Zadeva: International Conference in Malta 2018: contributions

Dear Presidents and Secretaries,

The Kazan programme has long been settled, and we are all looking forward to a wonderful time.

Therefore I would like to make you ponder on what your ESTA branch could contribute to the next Conference, which will be in Malta, and let us know of the possibilities. Please send your ideas and wishes to Antoine Frendo: antoinefrendo@yahoo.co.uk

Thank you very much in advance.

Best wishes,

Isabel
