His efforts are brought up in his biography in wikipedia.org. He has been an active member of the peace process in our country, Afghanistan. He is a young peacebuilder and is an active peacemaker in the country at the moment. His efforts in the past can be brought up by mentioning his duties in the past as active member of the peace negotiation between Afghanistan and Pakistan, consultation peace Jirga in Afghanistan, and the efforts of him that youth should be brought together to raise a voice against enemies of peace in order to keep this stabilized country moving forward for the better.

Description of organisation that individual is associated with, the history and scope of its work or how the individual partners with others:

His duties are not limited to being a member of the Afghanistan's transitional loya jirga. For a new administration in 2002, Peace Jirga between Afghanistan and Pakistan, National Consultative Peace Jirga held in Kabul and last but not least, that he was an active lobbyist and member of the Afghanistan Loya Jirga for approving the strategic agreement between USA and Afghanistan. He had many visits with peacemaker teams to Pakistan too.

Describe the context in which the individual works, analyse the conflict, and indicate how this analysis has influenced the peacemaking work of the individual:

His analysis and duties in that regard were given marks by the President by giving him State Medal, Presidential Appreciation certificates and diplomas signed by the Afghan President Hamid Karzai and still he is speeding up the voice of the youth towards bringing peace and strengthening the situation. He is doing his best through media and individual networking in the Afghan

provinces throughout, establishing chain of peace lovers and makers amongst the society members. His writings on peace building are published in the local newspapers, journals and the international websites like central Asia online website and most other international websites focusing on Afghanistan in Persian language.

Impact of the individual's work, including credible policy and advocacy influence that contributes toward peace:

He received Ambassador for Peace Award from Universal Peace Federation - Netherlands and had a lot of visits internationally discussing youth development and their participatory role in peace building. His voice is heard in the government of Afghanistan whenever he proposes anything for better development of the systems in the post-war Afghanistan.

Tell us a story about this individual's peacemaking work:

He was a member of the peace process and the Loya Jirga of Afghanistan that wanted peoples' approval of strategic agreement to be signed by the Afghan and US presidents. In this Jirga he was active member of the lobby group to advocate for the members of the Jirga to accept the strategic agreement to be signed to safe Afghanistan from Pakistan and other Al Qaeda terrorist groups. He is a wanted person for the Taliban, ISI and is dealing independently and without any fair of the security situation. He is always considering how to remove the gap between the rich and the poor, and how to help poor families and students by making the environment friendlier. He is quoted as saying, "Working for the poor and helping them is a wish that I want to convert into reality."
