

Are they Playing or Learning?

Children love to play. They naturally pour all their attention into play activities. When we can guide that energy with educational themes and group interaction amazing things happen. And at Mornings with Mommy, you will be there to share in your child's discovery!

*“What fun!” or...
“What a Mess!”*

When you see that picture, which is your reaction? We would all love to say, “What fun!” But sometimes the thought of going out, buying the supplies, setting up the kitchen and cleaning up afterwards can make any Mom think, “What a mess!” Let Mornings with Mommy help you have fun with your child. We’ll take care of everything else, so you can say, “What fun!”

What is Mornings with Mommy?

Mornings with Mommy isn’t preschool, and it isn’t childcare, it’s something different. Mornings with Mommy is a fun and easy way for you to enjoy activities with your children and meet other Moms. There will be age appropriate activities for infants, toddlers and preschoolers. And the best part is, we do all the planning, you just sign up! Moms can mingle with each other and enjoy activities with their children including: arts and crafts, sensory table, flannel stories and story time, music, educational toys, and a snack. The program costs only five dollars per family per session and includes all snacks and activities. Register today at www.visitkok.com or call 407-628-5696. Don’t delay! Space is limited!
