Host: Cathy Lauren/Marietta Robert

Meditation: Cathy Lauren

Mayan Calendar: Rainbird

29th May Thurs – 2 OC - 2 is polarity; male/female; ying/yang; OC is the dog with unconditional love. The OC energy is an artist energy, healing the past, being aware of destiny, We started the wave of Muluc yesterday, and we had new moon on that same day. Synchronistic to have the beginning of the wave on the first day of the wave. This energy will last for a year or more

30th Fri – 3 CHUEN – another portal day; the monkey so we can balance work and play; 3 is activation and movement.

31st Sat – 4 EB EB is the human, time to activate unity consciousness; 4 is form

1st June Sun – 5 BEN BEN is skywalker: be clear and follow through: create your abundance

2nd Mon – 6 IX IX is the shaman, the jaquar, the priestess; 6 is the tone of equality

3rd Tues – 7 MEN MEN is the eagle; 7 is a resonant tone – NESARA energy

4th Wed - 8 CIB CIB the warrior with an 8 which is about relationships; CIB is standing in our service warrior aspect – be impeccable, practice discernment

5th Thurs - 9 CABAN another portal day 9 is activation of greater cycles

Cathy: appreciation for the teachings of the Mayan calendar.

HARD NEWS:

T: The Circle of Support really works: put everyone you think of in the circle; the buildup of the energy really helps others.

R: has not been an easy day for him as he watches the news: 3D is merging with 5D, every thing is coming up to come front and center.

- The North Carolina Senate just approved fracking WITHOUT THE PERMISSION OR AGREEMENT OF THE PEOPLE. [did nothing with the protocols for involving the people]
 - The Moral Monday story is another fiasco: the 13 families are in absolute free fall collapse – the Rev William Barbour is all over these ones! But they do not care!
 - The GDP number for the US **fell by 1.2% in the first quarter**
- Thom Hartmann's show is now 3 hours earlier: Rama gets to hear it on his smart phone:
- Ed show now completely on the internet www.wegoted.com

CL: asks T & R to explain fracking [there are large bodies of water in NA & NJ that will be affected]

T: the gas wells are being drilled into shale, need to use all kinds of chemicals to blow up the shale shelf Which is really deep in the ground. There are over 1/2 million fracking wells in US – they quickly run out of gas in each well. The companies require immense amounts of water

R: Chris Hayes talked to someone from North Carolina who said they were keeping secret the names of the chemicals used in the fracking well

T: There are 2 videos: the Koch Brothers Exposed, and the Koch Bros exposed #2.

- the Koch Bros are behind this – the US is now the largest producer of natural gas from fracking
- ONCE THE WATER IS POLLUTED IT CANNOT BE CLEANED; it is permanently damaged
- FRACKING ALSO RELEASES RADIATION POISONING AND METHANE GAS INTO THE ATMOSPHERE WHICH IS 100X MORE INTENSE than carbon dioxide

CL: this always comes at the expense of the people, without our knowledge, who do not speak up and they can continue unabated!

T: Yes, & the idea was to keep people so busy with work & so many jobs that they'd have no time to fight this or even think about it.

- The process uses an obscene amount of water which is not being discussed. Because of the amount of water used, there are lots of little towns and villages that have no more water at all.
- The dirty water is injected back into the earth and pollutes what is left; people are getting sick and dying all over the US: it was intentional that this would happen
 - The NWO had an edict to reduce the human population to 2\$ by whatever means necessary – it is called eugenics and messing with DNA and big pharma: there are hundreds and hundreds of pharmaceutical drugs that are killing people all over the country and nothing is said or done about it – all for profit and the doctors are as guilty as sin, too
 - Treason, and economic treason as well
 - The companies do not have to clean up the water, the land or anything [no regulation about this]
 - they do not think they are responsible for **all the externalities: the cost to the environment, land, water**
 - they get the money for the gas & the people bear all the other costs

RE: Water: In Detroit, Kevin Orr, corporate attorney Emergency Manager of Michigan, with the power of the governor in his hands, and Gov Rich Schnieder are selling the water company to a foreign corporation [they are in cahoots] – NO MONEY COMES BACK TO THE USA & they put it in a trust account – this drains the economy too.

- They have also put out an edict: if you owe \$150 on your water bill, you will get a visit from police & the water man who will come in and shut off your water. If there are children in the house, they will also take the children and put them in a private child care corporation & raise them for the NWO
 - the cost of the water has been going up slowly, now up to over 110% and most of the people are people of colour and poor
- It was a Canadian woman who was on Thom Hartmann [Maude Barlow] who told him:
 - Michigan is the guinea pig for all these shenanigans – MICHIGAN is no longer part of the republic - they are part of a Fascist state – MN was the first state to appoint such a manager & they have taken over the towns and cities and privatized them. Planning to do it across the country. MN was the first state to appoint such a manager –

Pope Francis:

- Something going on which is difficult: T & R have received lots of e-mails: some have received messages from other people about what T & R have been stating on the last Ashtar on the Road and before.
 - People have been having a hard time with their words about Pope Francis
- Goes back to the news that Pope Francis - who is not the Pope - when he was in South America, was already responsible for the murder of children; the torture of priests, also the parents of children they were considered Protestants Say the word as “protest-ants”
- The “Protest-ants” are the arch enemies of the Vatican; they came to the US earlier from England to get out from under the grasp of the catholic church.
 - The Vatican is controlled by the Jesuit Order, and Jesuits take an oath to annihilate all protest-ants – ANYONE who goes against the holy roman catholic, apostolic church in any way - including OCCUPy or anyone ;
 - they exercise full authority over everything & everyone without having any allegiance to anyone in terms of national or international law – they are above the law.They own every square inch of real estate, air, earth, water and even your bodies – as a Jesuit you take an oath and you have a right over everything that is your property , even killing them if you are not attached to your holdy roman empire or do something they do not like.
Anyone who gets to the point of representing the Papacy – even though it is not true of him - is in the place of having done these things.
- The Vatican has already done these things: Francis is both a pedophile, a murderer and a consumer of

babies, their body and blood, by ritual on a regular basis for decades.

- The Vatican / Black Ops are behind everything: even to the extent that when you pull in what you believe is a channeling, [it is not likely to be from a bona fide source – in this case, it was a channeling from “St Germain]. David Icke said in **The Biggest Secret** they have downloaded clones of every ascended master in the book and programmed it with their own Black Ops reporting stations; there is a ton of this kind of programming being downloaded into lightworkers who are having trouble being able to make the shift to how far this has gone and how much control is happening by these not human reptiles.
- This is so important right not; those of us who have been given information beyond the norm, and have worked with this – it is why Mother has said to come to Cheryl's calls on Sundays and Mondays
 - Cheryl's call brings through the energies of the Mahdi, the Khalki Maitreaya, 10th incarnation and initiation of the Cosmic Christ on earth, we gather that energy and use that energy through our own bodies and send it out across the world: it is world group service - we do not judge these things, and we keep our friends close and our enemies closer – we love the enemy more because they need it more!
 - And that enemy is inside everything: the light, the dark, and everywhere else; we have been through it in the last couple of years; we have been asked and the astrology has been pushing the issue - this goes all the way through 2015; the special vortexes which are coming in & downloading higher and higher frequencies, and as we follow that path and be true to ourselves and look at what is in our auras, in our physical, emotional, mental, spiritual and cosmic space, ie, our auras so we are a clear channel and cannot be fooled by these things.

Speaking of de-nial:

- Egypt is the United States and that is tough for people to say: they have already found Cleopatra's sarcophagus in a cave in NE Illinois [See the book **When Rocks Cry Out** by Horace Butler
 - Egypt means “gypsies”; what it really means on the spiritual level is the cauldron of the wanderers from the stars
 - So we are the children of the sun; we are the star family, the children of the stars – the teachings of Horus, of Set, of Isis and Osiris, Sekhmet – we are the children of Sekhmet - Egypt, the little corner in Africa, was carved out by the British
- The original story: there was only one island on the planet, and it was in the west – called Pangea.
 - Different beings from the stars who were Luciferian in nature; first thing they did was throw out Mother Sekhmet: we don't want your plan; we want to be Darth Vader, we want only the male energy to rule; we don't want your emotion so we will change our template & mess with your template and do genetic modification and make a whole army for us that has no emotions.
- In the SW the galactic capital is Santa Fe, Ground Zero for the New Jerusalem of the Ashtar Command on the new earth – the place for bringing the galactic star wanderers back to earth with their full consciousness
 - In the west, the Divine Feminine is described as the Great White Buffalo Calf Woman in the native American teachings – and The native Americans were not here until they came from Mars which has to do with the Incas coming from Mars
- Before that, the entire western hemisphere was all black people - Moors. Before the Native American time - the native American lineage is all black, not red - his has to do with Mother Zudiachaus & the Moorish science temple –
 - Bernie Sanders said to Mark Green, former CEO of air America and host of “Both Sides Now”,
 - When he wanted to know where the change we can believe in that Barack Obama had promised.
 - Bernie Sanders said you don't know all you need to know everything you need to know about [May 25] Barack Obama: his father is Malcom X; this shocked Mark so much, he went to break!
 - Then Bernie said and ever since he got into office, he has moved the US and the whole world towards NESARA, the Reformation Act
 - And there are all kinds of legends and stories written about this man – we are the Africa of the West, and that place of the west is where we all started - the whole ocean had nothing in it but one

island, Pangea

- The name for Sekhmet is Mother Zudiachus in the Moorish Science Temple teachings, in those legends, Obama was Akbar the Great, a Moorish, Islamic Moorish king in India and a contemporary of Sir Francis Bacon who overlit by St Germain; Akbar was overlit by El Morya in the first ray of Excalibur blue of St Michael
 - In India, Akbar, overlit by El Morya, created a total Renaissance; in England, St Germain through Francis Bacon, also created a renaissance
 - Akbar the Great could not read or write – his people read all the Vedas, the Egyptian Vedas which are the teachings of the west where they teach about Sekhmet the Upanishads to him; he ended 49 wars
 - The grand son was Jodha Akbar who was Kuthumi: – type this into YouTube – he was grandson of Akbar the Great and he built the Taj Mahal

[Jodha Akbar is a sixteenth century love story about a political marriage of convenience saga between a Mughal emperor, Akbar, and a Rajput princess, Jodhaa. But much more than that it's the marriage of contrasts. <https://www.youtube.com/playlist?list=PLVqBLRhC9UzGfQAIghAOy9SsS-0VPwfi7>]

- The Ascended Masters have been incarnating through human beings who have volunteered to hold the energies of the ascended masters in their bodies and help humanity come back to unity consciousness. The teachings of the Egyptian Vedas which are the teachings of the west; Sekhmet is Mother Zudiachus in those Moorish Temple Teachings
 - Sananda Kumara was the great white prophet returned in the west
 - Isis and Osiris were in the west, **in charge of Atlantis, before** they were in Egypt. Africa – that Egypt is considered part of the Middle East now.
 - The temples along the Nile is exact to the mathematical perfection along the Colorado River. That goes down the Havasupai Native Americans who are black, to the Egyptian temples at the foot of the Grand Canyon [*The **Havasupai people** (Havasupai: Havsuw' Baaja) are an **American Indian** tribe who has lived in the **Grand Canyon** for at least the past 800 years.* [1] – Wikipedia]
- We are all one: those depictions are about unity consciousness
- How is unity consciousness arrived at? through NESARA which affects all the countries on earth and drops every border
- **Sananda Kumara is in a body on earth today: he is the King of Swords** – Mother Sekhmet confirmed this on Tuesday, May 27th – when you look at KOS, you think “Sananda Kumara” - that is important as there are whole bunch of folks who don't want to take that in – it's hard!
- For those of us with some truth know & can really open our hearts to take in the higher teachings in the west – it is happening in the west, as St Germain wrote in The New Atlantis
- St Germain said you will finish the story of the New Atlantis in the west as Altea America, together as a world group service
 - The NEW SARA LAW: speaking of first born daughter in Egypt of Jeshua and Magdalene who was Sara

R: another Bilderberger meeting: in Brussels

T: more important than ever to support the work being done the shows now – we need the knowledge now.

- **We are up against the efforts to start another world war.**

Guest: Rob Potter

- his friend Frank Chile referred Rob to Marietta a long time ago
- he's 57 years old; worked with Fred Bell at the age of 16, had experiences with Pleiadians

www.thepromiserevealed.com

www.prepareforchange.net - he is heavily involved with this website - based on what he has learned from Frank Cobra - started the Portal Blogspot in 2007 - who claimed to be connected to a resistance network involved with planetary liberation - the Agartha network and the complicated story as we have just heard.

- Rob blogs a lot on Cobra's website, talked to Cobra & told him he'd worked with Fred Bell & Samijaze the famous Pleiadian
 - In 1974 he started receiving Billy Mayers' notes
 - He was from Laguna Beach; came to this material through a get back to nature, hippy background
 - Has read **The Urantia Books** and other books – was interested in a spiritual path;
- Fred Bell was a scientist, had lots of contacts with the Pleiadians – talks on www.thepromiserevealed.com of the information he received
- Rob had lots of experience and names the various people he met, including Michael Ellegion – became close with Dr Frank Stranges,
 - Talks about his trip to Calgary, AB and the cancellation of the speech he was to give, but a great dinner in a restaurant - about James an ET & his discussion
- Speaks of the 49 choirs – the physical plane which has hydrogen, the plasma / etheric of the physical plane; the Pleiadians are also physical beings, but a little more rarefied; Venusians – astral plane – a higher dimension – they live inside the centre of Venus – we won't see them as we are tuned to the physical plane;
- Gives much of his developmental background in preparation for the work he does with Cobra
- Gives information about the various places he is speaking – has just updated the EVENTS section of his website www.thepromiserevealed.com
- He moved to Mexico due to financial considerations – sweet deal! Only 15 minutes across the border from Laguna Beach – does healing work on both side of the border
- Has taken over the baton from Dr Fred Bell with the Pleiadians
- He, Cobra and www.prepareforchange.net / resistance movement are preparing for The Event – getting ready for the removal of the dark ones in a project called The Victory of the Light
 - Rob was prepared by the Earth Resistance member to be an ambassador for inter planetary and inter dimensional exchange
 - Talks about what Cobra explained to him.- our bio consciousness fields are jammed – we must understand the banking system, the chemtrails, all the things we discuss on the shows – these hostile fields are being manipulated through the lowest ones in the barrel who are incarnated to do the work of trying to stop us in our tracks.
- It is common for us to freak out when we see other races that don't look like us – so they can move into a body that looks like ours through a very advanced technology – there are different technology for different bodies: Dr Frank Stranges told of what happened to him when he went on board

TONS OF INFORMATION – BEST TO LISTEN TO THE ENTIRE TAPE!

MR: When will this happen? Is the question people are asking her.

RP: Nobody knows the time – it will be the right time.

- All of the negative beings have been kicked off the moon, the bunkers are pretty much cleaned up; they still control the weather things and
- There are 6 major banks in the world: rothschilds control 4 of them; Rockefellers control the other 2

- It is up to us to make it happen: the average policemen will not do it
- Obama, according to Cobra, planned for his position in previous lifetimes and was to have been a light worker – now is mindcontrolled! Says Obama is programmed like a robot – couldn't tell the truth if he wanted to [BE AWARE! BE VERY AWARE!!!!] What he says next reveals that he is listening to B Fulford.
- Notice he does not speak of NESARA.
- Talks about the mind control program that is very hard to get over, around – actors, actresses also much affected / Epcot Centre
- We have to go through the disclosure process – we are so mind-controlled that we object to those who are telling the truth – the light is coming, we have to integrate it.
- When the revelations begin, the ships will be close to the earth and people will feel the love in the air – we need to love, forgive and move forward in a positive way – focus on what is important
 - Says it could happen in 2014!!!!
- When the ships show up:
 - The energy beams will calm the populace
 - The banking systems will close down
 - The media system will give other kinds of info to what is currently shown
 - Will be an arrest of major players

Tara: has some things to insert, and he can comment

- Know it looks like Obama is programmed: happens to know **he is not** – he sits in roundtables with Ashtar every day of the week; KOS has a complete encirclement of these ones; rainbow bills WILL be out; NESARA comes BEFORE the program called the Event

Rob answers – Listen to it

T: also someone called King of Swords who is connected to St Germain who has 2 offices – Rama has talked to Barack with Ashtar, KOS, etc in the room –

- President Putin, President Xi and Obama have been working together for 3 years yet on the world stage, it appears they are against each other: but they are working to get NESARA ANNOUNCED.

Rob answers – listen to it.

- Brings up someone who coordinates with the sirians and other
- He is only “hopeful: that this will happen

T: there are beings called Wingmakers who have come from 175 million years in the future, #15 is one – since they have been out that far into the future of the NWO / 13 families plot – they know how to fix it and they came here at this time as the rest of us are here to help

Rob: “I always wondered why somebody didn't do something about this; then I realized I was somebody”

T: they DO know when, yet it is about the opportunity that each soul had and if they take it.

The increase in energies means it is getting less and less possible for “evil” to occur

Rob: acknowledges the idea of not telling when:

T: the powers that were must be corralled: without them knowing when

- 9/11 was an inside job; the Vatican never had any power – yet the illusion is also strong.

Closing: Rainbird.
