Hello Sydney Networkers,

Wishing you All the Best of Things at the start of 2009.

2008 Has been an exciting year for me opening my own agency
Synsation Graphic Design and getting involved with several new
client-projects; to mention a few:

Oct. 2008

"Synsation starts working for Lufthansa German Airlines creating several
advertisements for both print and online usage."

Nov. 2008

"Synsation develops logo and brand Identity for Seamless Merchandising
Matters Consultancy, a new and unique company-concept servicing large-
scale international clients."

Dec. 2008

"Goethe Institut chooses Synsation after pitch for design of logo and identity
for Australasian cultural and business networking festival running 2009-2011."

Jan. 2009

"Synsation to be launched online - Website live soon."

Hope you are well and looking forward to maybe meet in person soon.

Warm regards,

Sander Dijkstra
