President's Corner: Houston Chapter Mid-Term Report

As we approach a new year, we often reflect on the current year's accomplishments and challenges. The Prairie View Houston Alumni Chapter has made significant progress, however we still have some challenges. We have maintained our commitment to the National Alumni Association's goals: Membership, Mentorship and Management. I am pleased to share our membership numbers have increased overall by thirty percent. Fifty percent of last years members have renewed. Seventy percent of our current members have joined for the first time and we have reclaimed some members who were not active during the previous year.

We currently have eight scholarship students enrolled at Prairie View we are mentoring. You may find their biographical information on our website. In addition, we recently participated in College Spirit Day at Ft. Bend Church. The event afforded the opportunity to connect with students who are interested in attending our Alma Mater as well as meet PV Alums with hopes of them affiliating with the Houston Chapter. Management of the chapter has been lead by the Executive Board. We have been working closely to develop measureable goals, monitor our progress, and modify our strategic plan as needed. Communication is paramount to an organization's success. The following measures were instituted to increase communication: automated recorded messages (to current and former members; newsletters (electronic, website, Facebook and via mail); website and Facebook updates. We need everyone to become involved in order to reach our full potential and show our love

for P-V-U. Below are some ways to help our chapter grow:

- 1. Participate:**
Chapter Meetings: attend and bringing two Alums with you.
Fundraisers: support our events and share your ideas.
- 2. Volunteer:**
We have several committees to appeal to all interests. They include: Membership, Scholarship, Hospitality, and Fundraising among others.
- 3. Unite:**
Show your love for our "Dear Prairie View" by becoming financial with both the National (\$60 annual) and local chapter (\$25 annual). Please renew your commitment annually. We are in the middle of our fiscal year and thus far, the Houston Alumni Chapter has accomplished over half our goals for the 2010-2011 year. We can and will exceed our goals with your collaboration.
