SEPTEMBER 2009 INTERCESSORY PRAYERS, SEPTEMBER 13, 2009

THEME: Nigerian Children and Youths Need God Appointed Angelic Leader

Text: "Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven" (Matthew 18:10; 1 Timothy 4:12).

Education is difficult, schooling is tedious. Making it through school is not easy anywhere around the world. Cost of education is high and tough on the pockets of parents. Closure of universities is a gross child and youth abuse. It is time to ask for God's divine intervention to stop all forms of children's and youths' abuse by the leadership of our country.

The focal point of today's prayer is to ask God to intervene that all universities in the country will be opened by October 1. Yes, that is just 19 days from today. We know that if we call on the Lord with sincerity, the Lord can do it. We will also ask our media consultants to take the message of this prayer and publish it in the Newspapers. We will ask radios and television house to broadcast this prayer to the whole of Nigeria to hear. Let's should it at the roof tops:

STOP DESPISING OUR CHILDREN, STOP DESPISING OUR YOUTHS, STOP DESTROYING OUR FUTURE!

Prayer Points:

1. **Let's thank God for all our past prayers that had been answered**
2. **Let's thank God for all the programs we have done this year**
