Dear Friends at Dancing4Kids

On behalf of the needy children of Mganduzweni Trust it gives me great joy to write to you acknowledging your extremely generous donation of R16,000 which we received at the beginning of December.

From these funds we were able to make up the shortfall in Christmas presents for the younger children and to give them a great Christmas party. From the good surplus of funds we will be able to kit out all the children in new uniforms, pay school fees and provide stationery for the new school term starting this week.

It is a thrill to me to know that there are so many generous people worldwide anxious to help the plight of our children and you, Dancing4Kids, are some of them.

Thank you for all you do for us on an on-going basis and I trust that 2009 will be a blessed and enriched year for you all as you continue to support the work of Two Sisters.

With my very grateful thanks

Patrick Chamusso

Project Manager
