#### **UPDATE ON HER TEACHING**

- She is teaching universal healing energy classes; HUE-faculty.com  
Mankind – enlightenment – love is another name
- She will start with conference calls – it's really simple information and easily taught.
- Now she needs a more up-to-date computer!
- Looking forward to classes in November on Sunday afternoons
- it's a Master level teaching – it attracts scalar energy into the body
  - the more she reads of the background & the material, the more grateful she is to be able to teach it.

**T, R:**

**able to pay the rent today – great thanks to all who helped.**

- drove to Albuquerque – the door to the house where R takes the money was wide open! No one answered, no one was there; he called the property management people – no answer!
  - The people called back as they had gone to Santa Fe

- these folks know big folks like T & R do – **said things are moving and shakin'!**
- They told Rama where to put the money so it was safe! And to shut the door!

R went to talk to **Natasha [wife of KOS];**

- we are on the extreme edge of full disclosure right now!
- All that is going on right now is that the walking dead are in DC, and this is Samhain & the veil is so thin!
- What Mr Christie did yesterday: **he is not long for this world** [spoke to a respectful citizen to “sit down and shut up” and the police made the man take his sign down]
- **T:** Chris Matthews said today that Chris Christie is a mafioso boy and behaving like one – royally! He was the 'water boy” for Bernie Madoff – they all did 9/11

**T:** James Risen came on Thom Hartman today and did not quite tell the full truth; nor did he tell the truth on Bill Maher's show last Friday or anywhere else he speaks – **NO ONE IS TELLING THE TRUTH ANYWHERE – THAT IT IS THE 13 FAMILIES.**

- Risen was trying to say Obama is a lot more conservative than people thought he was when he did various things: this is the farthest thing from the truth!
- the fact is that the 13 families have been leading themselves down the prime rose path to darkness with (1) the size of their egos and (2) their confidence that they have control of the planet – they have gone to the place psychopaths go: they believe their own lies!
- The entire nazi regime worked by telling lies over and over again until everyone believed it – this was the policy of the nazis and it went underground, and is now in the economy.
- James Risen showed himself for an hour as compromised in the sense that he is scared; he has been whistleblowing on the bush admin since 2004, 2005; went public with it before bush left office and then kept on going
- Trying to make it look like Obama is worse than all the other presidents have been in terms of going after whistleblowers – the 13 families think they have a pawn they can manipulate & make him look like a derelict president and get hold of the presidency in Nov and 2016 – last thing that will happen! They may just hold on and let them commit this other crime!!!
- **Thom Hartmann: Greg Palast was on The Big Picture:** there is a plot behind the scenes and the king pin of the plot is Gov Brownback of Kansas who **completely waived taxes** and put the entire state into the toilet: the Koch Bros live there; Brownback is **also in charge of voter fraud**

**Natasha:** Janet Yellin and Ben Bernanke, both criminals, said today that they have stopped quantitative easing [QE] – which means, simply, creating money out of thin air

- **Q E was started on Nov 1, 2008** by Ben B. For the whole month of October, 2008, Heidi who works with Faction 3 White Knights and KOS, was assigned to go into Bank of International Settlements [BIS] and zero out all the money calculations of every country on earth!
- From that time to this, we were/are now longer inside the old money system: **we actually went INSIDE NESARA LAW**, even though the enactment part was not announced publically. The function of NESARA law was going on behind the scenes.
- This had to happen because 6 years ago when they were still on the conference call, Rainbird interrupted to say that her friend called and said turn on Channel 13 at Ashville TV:
  - people dressed in suits and wearing shackles were going into C5A international transport jets – 500 people per jet; 10,000 had been arrested since June, 2007 – to Oct 2008 – 17 months
- Many people had been very, very busy behind the scenes! As they stop the QE though they do not call it such: quantitative easing meant that every single month, Bernanke was approving \$80 Billion to be created out of thin air every single month – not for the people but so the bankers could take the money and put it in a bank debenture roll-over program which was a bet against the future derivative market of the business of the children for **the next 7 generations** betting a billion dollars and getting 10 billion back in 2 weeks; they had thousands of such bets. When they got the money, it went into the elites' pockets –
- what ever the reports were as to the amount of money they had **WAS AND IS A COMPLETE LIE**
  - How much Romney had was not the question: **he had TRILLIONS**

- There have been billions run through
- the first bubble started in 1990 big time! They just did not tell us!  
**R:** Remember Mike Kadowski – stood for MKUltra program; weight 450 lbs – breakfast was 4 big macs, 4 extra large fr fries etc.
- What they were/ are doing is pure evil – it is the Luciferian program from the Vatican on Steroids – the Vatican at the hierarchy level has never been Xian

**Natasha:** we are looking at the walking dead in DC and She Who Was Here Before The Gods Were here

- this whole story is about full disclosure, first contact i it is about a group of folks came here without permission – took it upon themselves to invade and occupy this planet. Their day is done!
- Without galactic intervention, we would have gotten nowhere; the banking system was totally rigged since 1871 with the Organic Act, and they thought they had it sewn up!

**R:** Yesterday, **Sam Seder** had on someone with a fake name: his name is “Captain Michael” and was at Citizens hearing on disclosure: knows Dr Stephen Greer, Dr Stephen Bassett, Dr Richard Hoagland, a person who has been and out of so many underground bases around the planet and has seen what they have done with their lot and our children.

- The book called **The Island of Dr Moreau**, the story of animal human hybrids; the failed experiments of the last 10,000 years have been and are being dumped on Mars!!!!

**CL:** what is the point of having such experiments?

**T:** when for 450 billion years, you have been working with evil, **the only thing that feeds you is more evil!**

- for the last 100 years, these ones have killed over 2 billion of our children
- First, they have their way with them, then they torture them, then they kill them and eat their flesh and blood, **after** they harvest the organs they need to keep themselves going!

**R:** Stephanie Miller had 2 black ladies on who said if you are having surgeries, do not replace any of your parts with animals parts – not along the like of Creator Source!

**T:** it is beyond our comprehension to absorb what evil is and does when we are working for the light!

- 450 Billion years is beyond comprehension at one end! Yet all time is always present so they know what they did, and why they are here, and they know what to do to change it.
- Right from the beginning of the experiment, they did not want Mother to tell them anything because they wanted to be more in power than Mother. They said they would take out the 12<sup>th</sup> strand of DNA which is heart and thwart Mother all along the line. When they cut out heart, they increased their intelligence on the mental plane
- They have been doing this kind of thing and way more: when we were in the 5<sup>th</sup> dimension, and before that, we were in the 12<sup>th</sup> dimension which is where we were when Mother created us in our light bodies. Before that, we were balls of light : “we” - each of us and our consort - were each one ball of light, **individual suns!**

**CL:** when you become something – even if you know in a deep place and become ingrained with it and you come into the world with the drama and trauma these ones come in, it is all they know

**T:** these guys have been doing this as the Darth Vader masters of the Universe and laughing their asses off for 13,000 years and they now believe that this is the way that it is. They do not allow themselves to think or feel anything else.

- The news lately: the thing with Gov Brownback [not completed]

**Caller:** we all been in the job market – have 401 Ks and are limited with what we can do – what can we do with our money?

**T:** are you inside a credit union

**C:** has bone from a big bank to a local bank

**T:** The credit unions are not insured by FDIC; nor do they do bank debenture bets on the future of the children / hedge funds.

- When the the banks go down, the money in the credit union will be OK & big bank money will go down.

**CL:** Ask around and find a credit union in your area

**C:** has been trying to find out which ones are well run; there are bail outs and banks were bailed out – does this happen to credit unions?

**T:** Credit unions are exempt from all this – not involved.

**KOS said** as the arrests take place, NESARA law is announced and the money will be changed over to the rainbow bill value of that money;

- In the first month, everything stays the same so the people can make that money
- At the end of the 1<sup>st</sup> month - eg, if they make \$4,000 for a month – in the 2<sup>nd</sup> month, they re-indexe the value of all commodities and services – say you want to buy a car and you have your \$4,000 and you want to buy a car after the re-indexing, it will only cost \$2,000!
- The money you have in your 401K or your IRAs which were started not by Reagan, but by Bush Sr who was running things after Ron R was killed – Bush and Kissenger, both German Zionist Jews who run the head office of the Zionists above the Death Camp of Dachau – HQ for 4<sup>th</sup> Reich since 1949 which means the Zionists from Israel have been running the country since WW2 – same as European Union – it is all 4<sup>th</sup> Reich of
- In the last 24 hrs, the Dome of the Rock has been closed; Mr Abbas of Palistinians said this is a declaration of war - and it is – the dark ones do not get to do what they want to!

**Natasha said today: it's all coming out in the wash now.** We talk on this level on this show and have been talking of this since 1998 when they started on the Conference Calls

- in 1998, Mike Kadowski, the MK Ultra guy, took the place of James Gilmour who was the go-fer in Switzerland with the Charcoals and the Charltons, British nationals connected to an original note holder called Sam Brown who had one of the five largest note holders on the planet of 40 notes – this goes back to 1949 when the 4<sup>th</sup> Reich started in the US and Europe under the zionists
- They killed a clone of JFK. The real Jimmy Carter was killed, and today's Jimmy Carter is a clone;
- They did not kill Bill Clinton but they took his DNA and made 21 clones, each of which lived for a certain time.
- Bush Sr was killed and cloned by KOS and some good white knights – the only reason for doing this was to allow us time to figure out what we were going to do and when; going on since 1949
- the Merovingian line of kings and queens came over here and went underground – the Knights Templar came over here in the 1800s and were working against the dark ones
- She is reading **The Order of the Quest** – this info is contained in the Alexandrian Library, the Vatican Library, the Luxor Library, the Monastery of the 7 Rays; on the etheric realms there are the Halls of Amenti where the Akashic Library is
- the Zionists thought they killed lady Di, Dodi and Henri Paul, but it was only the clones; Di and Dodi have been accessing these libraries, researching them and working with Shamballa the Greater, Shamballa the Lesser, using starships and preparing dossiers and putting it on the web
- KOS will tell Rama to pick something up and read it for god's sake!

**CL:** about William and Harry: T has said they are in contact with Lady Di, and they know who their father and their grandmother are, yet they have a good relationship with them – thinks it odd.

**T:** The young ones are smart enough to stay neutral

**CL:** what gives her happiness is that Kate wears Diana's ring and honours it

**T:** news that Kate and Wm are not getting along:

**CL:** they are having twin girls!

**T:** wants Rama to double check what is going on

**CL:** Kate's mother is living with them, while Kate is going through this awful 3 months of continuous vomiting

**T:** what smartens them up is knowing that their father and their grandmother murdered their mother

**R:** Charles is trying to change his image by being concerned about the environment – can't wash off blood

**T:** he's been a horticulturalist all his life, and gay all his life! Camilla knows all this.

**CL:** she's a doozy too! **T:** they have been trying to take her out too as she knows too much!

**C2:** for those holding foreign currency, how will the announcement be made to let them know their currency is no good?

**T:** everyone will know because the whole system will be changed

**R:** already seeing this – the financial folks are doing fancy dancing to keep things in the flow – all is fake

**T:** Including what M King passed on through the Mtn Goat about there being 5 years until revaluing –

- **Mtn Goat is total Black Ops** –in response to “how do you know this?”, **KOS told them**

**R:** when we see John McCain, Lindsay Graham funding ISIL, and ISIL was Al Qaeda

**T:** it was CIA who created Al Qaeda – and all the others US or Russia in Afghanistan

**R: not about oil or terrorism - IT IS ABOUT THE STARGATES!**

**T:** the Israelis want to take over Al Asqua mosque because it is the **MOST IMPORTANT STARGATE ON EARTH**

- King Carlos of Spain stepped down; son took over – he now owns the mosque and other areas in the name of the Catholic Church which is why it gets dismantled 100% at Hierarchical level
- the US created the mess in Iraq – the Bush-Clinton Crime family
  - for 6,600 years before now, the Sunnis and Shias lived together – did not decapitate people or rape women or kill women and children!
  - this goes back to Vincent Bugliosi and the prosecution of Bush Jr for murder
  - John Conyers was the chair of the committee investigating Iraq
  - Bugliosi was the prosecuting lawyer who said Bush Jr took the US to war on false pretenses; Cindy Sheehan got up in the gallery and said “my son is dead and so are other peoples' children because of him”. Conyers said she was out of order, and she said that's Ok, I'm leaving anyway
- Bugliosi got up and said Bush is responsible for (1) the existence of ISIL and they were all members of the CIA and have been backed ever since and just moved around
- Also responsible for the death of, in **Iraq**, 4 -5 million innocent men, women and children dead
  - PLUS 2 million + soldiers in Iraq alone – and they took out insurance policies on the soldiers so
  - they could put each \$10 million in their pockets when a soldier was killed.
- Eric Prince is the son in law of De Vos family who started Amway; they used the money they made to help Prince start Blackwater where each American who joined got \$200,000 per year and went over to Iraq and killed other Americans in the military who made only \$20,000! Plus extra Iraqis.
  - Bush is also responsible for every atrocity ISIL has ever committed
- (2) Iraq has been a peaceful country; if you minded your own business, freedom of religion was tolerable
  - death of thousands of Christians on Bush's shoulders; gays, women and babies being murdered –
  - women could go to the University of Baghdad which was the best in entire Middle East; they became doctors and so on And Americans are #37 in terms of the education realm@
- (3) . Bush is responsible for two big lies:
  - (1) Saddam Hussein had WMDs
  - (2) S H was responsible for 9/11 – and we all bought it –
    - They believed their own stuff; the archons programmed their minions and a lot of folks got in so deep & were so terrified because they saw people get dead, they turned more to the dark side
- this has been going on since the destruction of the Atlantean Crystal – fractured into 3 main chunks plus lots of shards
  - it was fractured 3 x over; the central nervous centre of the entire planet was destroyed at the brain centre
  - cracked the earth from where it was in the Bermuda Triangle another 7 miles deep below the floor of the earth
  - then it cracked further in both directions: across the US into the Pacific, and across the Atlantic especially to the Azores where the Canary Islands are – between the biggest and the smallest islands, there is a crack which was made then; since 2006, there is a volcano forming, and lava eruptions are more regular: scientists are freaking out since 2006 because it will soon be surfacing

as the lava comes up, •  
there will be another island formed west of Spain and France; in Hawaii south of the big island,  
south of Great Britain : it is Atlantis rising: another one in the Gulf of Mexico

- **RE Gulf of Mexico:** Researchers have been diving into the 1,200 square miles where the BP oil spill occurred – found 1200 sq mi of oil and the correxxt used on the oil.  
The correxitt forced the oil down to the floor; there is a groove at the bottom of the ocean that outlines the continents [a continental shelf] : the oil went all round the southern tip of Florida and up east coast, across the sea around Scandinavia and down the west side of Europe and the west coast of Africa, u p the east side to Saudi Arabia, pakistan, all around India up to China etc etc - this is a horror story on a planetary scale!
- The galactics are mitigating it so the earth does not go super nova, but we will have to do the rest  
- we have to “get it”, so we have to correct it
  - Ashtar came in when the Atlantic Crystal was shattered to stop the earth from going super nova  
Had the crack went down almost to 800 miles of the crust; had it made it to the other end of the crust, the earth would have gone super nova.
    - The 2 moons were destroyed too, so they put, from the fake moon , the belt of ISIS – a big sling for the wound so the earth could start to mend and not go super nova
  - **This has been going on for 13,000 years** – the ones who did it have always denied it and covered it up and said the stories about Lemuria and Atlantis are all myths and fairy tales so people will look no further
- In the Gulf of Mexico, all the oil and the correxxt are – all the fish are gone

**CL:** wants to talk about Sybel Edmunds, Valerie Plame, Joe Wilson

- Sybel E was hired by the FBI 6 days after 9/11 – from Iran, she could speak Farsi, Turkish
- The WMDs were sent from the coast of Florida by Bush Jr to Dubai then Istanbul, Turkey – just before Istanbul Bay, they were intercepted by Valerie Plame and her people who arrested everyone on the ship and confiscated all the WMDs so they are evidence.
  - The dark ones sent their black ops to Paris to kill Valerie – the white knights shot 4 of them and took the other 4 into custody, so there is physical evidence of what was done.
- Joe wilson was the ambassador during time of Bush Sr which why he was chosen – he went to Niger, Africa where the yellow cake was made to be used in Iraq
- In the middle of all these events, Dick Cheney “accidentally” shot his friend in the face when they went duck hunting to use as a distraction in the papers and news media
  - Bush Sr put in place a law out which Bush Jr broke – Bob Novac was taken out because he was the Washington Times guy who knew; Judith Miller and Scooter Libby
  - **Abby Martin** had on someone on who was going over this: flashed on screen Scooter Libby

**CL: Bush Sr made it** a felony to out people – but Bush Sr did not arrest his own kid!

**T:** Making the law was only to look good, response to public pressure.

- David Addington, Cheney's lawyer; Cheney's assistant; Karl Rove – all of them outed her

**CL:** how come she is still alive?

**T: THIS IS A GALACTIC OPERATION RUN BY FACTION 3 WHITE KNIGHTS** – not Faction 2 which is a hodge podge of the military, congress people,

**CL:** we have heard many instances where Rama's life has been threatened

**T:** It was Rama's test at the time: between Oct-Dec 2008 and Jan– Mar 2009 and the 4 incidents involved state cops with M16s

- one time there were 2 state cars and 3 cops; one got out and started kicking the door and hitting

the window of Rama's car with the M16;

they wanted him to get his hands up and open the door: he said with all due respect sir, I have to roll the the window down from the inside and reach outside to open the door because the lock is broken, sir.

- The cop was not in a good place! When R opened the door, he had his hands up and Mother was already inside him: he started to get up - his right hand laet out a violet ray which turned the first cop into a spot on the ground; the other 2 cops saw this and took off like bats out of hell!
- Rama had known he would have to be careful – he was going toward the Universtiy of NM; he went slow and turned and made a U turn and stopped: in that location, there were all the students who could watch because the entrance to the college was there, so he had a pile of witnesses – which is why he is still breathing. The students saw what the other 2 cops saw.

- Yes, Valerie Plame & Joe Wilson still have to watch her back – **Fair Game** is the movie made about her story; **ANOTHER MUST SEE: 9/11 – Loose change, 2nd Editon**

**CL: Are they still smoking guns?**

- Yes – and Sybel Edmunds is 1 ½ smoking guns! She knows everything hangs out with LM Nada & Naomi Klein
  - Sybel Edmunds translated audio tapes, written material and could decode all the languages too.
  - One of Saddam Hussein's sons wrote to Putin – and that letter showed up in an e-mail on the desk of Condalezza Rice during August, 2001 before 9/11 – when she was questioned by the 9/11 Commission which was totally rigged – they wanted Kissinger to be the head of the Commission!!!

**CL:** what's with Henry Kissinger – said he cannot leave the US or he will be arrested.

**T:** has to do with Pinochet, and the murder/ assassination of Allende – Sept 11, 1973 –

In 1973, they made ground-breaking ceremony for the twin towers – it was all planned **before they killed JFK's clone**. This is why it has been Knights Templar vs the Nazi Zionists from way back

**CL:** Where are we today?

**T:** good questions – about **war crimes tribunals** –

- Alfred Webre put out an article out in 2012 and again just recently; he was a judge at Kuala Lumpur War Crimes Tribunal and it was about Israel –
- it is that Israel has its fingers in every Black Ops program no matter where it happens
- the judge is now 100% compromised: he took \$1 Billion from Leo Wanta, a schill for Bush Sr
- he will be doing coverups to confuse light workers

**T:** so the next question was that the other part of the story: Kevin Annett of the International Common Law Criminal Court was being discussed at Kuala Lumpar and by Webre that they have no possibily of convicint anyone so these war crimes tribunals don't count

- Because he [Webre] has been Faction 2 all along, the jury is out on Faction 2 – sometimes they get an opportunity to something right and then they get tempted and do not resist.
- He is not privy to Faction 3 which is **38 levels about the president , and inside that is the ACIO - the Alien Contact Intelligence Organization; no president except Obama has had any access to that level of activity**

- Obama has been part of that organization ever since he went to Mars when he was 18 via the Pegasus Project; [Aug 4, 1980] ; he was also a Manchurian Candidate with Zbigniew, an archon.
  - We have underestimated Barack Obama to the hilt!!! He is a spiiiritual adept of the highest order.
  - Yes, he and Chuck Hagel [current Defence Secretary] almost died in the Russian Gulag
  - all this time he has been acting as the 9<sup>th</sup> member of the Sirian Council and goes there regularly for the Council meetings.

**CL:** he has been doing things against his will & to save his life; plays the puppet so he can walk the fine line, stay alive & set things up for later. Those who voted for him cannot believe what they see.

**T: Yes, and there are certain White Knight whistleblowers who remain true to the mission:**

- Bernie Sanders and Barbara Lee from San Fran, a rep in Congress – member of the Black Caucus – the only one to vote not to go to the war in Iraq;

**CL:** when they round up these scoundrels? When is enough truly enough?

**T:** They will never give dates! Natasha says they know they are going down and they don't want to & will keep going

- the rocket that just blew up – they had something on it, something ugly planned: someone said it was blown up where it was because if it went higher, it would kill people.
- And the **Columbia blew up because they were going to nuke Iran** and blame it on someone elsewhere
- James Risen is running for his life: he has been calling out the 13 families; now in a scared place

**T:** the quantitative easing being stopped and they are quantitative easing everything elsewhere

**CL: this is a big deal**

**T:** Yes, this will cause everything on Round 2 to collapse

- this means they will not be printing money, yet they only say they are stopping it
- when T listens to Max Keiser who says they cannot go any farther with this game, they have out-gamed themselves and can go no farther.

**C2:** Barbara Lee is Rep of Houston TX

**T:** The Barbara Lee T is talking about is from California!

**C2:** trying to identify the person

**CL:** good to know there are 2 by same name!

**C2:** what is status of Rick Perry? How is the Ebola virus going to be handled when truth comes out?

**T:** the number of people contracting ebola in Liberia is **diminishing** – in reality, it is going down!

- It is ludicrous to worry about ebola in the US.

(1) They consciously chose to murder Mr Duncan when they sent him home on purpose – pain in abdomen; 103\* fever; sluggish in movement; muscle aching in his body, - 4 major symptoms

1 he was black

2 he had no insurance

3 he was not a citizen

(2) the nurses who were, on purpose, did not given the proper protocols in Houston hospital: had their necks exposed and they got sent to the best hospitals – in Maryland and Georgia

- There are pieces of equipment in hospitals used to sterilize the metal instruments for surgeries – these big hospitals have very large sterilizers, so they did not burn anything, they just stuck everything in the sterilizer - same thing in Nebraska – so **everyone got better.**

- The US started this – a chemical co in Arica made a so-called vaccine and hired the Red Cross to give out the vaccine to the Africans and everyone got sick – this is still not being discussed.

- Can only get it by body fluid contact only!

- the nurse in Maine: Obama has her back! She cannot be incarcerated – what has happened is not based on science – she has been a health practitioner for a long, long time.

**C2:** once NESARA is announced, how quickly can we see light chambers?

**T:** Can see them right now – depends on how much work you do: everyone has access - we have to study, meditate, pray – we've had these gifts since we came in!

- Rainbird saying about one of the Mayan glyphs: human beings are body and souls – as a soul, we just happen to have a body – as we resonate with the higher vibrations, it comes naturally
- One way to see the auras/light chambers: sit in a darkish room - not totally dark a bit shadowy; have a person sit cross legged on the floor against a white wall, squint - then you can see the aura
  - Talks about taking a class –suddenly saw the 3 bright yellow, tall beings behind the teacher, behind them there was turquoise omega sign, and then an emerald green background, and she

started waving her hand; the teacher kept on talking

- By the time 5 hands went up, she asked T “Why are you waving your hand?”
- T told the teacher what she was seeing; the teacher replied that she had helpers to teach them!
- Tells of another confirmation – a man with a pain in his shoulder on his left side, looking from the back – she had been learning to use her hands without touching the person and smooth out the energies. Afre 10 minutes, the pain was gone and it never came back.

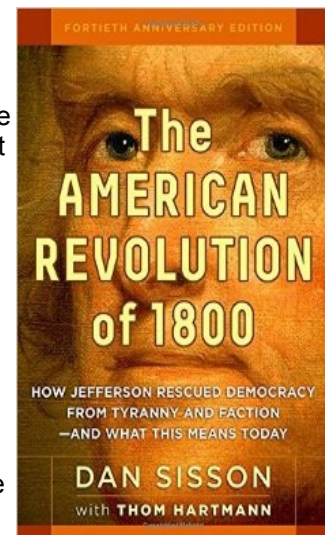

**C3:** Just to let us all know: she worked on **Barbara Lee's** campaign: from 13<sup>th</sup> district of CA  
Bill Will is talking about **Sheila Jackson Lee** from Texas.

**C3:** ISIS is around, doing a tremendous amount of work; to tap into her, just ask for her to come; she will

**T:** keep the faith: we have won; the things that need to get done are being done – love yourself above all

### **The American Revolution of 1800: How Jefferson Rescued Democracy from Tyranny and Faction - and What This Means Today** [from Amazon.com]

In this brilliant historical classic, Dan Sisson argues that Thomas Jefferson thought democratic revolutions would be necessary from time to time to break the grip of autocratic factions on the government. That is how Jefferson saw the election of 1800—and the lessons for today couldn't be more obvious. Most historians celebrate Jefferson's victory over Adams in 1800 as the beginning of the two-party system, but Jefferson would have been horrified by this interpretation. Drawing on the understanding of faction, revolution, and conspiracy reflected in the writings of the Founders, Sisson makes it clear that they, like Jefferson, envisioned essentially a nonparty state. Jefferson believed his election was a peaceful revolution by the American people overturning an elitist faction that was stamping out cherished constitutional rights and trying to transform our young democracy into an authoritarian state. It was a transfer of power back to the people, not a change of parties. Sisson maintains Jefferson would regard our current two-party system as a repudiation of his theory of revolution and his earnest desire that the people as a whole, not any faction or clique, would triumph in government. The ideals of the American Revolution were in danger until this “Revolution of 1800,” to which we owe the preservation of many of our key rights. With contributions by Thom Hartmann that bring out the book's contemporary relevance, this fortieth-anniversary edition contains new insights and reflections on how Jefferson's vision can help us in our own era of polarization, corruption, government overreach, and gridlock.

Dan Sisson, **The American Revolution of 1800**, joins Thom Hartmann who co-authored this book. Just 24 years after he wrote the Declaration of Independence - Thomas Jefferson spearheaded a second American revolution. What was this second American revolution? And what can it tell us about we can do to protect our democracy right now in 2014? "The American Revolution of 1800" - a classic work of scholarship that - for me - like so many others - changed the way I saw the history of our country. If there's one book you need to read to understand the real origins of American democracy - this is it

Both Paine and Jefferson were men 200 years ahead of their time – or were just the men for their time!
