Dugit is an evangelistic outreach centre located in the heart of Tel Aviv. The word '*Dugit*' means *little fishing boat* like the ones used by the disciples on the Sea of Galilee. Today, we are 'fishers of men' in the heart of Tel Aviv!

Dugit functions as a coffee house outreach centre, where Israelis can drop in for a chat over a free cup of coffee. It is a safe, friendly environment where they can hear about Yeshua the Messiah.

Dugit is also a base for street outreach and a resource for evangelistic materials.

Dugit opened as an outreach centre in 1993 and hundreds of Israelis have been exposed to the Gospel through this vital ministry.
