The express purpose of the Mathematics Teacher Leaders Group (MTLG) is to support middle school mathematics teaching and learning in Wayne County. **We are currently recruiting one mathematics teacher from each Middle School building (Grades 6-8) in Wayne County.**

Our goal is to focus on the most compelling ways we can partner together to address critical issues and concerns related to effectively implementing the Common Core. We will meet for one full day in the fall, followed by 5 after-school sessions to continue the ongoing productive dialogue.

The MTLG meeting dates are as follows (all on Tuesdays):

- November 4, 2014, 8:30-2:00 (County-wide Professional Development Day)
- December 2, 2014, 4:30-7:00
- January 13, 2015, 4:30-7:00
- February 10, 2015, 4:30-7:00
- March 10, 2015, 4:30-7:00
