*"Neighborhood Children First"*

# PETITION:

## Let Our Neighborhood Children Attend PS199

We the undersigned, care about the education and wellness of the children in our neighborhood. We support the core principle that "young children deserve to walk down the street holding their parent's hand to a school that is in the heart of their community." We want to ensure that all the young children in our neighborhood who are currently zoned for PS199 retain the right to attend PS199 at 270 W 70th St. We support the Department of Education's proposal to "relocate Center School, an unzoned middle school." We reject any sort of enrollment capping that would deny any currently zoned child from enrolling at PS199. We also reject any plans to send our currently zoned PS199 children to another elementary school.
