## HARD NEWS

Today is National Cat Day!!!

- **Dr Richard Wolff** program
  - the fake economy, slave wages – need \$25 an hour!!!
  - Follow E. Warren's advice and change the structure of the story
- Call from **Tom the Cat, Larry & Curly**
  - everything happening now is the gigantic story which is a sham, a con, like the Republican party; it's about another sector of our brothers and sisters – like in latest Star Wars – Hans Solo says to his son: Take off the Mask – and the masks are coming off!
  - they are full blown in their madness trying to distract the people – whether it is tooting the dragon lady's horn, or Orange Hitlers' fake apologies
  - TOM:** Mr Epstein, Bill Clinton et al are guilty
    - courtdate is Dec 16<sup>th</sup>, but the ladies are not waiting: they are getting in touch with LM Nada who is the best lawyer on the planet –
    - this story brings in both domestic issues AND planetary issues of human trafficking – the Gates, W. Buffet, Clintons, Trump, Scalia, Larry King,
  - The stories of how corrupt the system is – there are good ones within the agencies and systems who have to – as things coming to a conclusion with the fake election/selection – the 3 said that neither one of the life forms running for the Oval Office have anything to do with peace, freedom, justice, love
  - One story has to complete itself so the next story of Michelle Obama comes into play
- It is very likely, possibly, probably involves full disclosure – the Bush/Clinton Crime Family, Leon Panetta who is not exactly a good guy – a good buddy of Netanyahu: these are the Khazarian Nazis that have to exit this dimension

**T:** This is a hard one for so many lightworkers who think maybe only a few have to go from the top and those underneath didn't understand

**R:** when you are knowingly committing ecoside, genocide & just following orders

**T:** so many are saying there were lots who just followed their noses [did what they were told] – not at this point in time

**R:** we all have a conscience and consciousness & taking another life is a huge deal

- when you play in the market place, you are playing with human lives because the money is being taken away from where it is supposed to be going
- the war machine is so corrupt, it's beyond redemption!

**T:** Even the light community is trashing Assange & saying he's compromised

**R:** has to do with the overall picture of the dragon lady and her long fingers

- the personal issue is Hillary wants him dead and she wants to be President so she can get a lot of people dead! She wants the power to do it.

**R:** he's not the judge with the cyc- Andrew, the angel of Death, will . . .

**T:** the Icelandic lady is saying people are so sick of the corruption; they are doing this in the open and they just don't care.

**R:** Tells the story he heard from Dr Richard Wolff - a billionaire bought 4 tickets for his family at \$2,500 each, for 4 of them to see "Hamilton" - the tickets are \$500 and the scalpers are charging way more –

- this so-called free market with banker billionaires on Wall Street – the life forms involved in the PINAC project are playing this out big time right now: they want their old world order, the fake rapture, the fake alien invasion, to get people in line

**Tom, Larry, Curly:** with each passing day, the magneto sphere around the planet is constantly shifting; the magneto sphere works with the iron core of Gaia/Vywamus in relation to the sun and the other planets in our solar system

- the planets are all heating up at their north & south poles – all the planets! This has

been happening for a few years now.

- And there are Anomalies throughout the solar system: have found people on Europa – this was the conclusion of the movie **2001** written by Arthur C Clarke who knew a lot when he put 2001 together, and that is why he was killed along with other stories about First Contact
- Something supercedes all the fake stories on earth and all the shenanigans going on  
**Tom, Curly:** as we are part of intergalactic society, we have no issues with sex or male/female gender or whatever we look like
  - the rainbow warriors showing up at Standing Rock are saying they will remain – there will be no more taking of the Mother's blood – oil – there are other sources of energy
  - Hillary is the #1 queen of fracking; and if we think Trump wouldn't do the same thing, R has a bridge to sell us!!!
  - And Chris Christie is another one – Jabba the Hutt who find himself missing a body! Has crossed his own people and the crime families
  - the great vacuum cleaner is here – Mother & her forces
- **Tom, Larry, Curly** - Last 24 hours, NASA on red alert due to an object coming from the anti-matter universe – they are very worried!
  - Mind your language: it is about love: they come in peace!
- Some people have actually built a Tower of Babel out of hay
  - Things are going on across the planet – people of the land just creating with their animals, their love – this is how we change this; imagine all the people, as John Lennon said: and no borders. When we can get in our shuttle craft and look at the mountains, not Mordor . . .
  - this is the most blessed, most exciting time to be on the planet, and the most challenging as we struggle to keep our balance, not losing it due to the war crimes going on locally, planetarily, galactically

**T:** heard Rainbird say let's stand our ground with the Standing Rock People.

- Going to play *Going Underground* – not specifically saying that Hillary did things in Libya – haven't gotten to the story that she did the set up for Chris Stevens to be killed, as he knew what she was up to – trying to steal 800 metric tonnes of gold; she got it out of Libya but St Germain removed it from the plane en route to us
  - the allies the US has are alarming: President Ceci of Egypt wants to attack Libya and steal their oil – the policies in Egypt are so poor, people are starving to death; same as in Libya and ISIL is invading Libya now
  - same thing going on in Yemen – the oil countries in the Arab world who want to keep their kingships do not want democracy anywhere near them- which is what Yemen and Libya are striving for - the oil emirates want to keep the wealth of the oil for themselves – please forgive them; they know not what they do!
  - As was said: the beings of earth, air, fire, water, ether are now making themselves heard - you cannot touch the water, the oil – hands off!

### **Refugee situation:**

- **Calais** “jungle camp” was literally burnt to the ground – the children, preteen, teenagers had no guardians, were alone when the French police burned that place. Now there are many refugees flooding into Paris, coming from Italy – several tent cities. The refugees have nothing – forced from their homes due to wars.
  - 3X as many deaths this year for those trying to escape via water.
  - As one section gets closed, the tents are moved: there are cultural differences as well as French prejudice.
- Syria:** had graphic pictures on RT; little 10 year old talking of losing her father – she was calling out for help from someone

- Democrats in the US are hinting at a Russian link to newly uncovered Hillary e-mails – R has been told **that is not true – this has been emphasized to Rama**
  - **this is another way to silence Julian Assange**

**Reading: 2016-10-27 PRG Update - 10/27/16 – Wikileaks-6 Received by e-mail**  
**Grant Cameron's Podesta Emails Narrative [SEE BELOW]**

**T:** comments on various things as she goes through the list

- There is a reason why these emails are being detailed – so the subject gets out to the public.
- The Clintons are in bed with the other galactic races who ARE NOT WORKING IN THE INTEREST OF THE PEOPLE – IT IS ABOUT CONTROL!!!!
- **Earth** is in lock-down -
- Hillary is originally from Dracos – and the people of that planet want peace, and have been granted amnesty; but Hillary does not want peace; she wants her piece of the pie!
- Blink 182 is a rock group, and Tom DeLonge is a contactee being pushed to come forth – and why has this been held back from the people
- the Amazon women are originally from the Pleiades – they were from ancient Lemuria, part of an island that has a forcefield around it; they followed the teachings of Plato and Socrates

**Eriel Deranger - Reclaiming Our Indigeneity and Our Place in Modern Society | Bioneers**

**Published on 12 Nov 2015**

Eriel Deranger, a tireless, passionate activist for the rights of Indigenous people, Communications Coordinator of the Athabasca Chipewyan First Nation (ACFN), a community of

1,200 people living downstream from the largest industrial project on the planet, the Alberta Tar Sands, has been on the frontlines of the global fight against the ravages of fossil fuel extraction. The ACFN's resistance is a prime example of Indigenous resurgence in Canada, revealing how Indigenous peoples are shaking up how we do and see things and pointing the way forward for the protection, preservation and future governance of Mother Earth.  
Introduction by Clayton Thomas-Müller, Idle No More.

This speech was given at the 2015 Bioneers Annual Conference.

***As I embrace my deep emotion  
And strive for conflict resolution,  
I live a life of full expression,  
Not shut down by fear or suppression.***

Feeling it comin'? New Moon in Scorpio this weekend sets the tone for the month ahead: themes, needs, issues, etc. And that means "shadow work," looking at all the deep dark needs, feelings, fears, and impulses that, when still unconscious, take us where we really don't want to go and cause effects we regret in the future. So onward and upward is feeling, talking about, expressing, and just flat out being aware of ourselves.

Whether you agree or disagree with the observations made in this video, I hope they are food for thought and a springboard for further discussion within your circles of relationship. In this way, we can all become more aware of the socio-cultural-religious-educational conditioning going on, so as to identify more clearly for ourselves and our children just what kind of life we want to propagate on this planet! Injoy!

**Reading: November 2016 - The Great Dovetail      Carl Boudreau      [SEE BELOW]**

**CONFERENCE CALL**

**R:** remembers being on a ship last night – saw the internal workings!

**Gerry:** Nov 1,2 3 – something big happening; alluding to arrests – do they know anything? He was on a Conference call yesterday: at Standing Rock pipeline, a woman was shot with a rubber bullet and was injured in the shoulder; one of his people is involved on the legal side, have already sued and the Gov of ND tried to slough it off – G's group is responding with a 19 point letter to all the corporations involved as well as the Gov – it is an act of

treason to do this. Drake also mentioned that arrests should as planned begin in first part of Nov.

**T:** knows that Drake is Faction 2; not much credence to F2 – **R:** hasn't listened to Drake for years – just doesn't go there

**Gerry:** someone from Vancouver BC has been nominated for some prizes – about the RCMP – Kevin Anett working with them and other tribes in Canada on a legal basis; and someone else to do documentaries to help

- also in contact with Apaches in AZ – finding out that Mt Graham is not on reservation property, but there is a stargate there. Also working with indigenous peoples around the world on a shoestring budget.

**Ro:** news from Abba[Germany] 11 companies have filed for bankruptcy, those funding the Dakota pipelines

**Gerry:** they know they are being sued: the constitution, the US ?? are on their side

**T:** these people do not care about the constitution or anything else

**Gerry:** yes, they ignore everything. Lyn's contacts were very helpful.

**COR:** the native activists are wonderful and doing powerful work! Gerry understands what COR is saying about being the great white hope to those folks.

**Lyn:** [www.citizensagainsttng.com](http://www.citizensagainsttng.com) – lots of legal references – a very critical group.

Also, see [jeddry.com](http://jeddry.com) – another critical movement related to legal processing

**Gerry:** did she check out the info given to her – **the corporatesole** -

**Ro:** it was banks that filed for bankruptcy, not the corporations

**T:** banks have been bankrupt since Feb, 2013 – read **Buddha in Redface:** and know that the tribal elders are taking this to higher levels of ceremony; it is also going to the galactic level.

- The Icelandic millennial talked about these ones not caring in any way about what they are doing

**Gerry:** humanus.ca – were on the call, as Gerry was waiting, he heard them talking about the latest words from those upstairs; asked if that was a reference to Ashtar Command -said they were working with a federation/the galactic alliance – Gerry asked about Basel 3 – what they are doing – expecting funds from somewhere – [Jerzy@humanus.ca](mailto:Jerzy@humanus.ca) – said they had technology to remove radiation – they are into St Germain and galactics

**T:** did they give him a handbook to study?

**G:** No, they are actually funding projects – lots of people are doing this, yet these ones are talking of St Germain and others G knows; he likes their attitude

**T to Ri:** about balancing out the chart

**Ri:** the current planetary setup may be on the bottom of a chart, like his; someone else's chart can be above the horizon, or on the right half or the left half -

- Planets above the horizon are in houses 7,8,9,10 – the action houses
- Planets below are doing internal work in the yearly cycle
- The location of each one's sun is also important.
- Everyone is in a different cycle which influences the level of activity of that person in different seasons of the year.

- **GO TO Astro.com** – can get your birth chart there; an easy chart to use, it's free – Ri updates his own chart regularly
- Discussion about the usefulness of understanding one's birth chart – can see what are natural talents, strengths to promote, weaknesses to support; potentials for development

**T:** in this time we are in, we are actually starting over again

**Ri:** the benefit of the internet is that there are eyes everywhere and the dark ones cannot hide in the shadows; the Scorpio energies are strong now

**T:** it's a good time for Julian Assange's material to be released!

**Ri:** what Julian has done here – he holds a special place in history as his mission is to expose, to shed light using a digital format; he's beaten these people at their own game!!! These ones are trying to wrok in secret, and he has people who can read their e-mails whether they like it or not! Which forces clarity, integrity

**Lyn:** Nov 1-3rd [www.projectheavenonearth](http://www.projectheavenonearth) – they can help with the re-formatting of new laws

**Gerry: was just informed Humanus.ca – took over from Poof – this is not good! He stands corrected; he cannot recommend Humanus.ca !!!!** Thanks to Tom in Tennessee!!!

- heard the Michael Moore dissertation on the radio a couple of days ago – he said he is voting for Hillary but he really thinks that Trump will win, and gave his reasons why! Because Trump has confronted Ford company and others, saying if they moved their factories to Mexico he would raise their taxes by 35%, and they could not sell a car in the US.

**Ri:** Like Assange, Trump is saying it as he sees it – this is useful; he uses language people can understand and resonate with – this election is probably the most significant since Reagan was elected

**T:** David Cay Johnson – says Trump is basically ignorant and very dangerous – Johnson knows the economics, as does Richard Wolffe;

- people's ideas of how things are going to work are not realistic in the least.

**Ri:** have to love that he has Congress scared: afraid of losing their cushy positions

**T:** only 65 good people there

**Gerry:** last spring, Trump's son was interviewed, saying that the VP position would be the most powerful – would have to do with domestic and foreign considerations – and that Trump himself would be going to go out and check into contracts etc

**T:** that's even more dangerous! What does "Make America Great Again" mean?

- Neither will win, and Michelle will be President.

**Gerry:** that's the word in Washington!

**T: IT'S BEEN OUT THERE FOR YEARS!** Talks of the work that has been going on behind the scenes by Oprah, Randi Rhodes, Bernie Sanders, Elizabeth Warren, Michelle Obama

- RanuMu told Rama: when they do the arrests, all the characters in Congress will be gone except for the 65 good men; the rest have committed economic treason.
- Then Obama gets a choice for another term or two. Bernie won by a landslide; Hillary rigged it. No more super delegates; no more electoral college. An entirely new structure will be created.
- The rays of wisdom have been integrated by a lot of us and we've learned to love ourselves – the new law is collective and unconditional divine love, in community. There are some lessons left yet for us all!
- This is the age of divine transformation with the Feminine leading the way. Michelle can merge with Mother, and she has!
- The dark ones are having trouble keeping secrets – which are leaking out!
- Today is National Cat Day!
- Refers to Cheryl's book **Moon Magic**; she read the list of celebrations from Oct 27 – Nov 2<sup>nd</sup> from around the world

## **BBS RADIO**

### **Audio: Segment from The Phantom of the Opera**

**T:** from **John Fugelsang's program "Dream On"**

<http://www.pbs.org/wnet/dream-on/>

DREAM ON investigates the perilous state of the American Dream after decades of rising income inequality and declining economic mobility. In an epic road trip, political comedian John Fugelsang retraces the journey of Alexis de Tocqueville, whose study of our young country in 1831 came to define America as a place where anyone, of any background, could climb the ladder of economic opportunity.

Following in the Frenchman's footsteps, Fugelsang asks whether the optimistic spirit of the American Dream that Tocqueville popularized is alive and well in the twenty-first century, or whether George Carlin was right when he famously quipped, "It's called the American Dream because you have to be asleep to believe it."

It is not often you hear of a priest who worried the former British Prime Minister dubbed 'The Iron Lady'. Margret Thatcher called Donald Reeves a 'very dangerous man' due to his support of the oppressed and his refusal to see foreign policy in terms of black and white.

In this episode of Meet the Renegades he talks about his life's work, his peace building and how as a Christian Minister he has just been called the perfect Muslim.

PRG Update - 10/27/16 – Wikileaks-6

Received by e-mail

### Grant Cameron's Podesta Emails Narrative

Grant Cameron recently published this important comment: One thing that has been overlooked in the coverage of the Podesta/Hillary Wikileaks UFO story is the people who are being copied by John Podesta.

In the emails where John has received UFO questions, he has either copied or asked for input from the following people from the presidential campaign or from the Institute for American Progress that Podesta founded. (One estimate stated that 40% of the high-level officials in the Obama administration came from this institute). Take a close look at the names. These are not people off the street.

JPalmieri@americanprogress.org - Jennifer Palmieri is the Director of Communications for the 2016 Hillary Clinton presidential campaign where she handles she manages candidate message, media relations and trouble-shooting. She left the Obama administration with Podesta in February 2015. She previously served as White House Communications Director for U.S. President Barack Obama. Prior to her service at the White House, she served as the President of the Center for American Progress Action Fund.

FShakir@americanprogress.org, vice-president of the Center for American Progress (CAP)

dleger@americanprogress.org - Senior Vice President for Communications and Strategy at Center for American Progress

sara.latham@ptt.gov - Chief of Staff to the Chairman of the Hillary Clinton campaign - Special Assistant to White House Chief of Staff John Podesta and Deputy Assistant to the President and Deputy Director of Presidential Scheduling from 1996 to 2000

Ken Gude - a senior fellow at the Center for American Progress specializing in civil liberties and terrorism.

Ian Millhiser who is a Policy Analyst for the Center for American Progress, the think tank created by Podesta. Millhiser's work focuses on government efficiency and transparency.

Grant Cameron, easily the world's leading expert on the connection between the extraterrestrial issue and the tenure of U.S. presidents, is producing an ongoing narrative on the Podesta emails at his [White House UFO](#) blog page. His primary research is housed at [The Presidents UFO Website](#). Below PRG is generating a chronological listing of relevant emails with assessments as they are released.

## Wikileaks Clinton/ET/Connection Emails w/ PRG Comments - Update

The Podesta email tranches are located at the Wikileaks home site [HERE](#). Wikileaks has stated it will release 50,000+ Podesta emails prior to the election and these emails hold great implication for the Disclosure process. Why?

They will clearly show the Clinton campaign team was taking the ET issue seriously and some kind of agenda was being followed. This will become clearer as more emails are released. It is important to remember the Clinton team was refusing to respond to related reporter's questions during this period and the television news journalists were asking no questions at all.

Below PRG has created a chronological listing of relevant emails that will be updated as more are released. This listing is now beginning to show the serious engagement of the issue by Podesta and the Clinton team over time. More to come.

I call upon the Overlighting of Mother/Father God,  
and all the Illumined Beings of Light from On High that I personally acknowledge,  
as I now merge with my Beloved I Am Presence,  
the Highest aspect of my Soul Light within the Cosmic Heart of God.

Within this sacred space,

I enter into my Christed Heart of Divine Unconditional Love.

I now activate the Petals of my Christed Heart:

my Peaceful Heart,

my Loving Heart,

my Healing Heart,

my Joyful and Happy Heart,

my Innocent and Open Heart,

my Powerful Heart,

my Knowing Heart,

my Passionate Heart,

my Overflowing and Prosperous Heart,

my Trusting Heart,

my Heart of Integrity and Truth,

And now I enter into the Petal of my Intimate Heart.

Breathing deeply into my body,

I acknowledge myself as this sacred transfiguring Flame of Divine Love and Master Being of Light.

I Am an Open Heart in this Golden Age of Light.

As I connect deeper now into my authentic loving Self,

I allow myself to be vulnerable, trusting, and free of shame,

letting go of judgment of self and others,

and any fear of intimacy I may have.

I Am a powerful, magnificent, sacred, sexual Being of Light.

I Am All That I Am.

As the Petal of my Intimate Heart now activates,  
I deepen into the knowing that I am unique, immeasurable in my magnificence and Light.

I let go of the need to hid my Light,  
to shield myself from others,  
or to compare myself with others.

I choose to Love my Self,  
all parts of myself, which are uniquely and authentically mine.

I Am All That I Am.

The Sirian Archangelic League of the Light now come forward,  
placing me in an *Intimate Christed Heart Chamber of Light*.  
As this multidimensional, multicolored laser light grid activates around my body and energy field,

in a beautiful silver-gold grid of Light,

I start to breathe more deeply into my body now.

Expanding my lower abdomen on the in-breath,

And contracting my lower abdomen on the out-breath.

As I deepen into the Knowing of my Divinity, purity and innocence,

I deepen into the presence of my Godself,

In conscious awareness and Self-Love.

I Am One with my Beloved I Am Presence,

I Am One with Mother/Father God,

I Am One with all Life.

I Am All That I Am.

The kundalini energy gently starts to activate now,  
within this safe and sacred space.

As the kundalini energy flows gently now,  
from the base chakra, into the sacral chakra, now the solar plexus chakra, heart chakra, throat chakra, third  
eye and crown chakra,

I am clearing old false beliefs and judgments I may have about myself.

Issues of unworthiness,  
and false beliefs about my body,

sexual issues,  
or false beliefs about men and women,  
as I become more intimately acquainted with myself now.

I place my right hand over my Christed Heart,  
and now my left hand over my right,  
As I say to myself,  
I Love you, giving my full name now,  
I Love you, I Love you.  
I Am All That I Am.

I now take my left hand and gently cup my genitals,  
continuing to breathe deep into the body,  
as the tantric channels now start to activate.  
The main tantric now activates,  
from the feet chakra up the inside of the legs,  
to the G-spot or base of the penis,  
and now up the front of the body and out to the nipples.  
And now, the secondary kundalini channels activate;  
from the feet chakra, up the outside of my legs, along the side of the body,  
up to the armpits and now down the arms and out the hand chakras.

If I guided too, I gently move my lower body and pelvis area backwards and forwards and from side to side,  
now adding my vaginal and/or anal muscle contractions,  
to enhance the flow of energy.

I now bring a focus back to my genitals,  
releasing any areas of shame I may have about my sacred sexuality,  
or my inability to complete Love, appreciate and celebrate my beautiful body, vagina or penis.

As I continue to hold my left hand over my genitals,  
and my right hand over my heart chakra,  
I release any issues of abuse or misuse of sexual energy I have experienced,  
and false beliefs and games I have played out through my sexual energy.

I Am simply appreciated myself and loving myself,  
and my sacred sexual energy,

as it now deepens and flows throughout my body and energy field.

I Am All That I Am.

I recognize that my body is the sacred doorway to ecstatic re-union with the Divine,  
and to the intimacy of relationships with others.

I now reclaim my body through non-judgment, self-acceptance, surrender, conscious awareness and Divine, unconditional  
Love.

And in this sacred and loving space,

I experience a re-union of my Divine Masculine and Feminine Spirits.

I Am All That I Am.

In this Divine Sacred Marriage,

I see my Divine Feminine Spirit to the left of me,  
And my Divine Masculine Spirit to the right of me.

Through my Divine Feminine Spirit,

I open to receive a deeper level of Self-Love,  
intuition, vulnerability, compassion,  
gentleness, beauty, flexibility and grace.

Through my Divine Masculine Spirit,

I open to receive a deeper level of trust, reliability, respect,  
wisdom, stillness, protection, empowerment and action.

I Am All That I Am.

As I accept my Divinity,

knowing how greatly I am celebrated, appreciated and Loved,

I now experience the trinity of the child,  
the alchemy of relationship.

I have a sense now of merging with my Soul and Star family on the inner places  
through the Overlighting of my Beloved I Am Presence,  
merging now with Soul Brothers, Soul Sisters, Soul Mates and Twin Flames.

I Am All That I Am.

In this sacred Cosmic flow of Divine Love,

As I merge my energy into One,

all perceived separation is released.

In this alchemy of Divine Union,

I draw to me Soul and Star Family that See Me, Hear Me and Appreciate Me,  
as I do them.

I Am All That I Am.

I Am now free from old defense patterns,  
self-judgments and expectations.

I no longer need to be fearful of my magnificent Light,  
I no longer need to defend or protect myself from others.

From the Divine Source of Love of All That Is,

I release from loved ones, family and friends,  
any level of expectation that they must fulfil my personal needs for Love.

I no longer experience disappointment and betrayal.

Through my Intimate Heart,

I am free and I allow others to be free too,

to experience All That They Are,

as I experience All That I Am.

One Heart, One Love, One Unified Field of Light.

I Am All That I Am.

I am gentle and loving,

as I deepen into physical intimacy,

being able to kiss and cuddle and hold others within my Christed Heart.

I Am All That I Am.

I am open and loving,

as I deepen into emotional intimacy,

being vulnerable and able to share my feelings.

I Am All That I Am.

I am interested and loving,

as I deepen into intellectual intimacy,

with your Soul cluster and Twin Flame. And so, in healing the wounds of the Divine Masculine and Divine Feminine aspects of yourselves, you are able to experience a deeper activation of the Christed Heart and attract and magnetize relationships of Divine Love into your life.

With your earthly family (which includes family, friends, colleagues and others in your lives), these are the personality and mostly karmic pre-birth agreements you make in each lifetime. Imagine if you will, clusters of Souls with a like vibration of particular energies drawing to you the lessons that you choose to re-experience so you can embrace the pain, the abandonment, the betrayal, the shame, the loss and the heartache, and the wounded male/female energies. The human experience in its full range of emotions is fully acknowledged as this is the starting point for you to heal all your Soul wounds and shift timelines. These clusters often incarnate together in interchangeable family roles as parents, siblings, partners, grandparents, and extended relatives. Additionally, you choose particular personality Soul clusters with whom you have played out specific roles in parallel realities in larger groups. Common examples of this would be holocausts and wars, and those that were persecutors may choose to come back as victims and those that were victims may choose to come back as persecutors, although these roles are not always reversed, and this is not always the case. However, sweet ones, these karmic pre-birth agreements are made in Love. Each Soul is Love at a Higher Light level, and in choosing to play a particular role does so for not only their Soul growth, but additionally too, the entire Soul cluster, who benefits through the wisdom of each experience as the veils of illusion are further lifted.

The next level of pre-birth agreements you make are with your own Soul family. Your own Soul family or cluster comprises of twelve Souls that often choose to incarnate and play out respective roles together, and this is Overlighted and experienced through your Higher Self of the Light. At least half these Souls incarnate with you each time you embody in form, and your level of conscious awareness would create a similar vibration within your Soul family as you uplift and support one another. However, these pre-birth agreements are different. They are usually gentle and loving most of the time, and it is from this group, sweet ones, that you may often choose Soul mates, either as loving spouses, or your own indigo/crystal children, good friends or Spiritual partners and companions. You choose these pre-birth agreements so that you know that you are never alone as you walk the path of Divine Love. There will always be those that understand you. And this familiarity and resonance of like vibration further uplifts you, as these Streams of Soul Consciousness, or resonating energies, and takes you deeper into your Christed Heart, into the Flame of Divine Love within. This does not mean, sweet ones that you have not incurred karmic debt with Soul mates, but usually forgiveness and compassion comes quickly due to the deep and infinite Love experienced through the Soul cluster. Additionally as you step into a deeper level of integration of your Beloved I Am Presence directing and guiding you intuitively in your everyday lives, you start to experience a deeper sense of interconnectivity with those around you, aspects of yourselves and this is experienced from within the Intimate Heart. Also, that which we call the Twin Flame comes from within this Soul cluster. This Twin Flame is the other aspect, or other half of your Soul ray, and sometimes, it would not serve you to incarnate on the same plane at the same time so some of these Soul contracts are made to experience various planes and dimensions and come together again once the lessons have been mastered when you pass over. And these are the contracts created, the contracts created to merge and blend with your Twin Flames on the inner planes. However sweet ones, there are now more and more Twin Flames that are choosing to come together in this Golden Age to further their service work. The focus of these Soul clusters, whether incarnate or discarnate is to know and become Divine Love. As you master the lessons experienced with your earthly families, you step deeper into Divine Love and you can draw upon the support of your Soul cluster on both the inner and outer planes in the recognition of truly seeing the aspects of yourselves in others. The earthly 3D timelines, of which there are numerous and in constant flux due to the intersection of particular earthly and Soul clusters, start to collide and draw you closer into the Christed Timelines, and the knowing too, that there is only Love.

The Christed Timelines are the timelines of Divine Love, and are fully experienced in the knowing that you are co-creators to the Company of Heaven. You are able to go back and forth along the Christed Timelines

with the Overlighting of your Beloved I AM Presence and change the reality of any event, releasing old imprintings and false beliefs, sending Love, forgiving, understanding, accepting and embracing the human emotions which draw to you these lessons in the first place.

Further to this, sweet ones, you start to experience the Uniting of your Twin Flame and the Uniting of Flames within your Soul cluster, if you so choose, to deepen your service work and to lift the consciousness of all Life on this earth plane.

And there is another level of pre-birth agreements that you make, sweet ones, and these are with your Star Families. For advanced Spiritual seekers ~ many of you, sweet ones, who have incarnated regularly on the lower planes, earth and related sister dimensions ~ this core group of 144 Souls, is embodied and experienced in energy transfer through your Beloved I Am Presence. Your Star Families of the Light take you back to your Star origins, of being Pleiadian, or Sirian, Andromedan, Arcturian, Lyrian, Antarean, and so on. And at least a quarter of your soul consciousness always exists within this star origin dimension. These memories of being a star seeded one, a way shower and Light worker, are encoded within the Divine eight-cell blueprint with your related Service work. Of the knowing that you have chosen to come down to the Earth plane to be the physical vessels of Light to Mother Earth and all her Life. And when the time is right, you draw upon the resonating Soul streams of consciousness to reconnect to all aspects of yourselves. As you lift the remaining veils of illusion, you start to draw upon these parallel realities through your multidimensional Selves that take you into the Christed Timelines of your Highest Potential. You start to unlock and activate the dormant DNA as you align your will to the Divine Will of Mother/Father God. As you experience these memories through the Christed Timelines of your highest potential, it draws you closer to your Star Families, on both the inner and outer planes, in recognition of these aspects of yourselves, sweet ones.

And to do this you need to move through the clearing, through the free will aspects that have created pain, betrayal, shame, loss, abandonment, unforgiveness, heartache and so on, to experience the Christed Timelines and New Earth energies through forgiveness, Love, wisdom, and letting go of blame so you may merge with your Twin Flame, one of an equal or greater Light. As courageous Master Beings of Light, you often choose the pathways of the most resistance to create pathways of Light for yourselves and others. In this Golden Age of Light, you are now attuning in collective Christ Consciousness to the cellular memories of Creator Light, and through the original divine eight cell blueprint and the New Earth templates, in vibrational resonance, you create your Solar Crystalline Bodies of Light. And the next step forward, sweet ones, as the Adam Kadmon race, as I AM Avatar race, is to experience yourselves as the Star Portals of Light for all Humanity. To merge with your Twin Flames on either the inner or outer planes, and to merge with all Twin Flames within your Soul cluster. To radiate your magnificence and Light in such a way that your very energy field, linked with the One Unity Consciousness Grid of Divine Love, amplifies to experience the Flame of Divine Love and One Unity Consciousness within your Christed hearts and the Christed hearts of all humanity, always and eternally.

We will share more about the Tantric Christed Heart of Intimacy in our next telewebinar transmission sweet ones, and leave you now to simply enjoy this loving invocation, "Activating the Petal of the Intimate Heart ~ I Am All That I Am".

With this, we bid you a most magical day.

### Recap

Last month I described what was happening with a waning astrological configuration dating back to the early 1970s, the "[oligarchic alignment](#)." It is breaking up in a series of very gradual planetary shifts.

As it breaks up, the globe's oligarchies are ever so gradually breaking up. This gradual breakup is accompanied by critical levels of social, cultural, economic and political strain. These shifts have brought improvement in energetic conditions, but this improvement has been agonizingly gradual and slow when measured against the need.

Many are still experiencing, or only slowly recovering from, critical, life-changing events in family, relationship, health and work areas. Or they are still experiencing interminable delays in their quest for relief. Outer turmoil is accompanied by high levels of inner, psychospiritual turmoil. The combination of inner and outer difficulties is proving wearisome.

### Newly Discovered Celestial Bodies and The Oligarchic Alignment

During the life of the oligarchic alignment, astronomers discovered a series of previously unknown large asteroids, or small planets. Each newly discovered asteroid represents a new set of archetypal principles that affect our collective aspirations on an all but instinctive level. They complicate the task of recovery and reform.

They become principles that we must now factor into all our choices and build into custom and tradition. They manifest as additional reasons for political disquiet and motives for societal reform.

The following list is not exhaustive:

Chiron (1977), Pholus (1992), Nessus (1993), Chariklo (1997), Varuna (2000), Ixion (2001), Quaoar (2002), Sedna (2003), Orcus (2004), Eris (2005).

All of these bodies are new to astronomy and to astrology. With the exception of Chiron, perhaps, and certain other newly discovered bodies, there is not a lot that can be said about them with either clarity or certainty.

Their official discovery, however, justifies the assumption that new archetypal issues are emerging in collective awareness, or old ones are coming to the fore and gaining in importance.

Their emerging influence would help account for the sheer number and density of the challenges we are encountering during this transition. The discovery of [Planet 9](#) was also announced earlier this year.

We cannot yet say much about it either the new asteroids or the new planet, or two. Indeed, it has not yet even been physically observed. Published reports of its discovery included mention of yet another planet whose existence is as less well established.

I think we can safely assume that Planet 9 and its even more elusive sibling, like the newly discovered asteroids, are probably already serving as change factors at certain levels in collective consciousness. We need to assume that they are also adding to the complexity of our current experience.

### The Asteroids at Work

The asteroids do not appear to be neutral, idle observers, floating picturesquely in the background

of today's astrological events, lending atmosphere.  
Consider the following examples:

### **Chariklo**

Chariklo is associated with respect for subtle but crucial personal boundary issues. Chariklo's energies would translate into human and civil rights issues. Chariklo would contribute heavily to the complexity and intensity of identity politics.

Chariklo recently left Sagittarius where it would have been caught up in the [mutable T-Square](#). It is now in Capricorn with Pluto where I believe it is seriously intensifying identity and personal boundary issues.

In recent decades, Chariklo would have been associated with the emergence of political correctness, the growth of identity politics, the emergence of the safe spaces movement and the growing awareness of microaggressions.

### **Ixion**

Ixion governs the abuse of political power and the violation of trust in high places. This would include extreme abuses of power and trust. It is in Sagittarius, too, where it is caught up in the action of the [mutable T-Square](#), whose function is to seek and reveal the truth.

Accordingly, the use and abuse of personal power and the violation of public trust has been a central issue in the US presidential election campaign.

In fact, if you explore the mythology of Ixion, you will see that current headlines reflect its influence rather clearly. Ixion can be involved in the crassest kind of financial and sexual abuse and in the very highest of places.

It is also in Sagittarius, caught up in the powerful and highly influential [mutable T-Square](#). Accordingly, the use and abuse of political power and the violation of public trust have roiled the US presidential election campaign.

Ixion would, for example, be at issue in the kinds of accusations leveled at Bill Clinton and Donald Trump. Or put another way, with Ixion in the mix, it is not surprising to hear such accusations being made. They are typical Ixion issues.

### **Pholus**

In the version of the Pholus myth with which I am familiar, Pholus violated the rules governing the use of communal resources. Pholus' misuse of community resources enabled Heracles to violate the terms of his spiritual quest.

Bad Pholus aspects are associated with cronyism, corruption and venality generally. These Pholus themes reflect the kind of accusations or criticisms frequently leveled at Hillary Clinton. Pholus is currently in Sagittarius with Ixion, participating in the [mutable T-Square](#).

### **Quaoar**

Quaoar appears to govern the evolution of worldviews and value systems - the process by which the worldviews and value system of 1950 became those of 2016. Quaoar is also in Sagittarius, caught up in the [mutable T-Square](#). And, indeed, the issue of updating, upgrading, transforming and refining worldviews have also been foregrounded in the presidential election campaign.

Disclaimer: The examples presented above are intended strictly to illustrate astrological issues. They are not intended to spark political discussion. Nor are they in any way exhaustive.

In sum, these newly discovered asteroids are demanding that we weave a whole new range of values into the fabric of our shared reality, retroactively. Existing worldviews and value systems must be modified to accommodate these new principles. We need to factor a whole new range of thorny moral and ethical issues into our thinking during an already complex and challenging transition.

Improvement has only been partial and incremental. The paths we follow seem to be of indefinite length. There seems little or no promise of resolution, or only a distant one.

## **November 2016 - Dovetailing**

### **Mars will enter Aquarius on November 9th.**

I believe November generally, and the Mars/Aquarius ingress in particular, will get us beyond slow, partial and incremental resolution. True to form, Mars will certainly act as a stimulant and/or an irritant in Aquarius. It is very likely to spark protests and spirited, even zealous reform efforts. Indeed, Mars in Aquarius might very well put the scent of revolution in the air.

But Aquarius energy does not make disruptive or violent reform inevitable. It is essentially about idealization, harmonization and optimization. Mars will activate this more moderate potential in Aquarius, too. In fact, I believe this aspect of Mars in Aquarius will be predominant.

Mars in Aquarius will form many positive, facilitating aspects. In fact, it will turn astrological trouble spots into supportive, facilitating aspects.

Viewed in combination, the many aspects that Mars forms while in Aquarius will create a cauldron or crucible formation. Typically, crucible formations encompass fully half of the chart, spreading over six houses or more.

A cauldron is highly transformative, encompassing inextricably all of the bodies caught up in it, catching them up in a powerful transformative process. The aspects formed by Mars in Aquarius will render this crucible formation highly progressive.

This cauldron will blend all of the energies in the Zodiac into a predominantly positive, progressive mix, suffused with Aquarian archetypal energies. It will change conflicts and crossed purposes into positive synchronicity.

This will accelerate the transition away from oligarchic values and support those seeking solutions during this transition. And the solutions people find will be progressive, solidly Aquarian solutions. The aspects Mars will make are as follows.

**Mars in Aquarius will be in trine relationship** with Jupiter in Libra and form a semi-sextile relationship with Pluto. This will help to resolve any tensions between Jupiter, and Pluto and Aries. Mars will form a semi-sextile with Neptune, Chiron and Nessus in Pisces.

Finally, Mars in Aquarius will be in sextile relationship with Saturn and the other bodies in Sagittarius. This will take the edge off the mutable T-Square.

### **Mars in Aquarius will also be in sextile with Uranus in Aries.**

I have looked at the dispositor charts for relevant dates in November and they are all about mutual interception which, as you know, softens, moderates and modulates conflicting or clashing aspects.

In Aquarius, Mars will also enliven the archetypal Aquarian forces that bring synergy, cooperation, coordination and synchrony.

Hence, as Mars enters Aquarius on November 9 UT. On an individual level, it will powerfully stimulate and just as powerfully support our desire to achieve reintegration and healing of our lifestyles. Collectively it will do the same.

With so much positive synchronicity, it will also bring disparate efforts together. People whose work or whose needs and resources complement each other will find each other at crucial moments.

By mid November, our seemingly disparate efforts will begin to dovetail. Things will begin to come together for all of us.

### **Jupiter will square Pluto on November 24 - Don't Worry about It**

Also, as a result of the the many positive relationships that Mars establishes in Aquarius, the Mars/Jupiter square on November 24 will be barely a blip on the economic radar. Its force, however conflicted, will quickly be absorbed by the essentially constructive processes that are slowly overtaking our lives with Mars in Aquarius.

### **Sun Trine Neptune**

On November 1, the Sun will trine Neptune. This will inspire hope and idealism. It will also soften boundaries, smooth rough edges and, thus, facilitate the dovetailing of our efforts promised by Mars in Aquarius. Neptune trines are famous for unforeseen and fortuitous events.

Mars in Aquarius will bring our individual and collective efforts into productive, progressive alignment with the efforts of others - synergistically, synchronistically.

In November, our lives will begin coming together a little faster than before.

**The 42 Ideals of Ma'at of the Temple of Isis**  
***A Positive Confession for the Present Day***

**Loreon Vigne**  
**Founder, Temple of Isis, Geyserville**

We venerate Ma'at within the Isian community as the personification of Truth, Justice and Right Action. Her Laws create Divine Order out of Chaos and anarchy, and are the sacred and redemptive precepts by which we in the Temple of Isis strive to live.

The 42 Laws of Ma'at were revealed to Priests and Priestesses in ancient Egypt and codified by them over 5000 years ago. They are a comprehensive set of spiritual and moral laws as valid to us today as they were to worshipers of Isis so many millennia ago. These Laws command our love and respect for the life, dignity and Goddess-given rights of all living things, as well as imposing upon us divine obligations and duties toward them, and our precious planet. By their observance we reflect the light of Isis upon the world, fusing virtue with justice, and aligning individual rights with righteousness.

Today, in the Temple of Isis, we honor the Goddess Ma'at, beloved of all ancient Egyptians. The Translation of Her 'Laws,' as they are called, we have now changed to 'Ideals,' which may be closer to the meaning of just what they were. It seems that they were a guide to a better way to live. A kind of self help program. Those who were living during ancient times attempted to use these guidelines knowing that the entire society would fare better if they had a kind of code of behavior. It was part of being a civilized human. Upon death one was expected to know how to recite these ideals and to have lived by them. The example of the Feather of Truth being weighed beside the heart of the deceased is a powerful one.

How had one lived their life? If one had done so in an exemplary manner, that person would be rewarded by having a beautiful afterlife. Otherwise, persons who had lived in a way contrary to Ma'at, would be totally destroyed by a horrible beast.

These concepts in many ways echo the sentiments of a host of religious beliefs from around the world. It is indeed common for most human beings to want to do good. Yet there are many who ignore this natural phenomenon of our soul. I use the word soul for the ancient Egyptians did not put much significance on the brain, for them intellect came directly from the heart.

'Know thyself,' 'know thy soul,' 'know thy heart,' and 'know thy purpose' - this is what they believed. Somehow, even today, it still sounds so right. Thousands of years later, these laws offer insight into a deeper spiritual understanding.

The Laws of Ma'at were re-written and updated from the ancient texts by a panel of nine of our Temple of Isis Priestesses while traveling together in Egypt from November 22 to December 22 in 1995. They were re-written for use in the Temple of Isis as a Positive Confession, instead of in the older form, which is called the Negative Confession. We preach no rigid dogma within the Temple of Isis. We embrace all races and genders, and follow the positive and benign principles of the renowned international Fellowship of Isis, out of which, the Temple of Isis was born.

Let us go over the 41 Ideals of Ma'at once again, starting our examination with the first one. We have been changing them a bit from the time since we were first inspired to re-create them for the present day from their older form. The ancient Egyptians listed the first Law of Ma'at as "I have not done iniquity." We had changed it in 1995 to "I honor virtue" but later felt the word 'virtue' was a bit old fashioned, and may not be the right principle. We instead quickly added 'kindness' but I realized that we already have the Ideal, 'I am kind' and therefore we still needed to find a different principle to honor. I meditated on this for a time, and the best I came up with

was 'I honor Enlightenment' or 'I honor Higher Consciousness.'

I consider the first law very important. It needs to encompass just the right sentiment, for within the Laws of Ma'at are all the components that promote a life of purity, harmony and sanctity. "Ma'at is a philosophy, a spiritual symbol as well as a cosmic energy or force which pervades the entire universe." (Muata Ashby)

In the end, we decided to keep 'I honor virtue' as the first Ideal of Ma'at of the Temple of Isis. 'Virtue' is the opposite of vice which made me think ... why not a 'virtue president' instead of a vice president? Just a thought ...
