#### HARD NEWS:

**T:** rumours of a cease fire, but are merely rumours

- R has not been talking to his people today – too busy doing the moving thing.

**R: KOS had a message** on his machine today: talking about Israel/Palestine – this is not hamas or Hezbollah – it is Black ops, funded by the drug trade – hence, the desire to keep the drugs going.

- He also said the criminals were Netanyahu, members of AIPAC, McCain and the others in the US

• This has no earmarks of war – there is no military in Palestine, but the largest open-air prison camp on the planet – what needs to change is very deep right now.

**T:** Rachel brought up an issue about what is happening in Germany – catching a 2<sup>nd</sup> double agent & Germany kicked out the head guy of the US

- Barack had called up Angleca to discuss something, and she had to tell him about it – and he knew nothing about it!!! The Black Ops who take their orders from the 13 families tell no one

anything.

- Tells of former head of The Tennessean who died today: **John Seigenthaler**. He was taken in by the Kennedys and worked for civil rights issues as a journalist – lived his passion.

2014, July 12                    **John Seigenthaler, longtime Tennessean editor, dies at 86**  
**The Tennessean** 9:07 a.m. CDT July 12, 2014

John Seigenthaler, a legendary Tennessee journalist, intimate confidant to two near-presidents and fierce advocate for racial equality, died Friday. He was 86.

Mr. Seigenthaler passed away peacefully at home, surrounded by family.

"We celebrate his life — his devotion to social justice, his advocacy of human rights, and his enduring loyalty to friends and family," said his son, John Michael Seigenthaler. "He was proud of his hometown, Nashville, and grateful for the opportunity to share his energy and passion with this community."

**Conversations with Great Minds - Gareth Porter - War with Iran Inevitable?**

[https://www.youtube.com/watch?feature=player\\_detailpage&v=TXt9Tre760c&list=PLrcTxj34M\\_VZh3WJR9qye\\_m5aCuYeCypG](https://www.youtube.com/watch?feature=player_detailpage&v=TXt9Tre760c&list=PLrcTxj34M_VZh3WJR9qye_m5aCuYeCypG)

For tonight's **Conversations With Great Minds**, I'm joined by one of America's leading investigative journalists. The winner of the 2012 Martha Gellhorn Prize for Journalism, Gareth Porter is known for reporting that cuts through mainstream narratives and tells largely unknown truths about American foreign policy. A Vietnam specialist by training with a Phd in Southeast Asian studies, he worked as the Saigon Bureau Chief for Dispatch News Service during the height of the Vietnam War and later served as the co-director of the Indochina Resource Center right here in D.C. Since 2006, Gareth has been hard at work uncovering the true story behind the US-Iranian nuclear standoff which he has written about in his fascinating new book - "Manufactured Crisis: The Untold Story of the Iran Nuclear Scare."

**Conversations with Great Minds - Gareth Porter - The Iranian "manufactured crisis"**

[https://www.youtube.com/watch?v=4vS6TnKkuvk&list=PLrcTxj34M\\_VZh3WJR9qye\\_m5aCuYeCypG](https://www.youtube.com/watch?v=4vS6TnKkuvk&list=PLrcTxj34M_VZh3WJR9qye_m5aCuYeCypG)

The entire interview underlines the idea of lies promulgated by the former Bush administration. The Iranians took a principled position about creating and using nuclear weapons: it is against their religion. And they have always had that stance and maintained it.

Today, Israeli intelligence shares the American position that Iran is not creating such weapons

### **Mother Sekhmet**

**In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.**

**T:** we say yes to peace: we have learned more in this lifetime about the manner in which we have been duped by the program from the very beginning up to this night as we gather together – where there is hatred, let us sow love, where there is sadness, there is great joy – once we catch on, the program is no more!

### **Greetings, Commanders, Children of Ra**

Indeed, now is the time!

- This super moon in Capricorn – what a time with the energies! Uranus, Saturn – it is about the great teacher inside of each one of us which is a particle. Think of it as All That Is – when all the particles come together, they function as one Unified Field, an active brain consciousness
  - As we are one Unified Field, it is about one heart, one mind – we are in the sacred hoop of all life, as Dyhanni Ywahoo calls it, and then we are in that extreme joy – we are moving closer and closer and are already in that state of extreme happiness
  - Our wayward children asked from the very beginning that they would put on the dark mask and call themselves Vader; they chose to take out the 12<sup>th</sup> strand of their scheme of things; it is their choice to re-integrate it – it is a choice:
    - the sun shines on all people; it makes no choices – we do. We can use it as a black sun, like the Nazi collaborators do, or use the light of the Great Central Sun, her Twin Flame, Alcyone – it is a choice and it is all NOW;
    - as we stay in that NOW, everything is different and unified. What takes us from the NOW is the monkey mind which plays with the energies constantly
- With the Super Moon, her wayward children are in fits of hysteria that they cannot pull off another 9/11 Yet, it is about the fact that now is the time for peace, now is the time for love; let it begin with us.
  - The law of Universality which is take care of the least among us first; she says she is giving a blatant picture of the disrespect the law makers have of the least among us who are homeless, hungry
  - It is not just about what the Commander in Chief can do; it is about how we change our consciousness about the whole picture
- As John Lennon said, Imagine there are no borders: what happens to each one of us reflects out to the 100<sup>th</sup> monkey, and we all feel it – what is happening cannot stand
- It is simply a changing of the guard at a huge level – it is unsustainable in its present form.
  - Our republic has to go through a revolution, evolution, enlightenment: it is what the good people

had in mind, but even in Thomas Jefferson's time, St Germain was rubbing elbows with people in the French Revolution! God forbid that he spoke of amethyst craft or extra terrestrial beings at that time

- No one ever speaks of John Hanson, the first black president, not George Washington – Mason or not, it matters is what is in the heart space.
  - what's happening is the republic is being restored from within to without, and it will take We The People; it is happening now; all that is unlike the republic has to come out – pulling dandelions out of the garden and make dandelion tea! Or wine!

**T:** this has to happen now! Please!

**Mo:** yes, it is only about this – how many forms of the Divine Goddess can show up in the most unique ways for the males and the females to “get it” and we can get it with divine humour and love and and we can get it a lot easier than with a whip, a chain or a gun

- If we are the divine beings we claim we are, and it is that place where what is happening as the change begins with only one, it morphs into the divine field – that is how powerful the pebble in the pond it – it transforms everything across time, space, the universe, everything - ieverything happens with the scalar waves: the sound of eternity knocking on the door and saying “Time to beam up” Now is that time, it is only about love not about scary issues.
- There was a 6.9 earthquake connected with the tsunami near Fukushima – Sam Seder said it on his show it was 6.8, 6.9

**T:** Not so good: have had another leak a couple of days ago

**Mo:** the Altamericans, the Andromedans & many other galactic teams are here mitigating what has happened because of the Bush Clinton Crime family directly related to their unseen financial war

**T:** The Republicans in there now are trying to [squeeze things out of this gov't and lay it on Obama]

**Mo:** it is this place in the moment that is so critical for all of us to remember that what is happening is the folks who don't understand about the present moment; as Tara has said, by August harmonic Convergence Anniversary, we'll be in 2016; we are now in 2015 –

- it is about the miscalculations of the missing 520 years of Her Story because she was black – we have to come back to this: black, brown, all the colors of the rainbow –
  - we are all One; as that is received in the cells, can go to the next level of conversation
- It is about the healing of our bodies and our world, yet as they are considered to be something that wants to eat our faces, how can they complete the mission? It is only about love – a giant fiasco has been being played out for the people of earth, and it is quickly coming to conclusion.
- In terms of our financial structures, the market is not at 17,000 + - **it is really at zero.**
  - We are playing with a form of script where goods and services are exchanged for the script –
  - there is about to be a complete change in how we do things and have our being - we will not be working for the script nor will the script be working for us:
    - It is about We are All One; as we step into universal economics of the fact that the planet is in the midst of a transformation, transfiguration of the highest proportions; the goddess has returned and she is being given some dignity by the First Family – they would want to denigrate them and call them Kenyans and save the White House for the white people
- The white House was built by slaves; there are no more slaves – rise up and take your power back as you know how – there is no master/ slave game going on here:
  - we are all gods, goddesses at the highest order – as we get that in our particles, in our cells, the war stops, the inequality stops; she is repeating herself: understand that with this super moon it is critical to work within the framework of peace and unity consciousness as our brothers in black want to do otherwise: she means the ones following the left hand path of Vader – not the ones who are honorable no matter what colour they are.

**T:** the old term of honor is different that the way the word is used now – in the past it meant the elites having a special position that was better than anyone else.

**Mo:** Yes, it is the ancient Knights Templar game, the game of thrones – The only throne she works with is the throne that is a unified field of Oneness and we are all part of it;  
• the only way to get through this keyhole which is as wide as the Scorpi Black Hole is simply about love – it is that easy, that aware: just about love!

**T:** she does not remember who Rama talked to but said to him that if they kept on doing what they do in Palestine, someone will stop them and they might not like the results.

**Mo:** about her and her Paschat warriors who work at night and come with their craft and do what they have to do

**T:** asks about how long it will take to make things visible

Are they going to arrest everyone on the screen who is not telling the truth?

**MO.** maybe our friend Shepherd Smith will come out and say I am not going to follow the script today;  
I am going to tell you a story about my friends who are not from here. - 30,000 light years across the galaxy – that is maybe how things will roll.

- He is the one to pull it off as he is a very light mole sitting in a very dark place – he will get a push from the Universe to help him. And the time is now
- Now is the time and the energies are so radically ripe for the picking that things are in flux – what better time than Christmas in July?

**T:** the **Day out of Time is the 25<sup>th</sup>**

**Mo:** we are in No Time – we have already crossed the threshold

This is 5<sup>th</sup> dimension though it still seems like 3<sup>rd</sup> – there are people peeking out from behind places, trees, waterfalls and saying hi there – and they look like Gandalf the Wizard and the dwarf – they are our brothers and sisters who want us to drop the weapons and talk peace.

**T:** after the 25<sup>th</sup>, the 26<sup>th</sup> is the new moon [4:25 am PDT] – the next 2 weeks will fly by

- From the 12<sup>th</sup> to the 27<sup>th</sup> is to be the crux of the matter
- Tomorrow is the real birthday of Malala of Pakistan, though the 8<sup>th</sup> has been dubbed Malala Day.

**Mo:** Metechlorians – another name for the mitochondria – one name is from Star Wars; they come from the Mother Goddess.

**Greetings in the light** of the most radiant one! Kadoish! Kadoish! Kadoish!

**R:** Everything is up! Went to an observation deck on The Dove; observing earth – there are certain areas near the poles where the Aurora is really intense – the frequencies are really ramping up – not sure if solar flares are ramping up or someone is messing with them; maybe the Wingmakers are doing it

**T:** there have been triangluar ships sitting there since 2006 – maybe they are doing something about the methane gas under the poles

- Barack Obama is doing a good job – he's a funny guy: they want to sue me for doing my job! While they don't do their job

**R:** not a fair fight: Obama knows lots; Boehner is just a bar keep!

**T:** He's also a treasonist . . .

We discuss the fact that when falling off a cliff, it is only the last few feet that hurt. They apply this to the collapsing US economy where they're going to fake manufacturing till they one day make it, but Max suggests that, just as you cannot taper a ponzi scheme, you cannot recalculate your way out of economic collapse. In the second half, Max interviews former CIA case officer and co-creator of the Marine Corps Intelligence Center, Robert David Steele, who has authored a new book, [The Open Source Everything Manifesto: Transparency, Truth and Trust](#). They discuss anarchy, panarchy, true cost economics and Max asks whether crowd-sourced answers to national intelligence questions will be met with a military-style response similar to what happened to Kim Dotcom.

### The Nazarene Way of Essenic Studies

# The Beatitudes of Christ

## *And the Origins of Christ's Teachings*

{bee-at'-i-tood}

*The sublime promises of the Sermon on the Mount have always been the crowning moment and the heart of the Christian message. But now, scholars have accepted the Sermon on the Mount as the scripture of the Essenes.*

The words of the Beatitudes are attributed to those of the Teacher of Righteousness, the founder of the Essenes who they recognized as their long-awaited Messiah. Their content can also be found in the Credo of the Essenes.

The texts found among the Dead Sea Scrolls show how the ancient Essene teachings were the origin of many of Christ's teachings. Paul and other New Testament writers often used the very phrases, sometimes word for word, of the Dead Sea Scrolls.

The Sermon on the Mount was taken directly from Dead Sea Scrolls texts. Yet, only an Essene initiate would have had access or knowledge of these teachings. These scrolls would have been strictly limited to only members of the Holy Order; those who have been mortally sworn to secrecy. (*Give not that which is holy unto the dogs. Give not pearls unto swine, lest they turn and rend you. Matt 7:6*)

## The Beatitudes of Christ

A beatitude is a declaration of happiness or promised blessing resulting from an individual's virtue or good deeds. They describe the qualities of perfection and the promise of future blessings rather than current material or physical rewards.

The Beatitudes of Christ represent eight upward steps toward attaining the Blessedness of a Divine Life. They are expressed in Matthew 5 in the New Testament, and Lektion XXV of the Gospel of the Holy Twelve, as an important part of the Sermon on the Mount.

These are the words as spoken by Jesus in Matthew Ch.5, v.3-12:

Matt. 5:1-2. *And seeing the multitudes, he ascended a mountain: and when he was seated, and his disciples came to him: And he opened his mouth, and taught them, saying:*

Matt. 5:3. *Blessed in spirit [are] the poor: for theirs is the kingdom of heaven.*

This is the necessary first step, Austerity: a measure of personal and especially spiritual discipline in appearance, manner, and attitude. A conscious effort toward a modest and unassuming lifestyle.

Matt. 5:4 *Blessed [are] they that mourn: for they shall be comforted.*

This is the second step, Penitence which implies humble realization and a sincere regret for one's misdeeds. A mourning regarding past sins and the human condition. The action or process of repenting especially for moral

shortcomings.

Matt. 5:5 *Blessed [are] the meek: for they shall inherit the earth.*

This is the third step, Meekness: to endure with patience and without anger or resentment. The release of ego and pride indicates the awakening of a divine Spirit.

Matt. 5:6 *Blessed [are] they who hunger and thirst for righteousness: for they shall be filled.*

This is the fourth step, the continual quest for spiritual wisdom and understanding. The pursuit of acting in accordance with divine or moral law. Following a spiritual path signifies growth.

Matt. 5:7 *Blessed [are] the merciful: for they shall obtain mercy.*

This is the fifth step, Compassion for all living things, an attribute which indicates advanced spiritual awareness.

Matt. 5:8 *Blessed [are] the pure in heart: for they shall see God.*

This is the sixth step, Purity of Heart, which marks the quality or state of pure being.

Matt. 5:9 *Blessed [are] the peacemakers: for they shall be called children of God.*

This is the seventh step, Peacemaking, a Christ-like influence, calming the storms of life.

Matt. 5:10 *Blessed [are] they who are persecuted for righteousness' sake: for theirs is the kingdom of heaven.*

This is the eighth and final step, Attainment of the Summit, Suffering for Christ, standing besides the prophets, saints and martyrs.

*Matt. 5:11-12 "Blessed are ye, when [men] shall revile you, and persecute [you], and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great [is] your reward in heaven: for so they persecuted the prophets who were before you."*

These teachings were also used in the Testaments of the Twelve Patriarchs. It was a great favorite among the early Christians and is often used and quoted by St Paul. The Gospels also quote liberally from this source.

## **Origin of Christ's Beatitudes**

Scholars are now recognizing the Dead Sea scrolls as the prototype for Christ's Beatitudes. Scroll 4Qbeat reads:

*[Blessed is] ...with a pure heart  
and does not slander with his tongue.*

*Blessed are those who hold to her [Wisdom's] precepts  
And do not hold to the ways of iniquity.*

*Blessed are those who rejoice in her,  
And do not burst forth in ways of folly.*

*Blessed are those who seek her with pure hands,  
And do not pursue her with a treacherous heart.*

*Blessed is the man who has attained Wisdom,  
And walks in the Law of the Most High.*

*He directs his heart towards her ways,  
And restrains himself by her corrections,  
And always takes delight in her chastisements.*

*He does not forsake her when he sees distress,  
Nor abandon her in time of strain.  
He will not forget her [on the day of] fear,  
And will not despise [her] when his soul is afflicted.  
For always he will meditate on her,  
And in his distress he will consider [her]*

## **Origins of the Essene Beatitudes**

The original beatitudes were actually spoken by the Buddha some five centuries before Christ, when the Buddha delivered the first "sermon on a mountain."

The heart of man, Buddha said, was a burning fire, and so were the objects in the three worlds, the objects that could be seen, felt, heard, or touched. This fire was the fire of lust, of anger and of ignorance. It was due to the shortcomings of a life posed to rebirth, sickness, old age and mortal anxieties.

Only disciples of Buddha could escape the torments of this fiery furnace. Freed from lust and human passion, they had acquired the wisdom that leads to the Perfect Man.

This sermon was delivered on Elephant's Head Mountain near Buddha Gayâ.  
The Suffanspita, U. Sutra reads:

*The Blessed One was once living at the monastery of Anithapic ika in Jeta's grove, near Savatthi. Now when the night was far advanced, a certain deity, whose surpassing splendour illuminated the entire Jeta Grove, came into the presence of the Blessed One, and, drawing near, respectfully saluted Him and stood on one side. Standing thus, he addressed the Blessed One in verse:*

*(The Deity)*

*Many angels and men have held various things a blessing when they were yearning for inner wisdom. Lord Buddha, do declare to us the greatest blessing.*

*(Buddha)*

*Not to serve the foolish, But to serve the spiritual;  
To honour those worthy of honour,— This is the greatest blessing.*

*To dwell in a spot that befits one's condition, To think of the effect of one's deeds,  
To guide the behaviour aright,— This is the greatest blessing.*

*Much insight and education, Self-control and pleasant speech,  
And whatever word be well spoken,— This is the greatest blessing.*

*To support father and mother, To cherish wife and child,  
To follow a peaceful calling,— This is the greatest blessing.*

*To bestow alms and live righteously, To give help to kindred,  
Deeds which cannot be blamed, These are the greatest blessing.*

*To abhor and cease from sin, Abstinence from strong drink,  
Not to be weary in well-doing, These are the greatest blessing.*

*Reverence and lowliness, Contentment and gratitude,  
The hearing of the Law at due seasons,— This is the greatest blessing.*

*To be long suffering and meek, To associate with the tranquil,  
Religious talk at due seasons,— This is the greatest blessing.*

*Self-restraint and purity, The knowledge of the noble truths,  
The attainment of Nirvana, This is the greatest blessing.*

*In the midst of the eight world miseries, Like the man of pure life,  
Be calm and unconcerned,— This is the greatest blessing.*

*Listener, if you keep this law, The law of the spiritual world,  
You will know its ineffable joy,— This is the greatest blessing.*

When we begin to compare the literatures contemporaneous with the New Testament, such as the Dead Sea Scrolls, the Nag Hammadi Codices, and Early Christian and Jewish Pseudepigraphical materials, and compare them with other spiritual or mystical traditions, we begin to find much to digest and much to ponder, as we discover the profound understandings of universal truth.
