“About My Father’s Business!”

It is a Kingdom principle to do your own business. The Bible teaches us to study to be quiet, do our own business, and work with our own hands... That we may be able to walk towards those who are without and lack nothing. We can do all things through Christ that strengthens us, serving God in the ministry of what God has called us to do!

Starting your own faith-based business creates jobs for those who are less fortunate and opportunity to disciple or apprentice in the ministry of business. God wants you to prosper in all ways, even in health as your soul prospers in the grace, mercy, faith, and love of Jesus Christ. Our ministry courses teach the fundamentals of serving God in business!
