The following document is intended to be used by people teaching potential gerim and Batei Din to help weed out Christian infiltrators.

DECLARATION OF RENUNCIATION OF NON-JEWISH BELIEFS

I categorically renounce, reject and deny any belief in Jesus, Yeshua, Yahshua, Yahoshuah or any other name by which the Christian or Nazarene/Netzarim messiah is called. I declare him to have been a false messiah and that any fidelity to him is contrary to true Jewish faith.

I categorically renounce, reject and deny any belief that the individual described in any of the so-called Gospels of the Greek Testament (New Testament, New Covenant or Brit HaChadasha) was a true prophet or “only begotten son” of the Almighty.

I categorically renounce, reject and deny that he intercedes on behalf of those who put their faith in him.

I categorically renounce, reject and deny any belief that associates his crucifixion and/or his blood with Divine forgiveness and atonement. As well, I categorically renounce, reject and deny any belief which claims that personal salvation or atonement from sin requires the death of a special individual.

I categorically renounce, reject and deny any belief that understands the Creator to be a “trinity” or “triunity” of three persons, entities or personalities.

I categorically renounce, reject and deny any belief which claims that G-d ever took on human form and was incarnated into a human being.

I categorically renounce, reject and deny that the so-called “New Testament” (or New Covenant, Renewed Covenant, Brit HaChadasha, etc.) or any part of it is the word of G-d (Divinely revealed) and is to be considered part of the Jewish scriptures.
