- they are playing with idea of alien invasions: a moot point

T: we will bring in the positive with audios of Nassim and Thom Hartmann

Britain: are having elections and it looks like the Tories have an edge; last night they were supposed to be

- the Scottish party and the effort for Scotland to succeed from England – Cameron manipulated this
 - Cameron has manipulated things again in terms of this election too
 - the comments of the people: it's a very weak gov't that will be here as they will have to join parties together
 - As we listen to Max Keiser we know what is going on: Cameron has dug a bigger hole because they are not telling the truth
 - the amount of homelessness in GB is atrocious and winters are colder with no way of helping those people
- In San Francisco, where the hippies used to live – rent has gone from \$1600 to \$4000 / mo & throwing everyone out!

Israel: Netanyahu formed a coalition with the ultra, extra religious, extreme rightist party there is:

- they want to settle all of Palestine and claim the entire land for themselves – the comment is that it is probably impossible to form a gov't there – the people are not taking it any more.

- T:** there's been a vibrational change; we're doing OK. Everything we do, say and think is a changeful thing. We are receiving more energy and we, as conduits for change, use these energies wisely; she can see the writing on the wall:
- Rama came home today and said "it's all over" - just the way people are rising up and saying they don't want any Clintons or Bushes, let's have Bernie Sanders. Brings in the venue that Michelle Obama can step up to the plate.
 - She reminds us: Michelle Obama; Bernie Sanders; Elizabeth Warren, Randi Rhodes, Oprah went to Costa Rica and one of Oprah's homes to brain storm [Randi lives in Costa Rica now]
 - Costa Rica has not had a standing army since '48; at the same time, horrific things to the environment: there are species that live there and nowhere else in the world; other gov'ts are clear cutting the forests
 - Based on what was just said: we are in the danger zone – meaning Mother, Ashtar and the others will not let those things happen.
 - the Jade Helm group are doing things against the law as if the President does not exist;
 - they are the ones planning the fake alien invasions for around the Memorial Day weekend. It is treason!
 - And there are ones in all 3 branches of the gov't who are doing these treasonous acts – and we with our group and unity consciousness can change it all!
- R:** there are so many different things going on that have to do with the absolute collapse of the empire at this moment
- the English intelligence agency [BND] has been collaborating with the US intelligence; the opposition parties are going for the jugular of Merkel and the head of German intelligence – this is 4th Reich activity they are doing
 - What the high appellate court judge did is sticking the knife in, deeply:

when you go after the 4th Reich in Germany and the US – and there is a party in Britain which is out and out fascists and Nazis – this is happening in Germany too

- Thom was talking of the extreme right wing in Britain gaining lots of ground and in Germany
- Love always wins AND WE HAVE TO PARTICIPATE! We would not be here if it weren't for the galactics – we would not be here if it were not for the galactics
- she reads the words of a song they are going to play: The NSA or the USA

INFORMATION RELATED TO THE NOTES

Guest Name: Lee Ann Cornell

Guest Occupation: Astrologer, Psychic, Reiki Master, and Tarot
Guest Biography: Astrologer, Psychic, Reiki Master, Tarot and Tuning Fork
Vibrational Specialist

LeeAnn Cornell

Reverend Lee Ann Cornell is a co-founder of the Pyramid of Enlightenment and has been involved in the studies of Metaphysics for 50 years. She can remember, at a very early age, standing up in her crib, as she watched spirits and balls of light moving around in her bedroom. Lee Ann would call out for her mother to come and see what was going on in her room. Her mother would say that this was just her imagination and she needed to be quiet and go to sleep. A majority of people, during that time period, were not educated or open minded to things of a mystical nature. Much later in life her mother did confess to her that she had an imaginary playmate as a child; however, she did not know how to handle it when her own daughter started seeing spirits and angels.

During her teenage years, Lee Ann began to have premonitions and dreams that would come true. She became very curious and began to read paranormal books. In her early 20s she began to connect with people of like mind and began her life-long Metaphysical journey. Lee Ann Cornell and Rita Williams helped to organize a Metaphysical study group when she lived in Muncie, Indiana in the 70's. People would gather at her house weekly to study many things such as Ancient Mysteries, Astrology, Astral Projections, Aura Reading, Extrasensory Techniques, I Ching, Kabbalah, Meditation, Numerology, Palmistry, Psychometry, Rune Stones, Tarot and Spirit Communication, etc.

Lee Ann moved to Indianapolis and continued to do professional psychic readings and met her friend, Don Hughes, through Rita Williams. Rita and Lee Ann realized that Don Hughes had psychic abilities. Then they began training Don Hughes metaphysically and how to do readings. Don and Lee Ann traveled throughout the state of Indiana doing psychic readings at bookstores, corporate events and large psychic parties. They made their first guest appearances at WZPL on Dave McKay's Morning Show in 1991 and continued appearing every Friday for a year. Lee Ann and Don were on many major radio and TV networks throughout the state of Indiana. In March of 1992, Don Hughes, Lee Ann Cornell, Rita Williams jointly founded the Pyramid of Enlightenment.

Lee Ann had the privilege of studying with a Metaphysician by the name of Dr. Paul. He was acquainted with many prominent individuals that were known for their metaphysical expertise in the 30's, 40's and 50's. She had the privilege of studying more about Aura Balancing, Crystals, Kabbalah and Metaphysics with Reverend Byron Edwards. Lee Ann studied Reiki and became a USUI lineage certified Reiki Master. Lee Ann teaches a wide variety of classes at the Pyramid and privately. Most recently Lee Ann has been blessed to attend Tuning Fork workshops presented by developer of SomaEnergetics David Hulse, C.M.S.T.T.. These workshops have been a turning point for Lee Ann. She has always wanted to work with people to help them find healing through music

and sound. She feels the tuning forks are the keys to help her accomplish this life-long dream.

Lee Ann is a retired case manager from Family and Social Services. Lee Ann is an ordained minister through World Christianity Ministries. She loves teaching others as they work to evolve on their own spiritual journeys. She draws upon the divine guidance of the angelic and spirit realms. She uses this energy in her work as a spiritual healer and psychic; in which, she views herself as a vessel for this energy to manifest.

Lee Ann feels like the angelic realm is more prevalent since she has been working with the tuning forks. Lee Ann realizes how sound and vibrations are important to raise the energies. She created a CD called the Light Workers Chant. This musical chant has helped to banish negative spirits and energies. She has worked to help people bless and cleanse their homes of negative energies. The chant has been an invaluable tool for a lot of customers.
