Dear Mr. Wood:

On the behalf of the NASA Lyndon B. Johnson Space Center (JSC), I am pleased to learn that the National Space and Technology Association (NSTA) plans to honor JSC's 50 years of contributions to the Houston community and the world at a showcase event in 2012. NSTA's efforts in presenting technological advancements benefit and enhance the aerospace industry.

JSC will collaborate with NSTA as you plan for this event. Ms. Evett Turner, Manager, Community Relations, External Relations Office, will be your primary contact for this event. She can be reached at (281) 483-4145 or by e-mail at evett.turner@nasa.gov.

Sincerely,
