

Petition to oppose unconstitutional firearms regulations and further infringement of our Second Amendment rights.

We, the undersigned, demand that you, California's elected Assembly members, Senators, and Governor Brown, uphold your oath of office, defend the Constitution of the United States, and oppose all laws that would infringe upon our fundamental Second Amendment right to keep and bear arms for self defense.

Examples of laws that must be opposed include, but are not limited to: bans on firearms, magazines, or ammunition; registration; confiscation or forced sale of firearms, magazines, or ammunition; limits on the quantity of firearms or ammunition that can be purchased or stored; taxes on firearms or ammunition; purchase licenses for firearms or ammunition; and insurance requirements.
