## AthensArt Annual Report 2012

Dearest Friends, In few days a very productive year will be behind us... During 2012 we were present in the State Picture Gallery of Izmail/Ukraine and in the 2nd Egyptian Cultural Week in Athens, dedicated to the 10th Anniversary of Bibliotheca Alexandrina, in collaboration with the Embassy of Egypt. Our AthensArt Odysseia continued its journey in Greece, in Naxos in the Former Ursuline School and in Corfu in the Patio of Corfu's Psychiatric Hospital...

For 2013 we have been officially invited from Odessa/Ukraine, Cava di Tirenni/Italy, Bogota/Colombia, Alexandria/Egypt and Kaliningrad/Russia... Our AthensArt Odysseia in Greece will continue its route in the island of Skiathos. For 2014 we are planning to be in Suzhou/China, Dayton Ohio/USA, Havana/Cuba and Istanbul/Turkey. For 2015 we are in discussions with some cities in Slovenia, Italy, Mexico, Brazil and Russia...

During the period of 2012 we developed further our Site, including 3 new tabs: music, e-catalogues and e-books, where our members can upload music and find our e-publications, catalogues and books. In the e-catalogue tab, we uploaded already our e-catalogues from AthensArt philanthropic exhibition in Vienna/Austria 2011, AthensArt Rostov on Don/Russia International Arts Festival 2011, AthensArt Odysseia Corfu and Rethymno 2011, AthensArt Internatioanl Arts Festival Izmail/Ukraine 2012, AthensArt Odysseia Naxos and Corfu 2012. In the e-book tab we published already the Greek version of a recent essay about the Power of Friendship

and we are open to any constructive comments and suggestions for new e-books, in all possible fields of Culture and Arts, including Architecture...

Our strong belief is that "...The overcome of the world economic crisis is not a financial, nor a political or social subject. It is mainly a personal and moral question, in other words, a neurobiological issue. It is a question of Education and Culture. Because our society will change for the better only to the degree we change as individuals, acquiring a conscience and a free will... and our new mentality must be one that leads us out of our extreme individualism-selfishness and towards Friendship that requires Self-awareness and coincides with Participation..." (*The Power of Friendship...*)

By this occasion, we wish to express our gratitude to all, who, through their life and work, show us the way of Love and Wisdom, the way of Friendship towards all Mankind, to every single form of Life and our unique planet Earth...

Best Wishes, Happy and Creative New Year 2013...
