ANNUAL RE-CERTIFICATION INFORMATION

This is a Great Way to Earn Your Continuing Education Hours

This is a recommendation not a requirement.

We recommend that you have 15 hours of annual continuing education for your re-certification. You can accumulate 25 hours for approved continuing education programs such as the NGH Annual Convention.

The annual period in which to attain these 15 hours of credit starts on your dues renewal date (if your renewal is due January 1, 2017, you have until January 1, 2018 to accumulate the next 15 credit hours).

Keep track of any of the ways in which you achieve your re-certification hours during the next 12 months.

Have that information available when you pay your yearly dues. Approved credits sent to NGH during the year will be entered as you accumulate them and will appear on your dues invoice next year. It’s up to you to keep track and to inform us as you accumulate hours...it’s up to us to add the hours to your computer information. We keep track of only the number of hours, not the breakdown of the courses.

Keep track of any of the ways in which you achieve your re-certification hours during the next 12 months. Have that information available when you pay your yearly dues. We keep track of only the number of hours, not the breakdown of the courses.

Important—If you do not complete the continuing education recommendation your membership will still remain active on payment of your dues. If you need assistance, please call the NGH at (603) 429-9438.
