

PERPETUAL MEMORIAL SOCIETY

OF THE

IOWA KNIGHTS OF COLUMBUS

2011 - 2020

IOWA KNIGHTS OF COLUMBUS PERPETUAL MEMORIAL SOCIETY HISTORY

The history of the Perpetual Memorial Society began at a meeting of the Executive Committee prior to the State Convention in 1991. After a discussion by the members they voted to bring the idea before the delegates of the convention. After serious discussion, it was approved. Details of how it was to be administered where worked out and we began enrolling our friends and loved ones who have passed on to their eternal award. At that time the donations were deposited in a bank account, administered by the State Secretary.

This continued until 1994 when the Knights of Columbus Charities USA, Inc., "Christopher Fund" was discussed by the Executive Committee. It was approved, and taken before the delegates of the State Convention. Again, after serious debate it was approved to invest this money in the "Christopher Fund." Only the State Council, which is made up of the state officers and delegates of the State Convention, can change our participation in the fund. No individual or group of individuals, other than the State Council, can change where the income is to be given. It must always be given a religious or charitable organization. It was voted at the 1994 that the earnings should be annually divided among the ordinaries of the four dioceses in Iowa to be used solely for promotion of religious vocations. So far we have donated \$245,454.54 to our bishops for that purpose.

The "Christopher Fund" is a fund at our home office in New Haven, Connecticut. Our home office matches whatever money we send to them based on our membership. If we were ever to draw our money out of that fund we would only receive what we had contributed. Currently the funds are deposited in a Wells Fargo account and sent to the Supreme Office twice a year and as of July 1, 2015, we have placed \$235,000.00 in the fund. With the Supreme Council matching funds of \$158,010.00, Iowa will have \$393,010.00 earning benefits for promotion of religious vocations.

The Society gives all of us the opportunity to remember and pray for our friends and loved ones for all posterity as well as supporting Religious Vocations. Anyone is welcome to enroll whomever they choose in the Society. The next of kin will receive a letter of condolence from the State Perpetual Memorial Society Chairman if requested. The donor is sent an e-mail or letter of appreciation, if desired, for using our Perpetual Memorial Society as a way of remembering and praying for their loved ones for eternity. The Iowa Knights of Columbus Perpetual Memorial Society maintains books that will be present at every Mass offered at functions of the Iowa Knights of Columbus. These books show, in alphabetical order, the enrollee's name, year of birth and death, as well as the donor's name. In addition, a complete listing can be found on the Iowa Knights of Columbus Perpetual Memorial Society webpage and in the Iowa Knights of Columbus archive, which is preserved at the State Historical Society of Iowa Archives in Iowa City.

This book is the third book published by the Iowa Knights of Columbus Perpetual Memorial Society and covers the years 2011 - 2020. The society was started by Russell J. Hensing of Iowa Falls, Iowa in 1990 and the first book covered the years 1990 - 1999. James F. Kestner of Le Mars chaired the Society after Russ until late in 2010 when Francis E. Schlueter of Ankeny took over the chairman's position.
