

Tel Aviv

The Tel Aviv-Jaffa area has the largest concentration of Jewish people in the world. This sprawling energetic city is in many ways the “gateway” to Israel.

Since the days when ancient Jaffa was Jerusalem’s main port and the materials for the First Temple were brought through here, this city has traditionally been the point of entry to the rest of the Land. Today, Tel Aviv is the financial, commercial, military and cultural center of Israel. Tel Aviv needs your prayers. The Harvest is ready.

Partner with us in prayer for the salvation of the people of Israel.

If you would like to help in the ministry of Dugit Outreach Centre, Adonai Roi Congregation or the Mizrachi family, tax-deductible contributions can be made through our non-profit organizations.

Ministering the love of Yeshua
in Tel Aviv-Jaffa

Avi & Chaya Mizrachi

Avi Mizrachi was born in Tel Aviv-Jaffa in a Jewish home.

After serving in the Israeli Air Force he decided to visit his sister in America. Avi was the typical young Jewish Israeli with dreams of traveling the world. He planned to explore America, visit Las Vegas and get rich, but the riches he found were of a more lasting kind! When his sister, who had come to faith in Yeshua, invited him to attend a service at her church, he decided to go out of curiosity. He was shocked by what he saw: people who loved God, loved Israel and loved the Jewish people. His heart was touched and he was provoked to jealousy. Later, alone in his room he gave his life to Yeshua and accepted him as Messiah and Lord. In the same year he also met and married his wife, Chaya and they returned to Israel together.

In 1985, God opened the door for them to study at Christ for the Nations Institute in Dallas, Texas and after completing their studies they returned to Israel in 1987. They have been in full-time ministry in Israel ever since.

Avi is a recognized leader in the land of Israel and an international conference speaker. It is his heart's desire to bring the Gospel to Israelis and to disciple them to become strong believers, rooted and grounded in the Word of God.

Chaya helps Avi with the ministries of Adonai Roi Congregation and Dugit Outreach Centre. She also raises their 3 girls that still live at home. Chaya is involved in the ProLife movement in Israel where she has given Post Abortion Syndrome Workshops that provide counseling and support to women who are suffering from the trauma that follows abortion.

Avi and Chaya have 4 daughters and 2 grandchildren.

Dugit

Dugit is an evangelistic outreach centre located in the heart of Tel Aviv. The word 'Dugit' means little fishing boat, like the ones used by the disciples on the Sea of Galilee. Dugit functions as a coffee house outreach centre where Israelis can drop in for a chat over a cup of coffee. It is a safe, friendly environment where they can hear about Yeshua the Messiah. Dugit is also a base for street outreach and a resource for evangelistic materials. Avi opened Dugit as an Outreach Centre in 1993.

Gospel Café

Gospel Café is an upbeat evening outreach at Dugit with live music. It provides a friendly environment for believers and unbelievers to meet, share and hear the Gospel through friendship evangelism. Along with this, Gospel Café creates an opportunity for musicians to share their faith through music.

Adonai Roi

Avi is Senior Pastor of '**Adonai Roi**' - A Messianic Jewish Hebrew speaking Congregation. 'Adonai Roi' is Hebrew for 'The Lord is my Shepherd'. 'Adonai Roi' was founded by Avi and Chaya in the summer of 1996 with a few people meeting in a private home. As the Lord added to their numbers, the small group grew and is now a vibrant congregation in central Tel Aviv. At this time, 'Adonai Roi' is meeting in a temporary location. The Lord has directed the leadership to look for a property to purchase that will serve as a Messianic Centre for the people of Tel Aviv-Jaffa.

Adonai Roi welcomes visitors from around the world. English translation is provided for those who do not speak Hebrew.

Adonai Roi is establishing '**Beit Rophenu**', a biblically based healing ministry where those who need the Healer's touch can come for spiritual, emotional and physical healing.

Agape

Adonai Roi reaches out to the poor and needy through the ministry of **Agape Distribution Center** - giving out food and clothing to the elderly, poor families and new immigrants.

My heart's desire and prayer to God for Israel is that they may be saved.
