### What happens after the Training Adventure Weekend?

A Graduation Ceremony will be held June 9th for the New Warriors. Family and friends are welcome and encouraged to attend. Soon after the graduation, for a fee, the New Warriors can join in a Primary Integration Training that is designed to reinforce and deepen the rapid learning done on the Adventure Weekend. New Warriors are also encouraged to participate in the New Warrior Community, through local, regional and international gatherings.

The New Warrior Training Adventure Weekend is offered by The ManKind Project Network, a registered non-profit corporation.
