionists

Joel Bell is the Director of the WEZ dept within the World Likud.

Seventeen years ago Hashem intervened in his life by the power of the Holy Spirit to serve Israel and the Jewish people by becoming a living example of the fulfilled Word of G-d. He and his wife moved to Israel to fulfill the call in 2003.

Prior to moving to Israel he traveled to Israel working together with G-d's covenant people serving the communities that are standing on the front lines in Northern Shomron and Judea.

He serves the Jewish people in the land of Israel teaching the covenants that G-d has with Abraham, Isaac and Jacob, and their descendents, and with those who have been grafted in to the commonwealth of Israel.

communities, beginning a new chapter in G-d's prophetic plan in the land of Israel.

“When we are lying our lives down at all cost and we’re living the Word of G-d, everything becomes so clear regarding what G-d is doing today and what is important and pleasing to Him.” Says Joel Bell, Director of WEZ, “G-d is so real to these people and to us simply because we hear the Word of G-d and we obey it - together, becoming pleasing to our Heavenly Father and receiving our eternal inheritance.”

“The most important thing to understand is that G-d is sovereign — we can only do what our Father tells us to do and we are available for His divine purpose to go forth in His name for His Glory. The call is going out to you who have been convinced by G-d to stand with us, through your prayers, finances and your presence here in the land of Israel. ”
