- The verses from the poem she sees as NESARA: to be in that much bliss, to be in that space of love, and can do this every day and reverse every situation that is not perfect.
- The 500,000 indictments mean that the over ½ million involved in 9/11 have been prosecuted, tried, indicted and convicted in 1 of 4 courts, listed below:

 - Franklin War Crimes Tribunals – started in 2005
 - International Court of Justice Tribunals – started in 2006
 - Kuala Lumpur Trials – started end of 2012 – 2013; concerned with the entire state of Israel, as all the people in the state support a war crimes policy against the Palestinians, and they do in the majority to this day
 - T & R heard a few days ago of a whole group of IDF soldiers, mostly women, who refused to go into Palestine: can get them in prison for life for not serving Israel; that's how diabolical it is in Israel

- NOTE:**
- She will be offering a class in healing by conference call
 - For people who want to take the class, write her at lightenergync@gmail.com
Put **SHY** in the subject line.
 - Did 3 classes at a permaculture conference this weekend;

Guest: MariettaRobert

Cathy Lauren as the interviewer

Cathy: did Transformational Clearing with MR several years ago; tells of the incident that lies behind her need to get things right, make all perfect, be on guard, make sure she is safe

- has learned how to forgive and how to get over the fear-based basis she did not know she had

CL: How did MR come across it?

MR: this process was downloaded to her – now she does it all on the phone, and around the world

- People now realize there is no such thing as time and space.
- There is nothing of MR in it; she brings in angels, guides, beings in the galaxy to guide and assist
- MR sees things at various ages: – the premise is we come into this world with little packets of energy around us – as soon as we get the knowing, it can integrate and align and we are more “together”
- An example: a lady called MR and said “I’m stuck”, a most common comment
 - During the process, the lady said she had been telling people in the store that they needed so they cleared the 3rd chakra: left hand goes behind the chakra, right hand in front and their job is just to sit and align or whatever needs to be done – when the energy is done, then she & the client can move, & they ask the energy if it is ready to integrate & align
 - Because the lady had done sessions before, they asked what else they could do – the 2nd chakra is the amplifier for the 5th chakra
 - The lady went into work and said the same thing she had been saying for 3 ½ months – they thought it was a good idea, and they did it that day!

CL: Where are you with paying for the radio show? The Transformational Clearing is one way she uses to pay for the shows, so we can make appointments to have this done.

MR: to make an appointment, call 317-773-0061; e-mail: stargatemarietta@gmail.com

For a regular supporter of her show, she is giving a clearing to that supporter.

CL: MR is very deeply intuitive

MR: it is not her doing it; it is all spirit-guided

T: Teeth are karma, either your own or world karma – has had teeth issues for so long

- in a 13 destiny year and an 11 mastery year – with the situation with the teeth and those 2 years – her goal is to actualize the aging process – is this a good question?

MR: the age groups she usually works with 4-5 years it began; 7-9, 11-12 like a continuing saga going on

- also works with numerology to start
- add the mo of birth - Jan = 1; Jan 7 is an 8; 2014 is a 7 and add it up [15] and you add double numbers to a single # [6]
- So we start new projects in a 1 year; a 5 year is a year off for good behaviour! It's a lot of change and travel; a 6 yr is responsibility to loved ones; 7 is a year for spiritual growth – and if we don't take the time for that spiritual growth, you get an illness in your 8th year. An 8 year is back out into the working world; 9 is a time for completion – whatever old stuff you are hanging on to has to be let go.
 - If you don't get it done at the end of a 9 year, might get it done by the 3rd.
 - Usually people feel, about 3 months before a birthday, start feeling the urgings.
- The numerology does not really change things, but helps us understand that we are not crazy!
- She has understood that all that she have learned has come from Atlantis – has been working with

someone that goes back to Lemuria; have met a 3rd person & the trouble with the old relationship is beginning to manifest in this timeline – might make it easier to complete things in this lifetime.

MR: places in Indiana have been flooded, but they have not have as much rain as elsewhere they continue to feed the crops and feed the soil – soil and body are alike in that way the farmer she worked with last year is progressing

CL: what is your primary crop?

MR: hay because it helps re-build the soil, tofu beans, spelt, an ancient heirloom that has not been messed with – she has only used spelt for 6-7 years; the molecular structure is different to that of wheat and most people can eat it; there is a high demand for spelt seed;

- when livestock breeders feed spelt to the cattle, the coat shines and the cattle are healthier
- spelt gets 5' tall and has a long stem; wheat has been bred to be shorter
- tomatoes bred to be hard so they can travel

CL: taste difference between wheat and spelt?

MR: the nutrition is higher – and T is right: it is a little sweeter

- Talks of sugar bricks & the sweetness number that was developed for wine

T: the spelt-based bread that comes from Germany is very delicious

MR: people can take spelt because the molecular structure is different so even if there is some gluten in it,

- people can take it – does not create leaky gut syndrome.

CL: what kind of organizations / conferences do you speak at?

MR: started the radionics organization 27- 28 years ago

- she has a 2 hour session at this one: about farming and about metaphysics – good for people to hear this and for people to share their story
 - Will also be introducing Judy Beebe and the gem spheres, will have live internet and show the spheres and talk about the Tesla energies
 - the 3rd person they work with used to be Tesla's assistant!
- Fascinating how we come together to work together and finish things.

CL: the blocks in the road just disappear after a Transformational Clearing

- The Judy Beebe / GEM spheres needs to get out there!

MR: really excited to share that information!

CL: a light background about what GEM spheres can do

MR: they are little glass balls with a stem, and they have what looks like water in them

- living sentient beings: one video shows what looks like a heart beat
- communicate with the sphere when you get it – what do you wish to be called?
- Its a way to balance energies; if you you have something infected or inflamed, it ill help to change infections, etc etc
- Put it in your bath – get bathed in all the energy

www.Judybeebe.com – has several different websites; go to this site first and you will find the others

She will be handing out information sheets on Judy & the Fibonacci info

Talking about the tuning forks to everyone as well, as books she thinks are important

- Arden Anderson has a book as well as a hand book on the subject of **Food Plague**
 - both are well documented & foot noted, explains why some of the current food problems exist
 - he is a doctor of osteopathy, soil science degree, masters in public health – now has the authority to speak to all of these groups. One of the leaders in understanding that health begins in the soil, and farmers have the responsibility for the health of the nation.
- ACREs is a large, annual conference –
- first week in December www.acres.com – people come from many countries
 - they publish a huge number of books on natural health, natural farming, self-sufficiency – one of her favourite resources.
 - a place to discuss what is dear to your heart that the conventional world does not always

understand

MR: has been going for 40 years, except for a few times.

MR: she is here to help and to serve us as she can: we can call or write her with questions or requests

- She has been teaching since Grade 6 when she taught music!

Involved in sound therapy & discusses how it works.

- Everything is frequency; everything is energy – everything is really related!

- Farming IS related: without good food, there is no good food – and health is also energy!

2014, August 5, Tuesday, Tara's Birthday / Present

“. . . Love 'possesses not, nor would it be possessed;
“. . . To wake at dawn with a winged heart and give thanks to another day of loving; to rest at noon hour
and meditate love's ecstasy; and then to sleep with a prayer for the Beloved in (our) hear and a
song of praise upon (our) lips”

From **The Prophet** by Kahlil Gibran, born in Lebanon; published 1923

Greetings, all you Commanders, Eagles & Angels:

This Birthday, I felt my Beloved and myself received with the greatest gratitude, the very best update ever on the Big Story! NESARA NOW!

Yet, before that, the KOS said, “Happy Birthday, my dearest Green Tara. The Madhi is here and the job is getting done!”

A bit later, Ram received a call from Larry, Curly and Mo. They all said “There's a shake-up going on in the District of Criminals.”

Mr “Special Prosecutor” Patrick Fitzgerald (who cannot be fired) and, from New York, Constitutional Law Professor, Eric Schneiderman (who just took over the Chris Christie case who will be found to have done 9 11 and thus will pay the price) . . . these two have in hand now, over ½ million sub-peonas ready to hand out, that go all the way up to Dick Cheney, G. W., Karl Rove, Hillary, Colin Powell, Rummie, Gonzales, Adolf Ashcroft, Tom Ridge, Rudy Guliani, Bloomberg . . . all who did 911 . . . over ½ million sub-peonas.

Larry, Curly and Mo put it this way: Mr 19.5's and his 3 female witnesses to 9 11, have been “talking behind the scenes”, and Larry, Curly and Mo said also to Rama, “By the way, Lord Rama, these women are not from Earth.”!

As we approach 8 – Lions Gate, another one of Mother's days, the Powers that Were have been playing their cards to the hilt with all this genocide and murder, a certain evidence of their lack of willingness to return to Love.

This coming Labour Day, Larry, Curly and Mo said, may just be a “Labour of Love” that will send these ones, Mother's recalcitrant children, back to the Dark Rift, where Mother will use the energy to create new universes of Light, Love and Universal Eternal Peace.

NESARA NOW!

In Service to the One,
The A & A Team . . . T & R Inshala
