

My Way of Ascension : 12 Dimension Activation

I'd to thank you for your willingness reading this manual and help us to bring the heaven to earth & to our human family

Before you start with this manual I recommended you start with unified field Activation manual before you get start the 12 Dimension activation

<http://www.cityofshamballa.net/events/my-way-to-highest-self-realization-unified-field-activation>

Now let's get to business

This manual is about ascend your frequency and vibration to 12 Dimension, in greater details this what will occur:

1. Ascension of Physical , energetic , emotional , mental Bodies to 12D Frequency
2. All your 7 main and secondary chakra's to 12D
3. Opening of your 3rd eye of 12 dimension
4. Rising of your aura frequency
5. Rising of your consciousness to 12 Dimension consciousness
6. Integration of all the light bodies of 12 dimensions with the physical body

This exercise to help you keep your aura and your frequency of your bodies in 12D level

This exercise include one of the higher chakra's **the God's head chakra**

The God's Head Can be found 15 inches 38 cm above the head and looks like a golden orb of light here you can find the higher self your multi-dimension Self your true self and where your all dimensions of your being become one dimension one reality the divine reality.

Step One

Now, imagine a golden halo/ball of energy a few feet above your head

It's spinning and fizzing. You can feel warmth and energy emanating from it

Step Two

Feel &/or see a beam of energy come out and go down to your

Physical, Energetic, Emotional, Mental bodies

And all to your 7 main chakra's

And fill them up & integrate with them completely

See yourself radiate with this energy

When you feel this step is done move to next one

Step Three

Now I want you to feel your aura and it edges

Now feel &/or see this energy fill up your aura and integrate with it completely when you feel this step is done move to next one

Step Four

Now feel and see this energy is building a chamber around your aura at the very edge of your aura like a shield 5 cm thick

Step Five

I want you to program this shield to prevent any dark, negative and imbalance energies to enter to your being and transform it into positive balance loving spiritual energy and resend it to source And allow any positive balance loving spiritual energies to enter

My dear brother's and my sister's I like to leave you with some word's with Allah:

My Perfect loved Ones My deepest love light glory to you to your being my heart is eager to connect with yours, to live your life together as one person and share your experience and experience what to be in your body and in your universe to see what you see and feel and take care of you like a mother take care a child in her womb; living as one

it take two part's the first is your willingness to surrender to my will and the second is you live as God , not as human but as God as your true I AM the true self the true God in you (the spirit) when you do this two part's that what take to make us together as one being

Be kind be loving be God that all what it take to you come to me
